IN SENATE

February 22, 2019

Introduced by Sen. GOUNARDES -- read twice and ordered printed, and when printed to be committed to the Committee on Civil Service and Pensions

AN ACT to amend the retirement and social security law, in relation to accidental disability retirement for deputy sheriffs

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Paragraph 3 of subdivision e of section 556 of the retire-
2 ment and social security law, as added by chapter 165 of the laws of
3 1995, is amended to read as follows:

4 3. A pension of two-thirds of his or her final average salary;
5 provided, however, a deputy sheriff shall receive a pension of three-
6 quarters of his or her final average salary if such deputy sheriff is
7 employed by an employer that has elected to provide such benefit to
8 deputy sheriffs. The payment of such pension shall be subject to the
9 provisions of section [~~three hundred~~] sixty-four of this chapter.

10 § 2. This act shall take effect immediately.

FISCAL NOTE.-- Pursuant to Legislative Law, Section 50:

This bill would allow employers to elect to provide improved accidental disability pensions to deputy sheriffs who are covered by the provisions of Article 14-B of the Retirement and Social Security Law. The benefit for an accidental disability would be three-quarters of final average salary minus worker's compensation. The current benefit is two-thirds of final average salary minus worker's compensation.

If this bill is enacted, the estimated increase in the annual contributions of electing counties would be 0.3% of the compensation of their deputy sheriffs for the fiscal year ending March 31, 2020.

In addition to the annual contributions discussed above, there will be a past service cost of 0.9% of the compensation of such deputy sheriffs which will be paid by such electing counties as a one-time payment. This estimate is based on the assumption that payment will be made on February 1, 2020.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets [~~-~~] is old law to be omitted.
