4 it. A taxpayer which is a qualified music production company, or a qual-
5 ified independent music production company, or which is a sole proprie-
6 tor of or a member of a partnership which is a qualified music
7 production company or a qualified independent music production company,
8 and which is subject to tax under article nine-A or twenty-two of this
9 chapter, shall be allowed a credit against such tax.

10 (2) The amount of the credit shall be the product (or pro rata share

19 for the credit allowed by this section on an aggregate basis provided
20 such taxpayer employs ten or more residents of this state. Qualified

(3) No qualified production costs used by a taxpayer as the basis for the allowance of the credit provided for under this section shall be used by such taxpayer to claim any other credit allowed pursuant to this chapter.

(b) Allocation of credit. The aggregate amount of tax credits allowed under this section, subdivision fifty-three of section two hundred ten-B and subsection (jjj) of section six hundred six of this chapter in any calendar year shall be twenty-five million dollars and one million two hundred fifty thousand dollars in any given week. Such aggregate amount of credits shall be allocated by the empire state development corporation among taxpayers in order of priority based upon the date of filing an application for allocation of music production credit with such office. No single taxpayer may claim or be awarded more than ten percent of the aggregate amount of tax credits allowed under this section. If the total amount of allocated credits applied for in any particular year exceeds the aggregate amount of tax credits allowed for such year under this section, such excess shall be treated as having been applied for on the first day of the subsequent year.

(c) Cross-references. For application of the credit provided for in this section, see the following provisions of this chapter:

(1) article 9-A: section 210-B: subdivision 53

Provided, however, that if the amount of the credit allowable under this subdivision for any taxable year reduces the tax to such amount, the excess shall be treated as an overpayment of tax to be credited or refunded in accordance with the provisions of section one thousand eighty-six of this chapter. Provided, however, the provisions of subsection (c) of section one thousand eighty-eight of this chapter notwithstanding, no interest shall be paid thereon.
