44 he or she is recorded as staying, or if such letter containing an absen-

46 veteran's relative" is returned by the post office as undeliverable, the
47 board of elections shall ascertain whether the "hospitalized veteran" or
48 "hospitalized veteran's relative" is residing at the address given on
49 his or her registration records as his or her permanent address. If he

56 board of registration to make the necessary changes of temporary address

1 on his or her registration records and shall continue sending him or her
2 absentee ballots at the veterans health administration hospital where he
3 or she is staying. If he or she is not residing at the place of resi-

8 shall be mailed to the veteran or his or her relative at his or her
9 permanent residence address and last temporary address.

10 2. The board of elections shall furnish to each party county chairman

38 mailed or delivered to any such applicant but, may be delivered to the
39 voter in the manner prescribed by section 8-407 of this [~~chapter~~] title
40 if such facility is located in the county or city in which such voter is

Such database system shall be defined, maintained, and administered at the state level and shall contain the voter registration lists maintained by each county board of elections. Further, such database system shall contain the name and registration information of every legally registered voter in the state and shall assign a unique identifier to each legally registered voter. The single, uniform, official, centralized, interactive, computerized statewide voter registration database system required by this section shall be referred to as the "centralized statewide registration system".

2. The centralized statewide registration system and the computerized statewide voter registration list shall be fully compliant with all applicable requirements specified in section 303 of the federal "Help America Vote Act of 2002", Pub.L. 107-252, codified at 42 U.S.C. sec. 15301 et seq and shall meet all applicable privacy requirements under this chapter.

3. Prior to the implementation of the computerized statewide voter registration list required by subdivision one of this section, if the county chooses to maintain voter registration information on its own computer system, the information required by law to be transmitted to the New York state board of elections shall be transmitted in a media format acceptable to the New York state board of elections and within the time prescribed by the New York state board of elections.

5. (a) Subject to available appropriations, the state board of elections is responsible for the cost of acquiring computer hardware and providing necessary training for the centralized statewide registration

1 system. The state board of elections shall promulgate rules specifying
2 whether such hardware is owned by the state or the counties or whether
3 and to what extent ownership may be shared between the state and the
4 counties. If the state provides system hardware to any county, it may
5 transfer ownership of the hardware to that county. The state board of

7 responsible for the support and maintenance of the hardware provided to
8 the counties.

9 (b) Within four years of the effective date of this section the state
10 board of elections shall make the centralized statewide registration
11 system software available at no charge to each county board of
12 elections.

8 application to register to vote. The voter's name and the entries
9 required shall then be entered without delay and without further inquiry
10 in the fourth section of the challenge report or in the place provided
11 at the end of the computer generated registration list, with the nota-
12 tion that the voter has executed the affidavit hereinabove prescribed,
13 or, if such person's name appears on the computer generated registration
14 list, the board of elections may provide a place to make such entry next
15 to his or her name on such list. The voter shall then, without further
16 inquiry, be permitted to vote an affidavit ballot provided for by this
