2 law, as amended by chapter 26 of the laws of 2003, is amended to read as
3 follows:

5 interest free period and all delinquent taxes shall be one-twelfth the

1 such account the amount of the installments of taxes returned unpaid
2 pursuant to [~~section nine hundred twenty-eight b or~~] subdivision one of
3 section nine hundred seventy-six of this chapter. The county treasurer
4 shall, if satisfied that such account is correct, credit him with the
5 amount of such unpaid delinquent taxes. Such return shall be endorsed
6 upon or attached to the tax roll.

7 2. In making the return of unpaid taxes, the collecting officer shall
8 add five per centum to the amount of each tax as levied. In the event
9 that the collecting officer fails to do so, the county treasurer shall
10 make such addition. In a county in which there is a local law in effect
11 pursuant to [~~section nine hundred twenty-eight b or~~] section nine
12 hundred seventy-two of this chapter providing for the collection of
13 taxes in installments, the five per centum provided by this subdivision
14 shall not be added to the taxes which a real property owner has elected
15 to pay in installments pursuant to [~~section nine hundred twenty-eight b~~
16 ~~or~~] section nine hundred seventy-five of this chapter. Such five per
17 centum shall be added by the county treasurer to the amount of such
18 taxes as shall have remained unpaid after the date upon which the last
19 installment was due as provided in such local law. Such five per centum
20 shall not be added where the taxable real property upon which such
21 unpaid tax was levied is an owner occupied residential property as
22 defined by section eleven hundred eleven of this chapter. The amount of
23 such added per centum shall thereafter be deemed part of the amount of
24 the unpaid tax.

25 § 3. Subdivision 1 and paragraph (a) of subdivision 2 of section 1112
26 of the real property tax law, as amended by chapter 532 of the laws of
27 1994, are amended to read as follows:

28 1. (a) When a tax district holds more than one tax lien against a
29 parcel, the liens need not be redeemed simultaneously. However, the
30 liens must be redeemed in reverse chronological order, so that the lien
31 with the most recent lien date is redeemed first, and the lien with the
32 earliest lien date is redeemed last. Notwithstanding the redemption of
33 one or more of the liens against a parcel as provided herein, the
34 enforcement process shall proceed according to the provisions of this
35 article as long as the earliest lien remains unredeemed.

36 (b) Notwithstanding the provisions of paragraph (a) of this subdivi-
37 sion, when a tax district holds more than one tax lien against a parcel
38 and such parcel is an owner occupied residential property as defined by
39 section eleven hundred eleven of this title, the liens need not be
40 redeemed simultaneously. However, the liens shall be redeemed in chron-
41 ological order, so that the lien with the earliest lien date is redeemed
42 first, and the lien with the most recent lien date is redeemed last.
43 Notwithstanding the redemption of one or more of the liens against a
44 parcel as provided herein, the enforcement process shall proceed accord-
45 ing to the provisions of this article as long as any lien remains unre-
46 deemed for a period of three years or more from the date of delinquency
47 of such lien.

48 (a) (i) When one or more liens against a parcel are redeemed as
49 provided herein, but the earliest lien remains unredeemed, the receipt
50 issued to the person redeeming shall include a statement in substantial-
51 ly the following form: "This parcel remains subject to one or more
52 delinquent tax liens. The payment you have made will not postpone the
53 enforcement of the outstanding lien or liens. Continued failure to pay
54 the entire amount owed will result in the loss of the property."

55 (ii) Notwithstanding the provisions of subparagraph (i) of this para-
56 graph, when one or more liens against a parcel are redeemed as provided

1 herein and such parcel is an owner occupied residential property as
2 defined by section eleven hundred eleven of this title, but any lien
3 remains unredeemed for a period of three years or more from the date of
4 delinquency of such lien, the receipt issued to the person redeeming
5 shall include a statement in substantially the following form: "This
6 parcel remains subject to one or more delinquent tax liens. The payment
7 you have made will not postpone the enforcement of the outstanding lien
8 or liens. Continued failure to pay the entire amount owed will result
9 in the loss of the property."

10 § 4. Subdivision 2 of section 924-a of the real property tax law, as
11 amended by chapter 355 of the laws of 2003 and as further amended by
12 subdivision (b) of section 1 of part W of chapter 56 of the laws of
13 2010, is amended to read as follows:

14 2. The rate of interest applicable to the third calendar quarter of
15 each year, as set by the commissioner of taxation and finance pursuant
16 to subparagraph (A) of paragraph two of subsection (j) of section six
17 hundred ninety-seven of the tax law, shall be the rate of interest
18 applicable to unpaid real property taxes for purposes of this section.
19 Such commissioner shall set such rate on or before the fifteenth day of
20 July in each year. Such rate shall be effective for all warrants issued
21 for a collection period commencing on or after the first day of Septem-
22 ber next succeeding the date the rate of interest is set. Provided,
23 however, the rate of interest prescribed by this subdivision shall in no
24 event be less than twelve per centum per annum unless the taxable real
25 property upon which such tax was levied is an owner occupied residential
26 property as defined in section eleven hundred eleven of this chapter.
27 The commissioner shall inform each affected municipality of any change
28 in the rate established pursuant to this subdivision.

29 § 5. This act shall take effect on the ninetieth day after it shall
30 have become a law.
