## IN SENATE

## (Prefiled)

January 9, 2019

Introduced by Sen. LANZA -- read twice and ordered printed, and when printed to be committed to the Committee on Education

AN ACT to amend the education law, in relation to requiring heart examinations for students

## The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Subdivision 1 of section 903 of the education law, 2 amended by chapter 376 of the laws of 2015, is amended to read as follows:

1. A health certificate shall be furnished by each student in the public schools upon his or her entrance in such schools and upon his or her entry into the grades prescribed by the commissioner in regulations, 7 provided that such regulations shall require such certificates at least twice during the elementary grades and twice in the secondary grades. An examination and health history of any child may be required by the local 10 school authorities at any time in their discretion to promote the educa-11 tional interests of such child. Each certificate shall be signed by a 12 duly licensed physician, physician assistant, or nurse practitioner, who 13 is authorized by law to practice in this state, and consistent with subdivision three of section six thousand nine hundred two of this chap-15 ter, or by a duly licensed physician, physician assistant, or nurse practitioner, who is authorized to practice in the jurisdiction in which 16 the examination was given, provided that the commissioner has determined 17 that such jurisdiction has standards of licensure and practice compara-18 19 ble to those of New York. Each such certificate shall describe the 20 condition of the student when the examination was made, which shall not 21 be more than twelve months prior to the commencement of the school year in which the examination is required, and shall state whether such 23 student is in a fit condition of health to permit his or her attendance 24 at the public schools. Each such certificate shall also state the

student's body mass index (BMI) and weight status category. For purposes this section, BMI is computed as the weight in kilograms divided by 3 the square of height in meters or the weight in pounds divided by the square of height in inches multiplied by a conversion factor of 703. Weight status categories for children and adolescents shall be as defined by the commissioner of health. Each such certificate shall also state that the student has undergone a heart test such as an electrocardiogram, and state whether the student is fit to participate in physical 9 education or other physical or athletic activities. In all school 10 districts such physician, physician assistant or nurse practitioner 11 shall determine whether a one-time test for sickle cell anemia is necessary or desirable and he or she shall conduct such a test and the 12 13 certificate shall state the results.

- § 2. Subdivision 1 of section 903 of the education law, as amended by chapter 183 of the laws of 2017, is amended to read as follows:
- 15 16 1. A health certificate shall be furnished by each student in the 17 public schools upon his or her entrance in such schools and upon his or 18 her entry into the grades prescribed by the commissioner in regulations, 19 provided that such regulations shall require such certificates at least 20 twice during the elementary grades and twice in the secondary grades. An 21 examination and health history of any child may be required by the local school authorities at any time in their discretion to promote the educa-22 tional interests of such child. Each certificate shall be signed by a 23 duly licensed physician, physician assistant, or nurse practitioner, who 24 25 is authorized by law to practice in this state, and consistent with 26 subdivision three of section six thousand nine hundred two of this chap-27 ter, or by a duly licensed physician, physician assistant, or nurse practitioner, who is authorized to practice in the jurisdiction in which 28 29 the examination was given, provided that the commissioner has determined 30 that such jurisdiction has standards of licensure and practice compara-31 ble to those of New York. Each such certificate shall describe the 32 condition of the student when the examination was made, which shall not 33 be more than twelve months prior to the commencement of the school year in which the examination is required, and shall state whether such 34 35 student is in a fit condition of health to permit his or her attendance 36 at the public schools. The examination may include a diabetes risk anal-37 ysis. Each such certificate shall also state the student's body mass index (BMI) and weight status category. For purposes of this section, 38 39 BMI is computed as the weight in kilograms divided by the square of height in meters or the weight in pounds divided by the square of height 40 41 in inches multiplied by a conversion factor of 703. Weight status categories for children and adolescents shall be as defined by the commis-43 sioner of health. Each certificate shall also state that the student has 44 undergone a heart test such as an electrocardiogram, and state whether 45 the student is fit to participate in physical education or other phys-46 ical or athletic activities. In all school districts such physician, 47 physician assistant or nurse practitioner shall determine whether a one-time test for sickle cell anemia is necessary or desirable and he or she shall conduct such a test and the certificate shall state the 49 50 results.
- § 3. This act shall take effect immediately; provided that section two of this act shall take effect on the same date and in the same manner as chapter 183 of the laws of 2017, takes effect.
