STATE OF NEW YORK

3944

2019-2020 Regular Sessions

IN SENATE

February 21, 2019

Introduced by Sen. GOUNARDES -- read twice and ordered printed, and when printed to be committed to the Committee on Civil Service and Pensions

AN ACT to amend the retirement and social security law, in relation to providing a heart disease presumption for correction officers, correction supervisors, deputy sheriff patrol or deputy sheriff patrol supervisors

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. The retirement and social security law is amended by adding a new section 63-g to read as follows:

§ 63-g. Disability benefits; certain disabilities. Notwithstanding any provision of this chapter or of any general, special or local law to the contrary, any member who is a correction officer, correction supervisor, deputy sheriff patrol or deputy sheriff patrol supervisor who contracts any condition of impairment of health caused by diseases of the heart, resulting in disability or death to such correction officer, correction supervisor, deputy sheriff patrol or deputy sheriff patrol supervisor, presently employed, and who shall have sustained such disability while so employed, shall be presumptive evidence that such disability was incurred in the performance and discharge of duty and the natural and proximate result of an accident, unless the contrary be proved by competent evidence; provided, however, that prior to entry into service, such correction officer, correction supervisor, deputy sheriff patrol or deputy sheriff patrol supervisor successfully passed a physical examination which failed to disclose evidence of any disease or other impairment of the heart.

§ 2. The retirement and social security law is amended by adding a new section 605-f to read as follows:

§ 605-f. Disability benefits; certain disabilities. Notwithstanding any provision of this chapter or of any general, special or local law to the contrary, any member who is a correction officer, correction supervisor, deputy sheriff patrol or deputy sheriff patrol supervisor who contracts any condition of impairment of health caused by diseases of the heart, resulting in disability or death to such correction officer,

EXPLANATION--Matter in *italics* (underscored) is new; matter in brackets [-] is old law to be omitted.

LBD09481-02-9

correction supervisor, deputy sheriff patrol or deputy sheriff patrol supervisor, presently employed, and who shall have sustained such disability while so employed, shall be presumptive evidence that such disability was incurred in the performance and discharge of duty and the natural and proximate result of an accident, unless the contrary be proved by competent evidence; provided, however, that prior to entry into service, such correction officer, correction supervisor, deputy sheriff patrol or deputy sheriff patrol supervisor successfully passed a physical examination which failed to disclose evidence of any disease or other impairment of the heart.

§ 3. This act shall take effect immediately.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would allow certain members of the New York State and Local Employees' Retirement system (ERS) employed as correction officers, correction supervisors, deputy sheriff patrol, or deputy sheriff patrol supervisors to receive an accidental disability benefit if the member is impaired due to a condition of the heart as a result of an accident, in the performance of his or her duties, unless the contrary be proven by competent evidence. For members in tiers 1 and 2, the annual benefit would be 75% of final average salary (FAS) less worker's compensation. For members in tiers 3 through 6 who are covered under the provisions of Article 14-B of the Retirement and Social Security Law, the annual benefit would be 2/3 of FAS less worker's compensation. For all other affected members in tiers 3-6, the annual benefit would be 1/3 of FAS.

If this bill is enacted, it would lead to more disabilities being classified as "accidental". The cost of the revised benefit will depend upon the applicant's age, service, salary, plan, and benefit type otherwise payable.

However, we anticipate that few additional accidental disability retirements will be granted, and thus, the resulting costs are expected to be negligible.

Pursuant to Section 25 of the Retirement and Social Security Law, all costs arising would be borne solely by the State of New York.

Summary of relevant resources:

The membership data used in measuring the impact of the proposed change was the same as that used in the March 31, 2018 actuarial valuation. Distributions and other statistics can be found in the 2018 Report of the Actuary and the 2018 Comprehensive Annual Financial Report.

The actuarial assumptions and methods used are described in the 2015, 2016, 2017 and 2018 Annual Report to the Comptroller on Actuarial Assumptions, and the Codes, Rules and Regulations of the State of New York: Audit and Control.

The Market Assets and GASB Disclosures are found in the March 31, 2018 New York State and Local Retirement System Financial Statements and Supplementary Information.

I am a member of the American Academy of Actuaries and meet the Qualification Standards to render the actuarial opinion contained herein.

This fiscal note does not constitute a legal opinion on the viability of the proposed change nor is it intended to serve as a substitute for the professional judgment of an attorney.

This estimate, dated February 7, 2019, and intended for use only during the 2019 Legislative Session, is Fiscal Note No. 2019-64, prepared by the Actuary for the New York State and Local Retirement System.
