1 (iv) maintain compliance with approved plan until all residents have
2 relocated.

3 2. (a) The operator shall take no action to close the assisted living
4 residence prior to approval from the commissioner of the plan for
5 closure and/or decertification.

6 (b) The operator shall not close the assisted living residence until
7 all residents thereof have transferred to appropriate alternative
8 settings.

9 (c) The operator shall not increase the amount of any rent, fees or
10 other surcharges imposed upon the residents of the assisted living resi-
11 dence, their residents' representatives, and/or any applicable health
12 insurance plan, long term care plan or other insurance plan providing
13 payment to the residence on behalf of the resident prior to the approval
14 of the plan for closure and/or decertification by the commissioner,
15 provided however, that the operator may increase the amount of any rent,
16 fees or other surcharges imposed upon an individual resident correspond-
17 ing with an increase in the individual's supplemental security income;
18 the total of such increases for an individual shall not exceed the
19 amount of the increase in the individual's supplemental security income.

20 (d) The operator shall not accept new residents or applications for
21 residency after the operator has notified the appropriate regional
22 office of the department that the operator intends to close and/or
23 decertify the assisted living residence.

24 3. As part of the final approval of the closure plan, the department,
25 center for health care quality and surveillance and operator shall agree
26 upon a target closure date, which shall be at least one hundred twenty
27 days from the actual date that the operator provides written notifica-
28 tion to the residents and the residents' representatives of the closure.
29 In providing notification of such target closure date, the operator
30 shall also notify residents and the residents' representatives that
31 additional time will be provided to residents who make good faith
32 efforts, as determined by the commissioner, to secure an alternative
33 setting and have demonstrated a reasonable basis for needing more than
34 one hundred twenty days to transfer to an appropriate alternative
35 setting, so long as it remains safe and appropriate to reside in the
36 assisted living residence at such time.

37 4. The operator shall implement the approved plan to ensure that
38 arrangements for continued care which meet each resident's social,
39 emotional and health care needs are effectuated prior to closure and/or
40 decertification.

41 5. Failure to notify the department of intent to cease operations,
42 failure to submit a plan for closure and/or decertification, failure to
43 execute the approved plan for closure and/or decertification and closing
44 an assisted living residence before all residents have been appropriate-
45 ly relocated, shall result in the imposition of civil penalties in
46 accordance with section twelve of this chapter.

47 6. The commissioner may promulgate such rules and regulations as he or
48 she deems necessary to implement the provisions of this section.

49 § 2. This act shall take effect on the first of January next succeed-
50 ing the date on which it shall have become a law, and shall apply to all
51 closures of assisted living residences occurring on or after such effec-
52 tive date and to all closures of assisted living residences pending such
53 effective date; provided, however, that effective immediately, the addi-
54 tion, amendment and/or repeal of any rule or regulation necessary for
55 the implementation of this act on its effective date are authorized and
56 directed to be made and completed on or before such effective date.
