Introduced by Sen. KAMINSKY -- read twice and ordered printed, and when printed to be committed to the Committee on Local Government

AN ACT to amend the general municipal law, in relation to the preservation of regionally significant projects

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Section 862 of the general municipal law, as amended by
2 section 1 of part J of chapter 59 of the laws of 2013, is amended to
3 read as follows:

4 § 862. Restrictions on funds of the agency. (1) No funds of the agency
5 shall be used in respect of any project if the completion thereof would
6 result in the removal of an industrial or manufacturing plant of the
7 project occupant from one area of the state to another area of the state
8 or in the abandonment of one or more plants or facilities of the project
9 occupant located within the state, provided, however, that neither
10 restriction shall apply if the agency shall determine on the basis of
11 the application before it that the project is reasonably necessary to
12 discourage the project occupant from removing such other plant or facil-
13 ity to a location outside the state or is reasonably necessary to
14 preserve the competitive position of the project occupant in its respec-
15 tive industry.

16 (2) [~~(a) Except as provided in paragraph (b) of this subdivision, no~~]
17 No financial assistance of the agency shall be provided in respect of
18 any project where facilities or property that are primarily used in
19 making retail sales to customers who personally visit such facilities
20 constitute more than one-third of the total project cost. For the
21 purposes of this article, "retail sales" shall mean: (i) sales by a
22 registered vendor under article twenty-eight of the tax law primarily
23 engaged in the retail sale of tangible personal property, as defined in
24 subparagraph (i) of paragraph four of subdivision (b) of section eleven
25 hundred one of the tax law; or (ii) sales of a service to such custom-

ers. Except, however, that [~~tourism destination~~] regionally significant
projects shall not be prohibited by this subdivision. For the purpose of
this paragraph, [~~"tourism destination"~~] "regionally significant project"
shall mean a location or facility [~~which is likely to attract a signif-
icant number of visitors from outside the economic development region as
established by section two hundred thirty of the economic development
law, in which the project is located~~] where: (i) the agency board has
determined with the benefit of an independent third-party analysis of
costs versus benefits that shows more benefits to the community than
costs, that the project is likely to attract a significant number of
visitors from outside the economic development region as established by
section two hundred thirty of the economic development law, in which the
project is located and that undertaking the project will serve the
public purposes of this article by preserving permanent, private sector
jobs or increasing the overall number of permanent, private sector jobs
in the state; and (ii) where the agency board makes such a finding,
prior to providing financial assistance to the project by the agency,
the chief executive officer of the city, town or village where the
project is located shall confirm the proposed action of the agency.

~~[(b) Notwithstanding the provisions of paragraph (a) of this subdivi-
sion, financial assistance may, however, be provided to a project where
facilities or property that are primarily used in making retail sales of
goods or services to customers who personally visit such facilities to
obtain such goods or services constitute more than one-third of the
total project cost, where: (i) the predominant purpose of the project
would be to make available goods or services which would not, but for
the project, be reasonably accessible to the residents of the city,
town, or village within which the proposed project would be located
because of a lack of reasonably accessible retail trade facilities
offering such goods or services; or (ii) the project is located in a
highly distressed area.~~

~~[(c) With respect to projects authorized pursuant to paragraph (b) of
this subdivision, no project shall be approved unless the agency shall
find after the public hearing required by section eight hundred fifty-
nine-a of this title that undertaking the project will serve the public
purposes of this article by preserving permanent, private sector jobs or
increasing the overall number of permanent, private sector jobs in the
state. Where the agency makes such a finding, prior to providing finan-
cial assistance to the project by the agency, the chief executive offi-
cer of the municipality for whose benefit the agency was created shall
confirm the proposed action of the agency.]~~

§ 2. This act shall take effect immediately.
