AN ACT to amend the social services law, in relation to reimbursement for special transportation services

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Section 368-d of the social services law is amended by
2 adding a new subdivision 7 to read as follows:

3 7. The commissioner shall, beginning upon the effective date of this
4 subdivision and on an ongoing basis thereafter, review whether current
5 state rules, regulations, policy, billing guidelines and amendments
6 under the state plan for medical assistance concerning medicaid
7 reimbursement for special transportation services, which are furnished
8 by school districts to children with handicapping conditions receiving
9 medical care and services that qualify for reimbursement under this
10 title, are more restrictive than required by federal law, regulations,
11 or policy. The commissioner shall take all practicable steps to ensure
12 that any necessary changes are made to state rules, regulations, policy,
13 and billing guidelines, and submit any necessary proposed state plan
14 amendments to the centers for medicare and medicaid services, to ensure
15 receipt of all available federal financial participation under title
16 nineteen of the federal social security act for transportation services
17 furnished by school districts to children with handicapping conditions.
18 In so doing, the commissioner shall:

19 (a) seek to ensure receipt of all available federal financial partic-
20 ipation for transportation services furnished to children with both
21 physical and non-physical disabilities;

19 reimbursement for special transportation services, which are furnished
20 by counties and the city of New York to preschool children with handi-
21 capping conditions receiving medical care and services that qualify for
22 reimbursement under this title, are more restrictive than required by
23 federal law, regulations, or policy. The commissioner shall take all
24 practicable steps to ensure that any necessary changes are made to state
25 rules, regulations, policy, and billing guidelines, and submit any
26 necessary proposed state plan amendments to the centers for medicare and
27 medicaid services, to ensure receipt of all available federal financial
28 participation under title nineteen of the federal social security act
29 for transportation services furnished by counties and the city of New
30 York to preschool children with handicapping conditions. In so doing,
31 the commissioner shall:

32 (a) seek to ensure receipt of all available federal financial partic-
33 ipation for transportation services furnished to preschool children with
34 non-physical disabilities;

35 (b) seek to ensure receipt of all available federal financial partic-
36 ipation for transportation services involving accommodations including,
37 but not limited to, safety restraints and harnesses, medical equipment,
38 paraprofessional or nursing services, smaller vehicle size, alternative
39 vehicle routing, and climate control;

40 (c) consider whether other states have less restrictive rules, regu-
41 lations, policy, billing guidelines and approved state plan amendments
42 concerning medicaid reimbursement for special transportation services
43 furnished by school districts to preschool children with handicapping
44 conditions; and

45 (d) consult with representatives of counties and the city of New York.

46 § 3. This act shall take effect immediately.
