AN ACT to provide for the payment of the annual contributions owed and to be owed on behalf of the New York city off-track betting corporation to the New York city employees' retirement system

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Statement of legislative findings and intent. The legisla-
2 ture hereby finds that the state has a statutory and constitutional
3 obligation to protect and fund the pension benefits of the former
4 employees and retirees of the defunct New York city off-track betting
5 corporation.

6 The New York city off-track betting corporation is a public benefit
7 corporation created pursuant to state law and is a participating employ-
8 er in the New York city employees' retirement system. The pension bene-

10 from impairment under article V, section 7 of the state constitution.

11 In 2008, the state legislatively enhanced its role with respect to the
12 New York city off-track betting corporation due to its financial diffi-
13 culties, thus becoming its successor for purposes of assuming the statu-
14 tory and constitutional obligation to make pension contributions. The
15 corporation ceased operations in 2010 and has since failed to make annu-
16 al contributions to the New York city employees' retirement system as
17 required under the administrative code of the city of New York.

18 Sections 13-130 and 13-638.2 of the administrative code of the city of
