A temporary retail permit is a conditional permit and shall authorize the holder thereof to, in the case of all other retail applications, purchase and sell such alcoholic beverages as would be permitted to be purchased and sold under the privileges of the license applied for; to sell alcoholic beverages to consumers only and not for resale; and to purchase alcoholic beverages only by payment in currency or check for such alcoholic beverages on or before they are delivered to such premises.

5. Notwithstanding any other provision of law, a temporary permit may be summarily cancelled or suspended at any time if the authority determines that good cause for such cancellation or suspension exists. The authority shall promptly notify the holder of a temporary permit in writing of such cancellation or suspension and shall set forth the reasons for such action.

6. Approval of, or extension of, a temporary retail license shall not be deemed as an approval of the retail application.

7. Notwithstanding any inconsistent provision of law to the contrary, the authority may promulgate such rules and regulations as may be necessary to carry out the provisions of this section.

§ 16. Paragraph (b) of subdivision 3 of section 101-b of the alcoholic beverage control law, as amended by section 1 of part E of chapter 56 of the laws of 2006, is amended to read as follows:

(b) No brand of liquor or wine shall be sold to or purchased by a retailer unless a schedule, as provided by this section, is transmitted to and received by the liquor authority, and is then in effect. Such schedule shall be transmitted to the authority in such form, manner, medium and format as the authority may direct; shall be deemed duly verified by the person submitting such schedule upon its transmission to the authority; and shall contain, with respect to each item, the exact brand or trade name, capacity of package, nature of contents, age and proof where stated on the label, the number of bottles contained in each

1 case, the bottle and case price to retailers, the net bottle and case
2 price paid by the seller, which prices, in each instance, shall be indi-
3 vidual for each item and not in "combination" with any other item, the
4 discounts for quantity, if any, and the discounts for time of payment,
5 if any. For purposes of this paragraph, in regards to premises licensed
6 under section sixty-three of this chapter, "combination" shall not
7 include wines provided by the same vineyard or distributor to a retailer
8 and where such wines may be different. Such brand of liquor or wine
9 shall not be sold to retailers except at the price and discounts then in
10 effect unless prior written permission of the authority is granted for
11 good cause shown and for reasons not inconsistent with the purpose of
12 this chapter. Such schedule shall be transmitted by each manufacturer
13 selling such brand to retailers and by each wholesaler selling such
14 brand to retailers.

15 § 17. This act shall take effect on the one hundred eightieth day
16 after it shall have become a law, provided, however, section two-a of
17 this act shall take effect on the same date and in the same manner as
18 part H of chapter 58 of the laws of 2019, takes effect.
