eye and registers with the department after paying the requisite fee in accordance with the commissioner's regulations;

§ 2. Section 7106 of the education law is amended by adding a new subdivision 4 to read as follows:

4. Notwithstanding subdivision seven of section six thousand five hundred nine of this title, a licensed optometrist may delegate the care of a patient for the specific purpose of instilling mydriatic or cycloplegic eye drops (hereinafter "dilating eye drops") and anesthetic eye drops used in conjunction with such dilating eye drops to the surface of the eye of a patient, provided that the person instilling such dilating eye drops and anesthetic eye drops is deemed qualified to assist, and is under the on-site supervision of a licensed optometrist. A person shall be deemed qualified for purposes of this subdivision and shall be permitted to assist a licensed optometrist for the purpose of instilling dilating eye drops and anesthetic eye drops used in conjunction with such dilating eye drops only if such person is over the age of eighteen, successfully completes a curriculum and examination approved by the department demonstrating the requisite experience to instill dilating eye drops and anesthetic eye drops used in conjunction with such dilating eye drops to the surface of the eye and registers with the department after paying the requisite fee in accordance with the commissioner's regulations.

§ 3. This act shall take effect eighteen months after it shall have become a law. Effective immediately the addition, amendment and/or repeal of any rule or regulation necessary for the implementation of this act on its effective date are authorized to be made and completed on or before such date.
