3. (a) Clearance. (i) After receipt of a criminal history record from the division of criminal justice services and the federal bureau of investigation the commissioner shall promptly notify the appropriate school district, charter school, board of cooperative educational services, contracted service providers of student support services or nonpublic or private elementary or secondary school whether the prospective employee to which such report relates is cleared for employment based upon his or her criminal history. 8 fingerprint results, whether the employee first completed a form
9 provided to them by the contracted service provider of student support
10 services, or received a form previously from a school district, charter
11 school or board of cooperative educational services. Nothing in this
12 section shall require an employee who has already submitted their fing-
13 erprints to the commissioner to have to submit them again, so long as
14 they were not destroyed.

16 for a determination on the conditional clearance of a prospective

43 criminal history. All determinations to grant or deny clearance for
44 employment pursuant to this subdivision shall be performed in accordance
45 with subdivision sixteen of section two hundred ninety-six of the execu-

48 such prospective employee shall be afforded notice and the right to be
