2019-2020 Regular Sessions

IN SENATE

April 2, 2019

Introduced by Sen. PARKER -- read twice and ordered printed, and when printed to be committed to the Committee on Transportation

AN ACT to amend the transportation law, in relation to establishing a state high speed rail planning board

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. The transportation law is amended by adding a new article
2 23 to read as follows:

ARTICLE 23

STATE HIGH SPEED RAIL PLANNING BOARD

3 Section 490. State high speed rail planning board.

4 491. Powers and duties of the board.

5 492. Assistance of other agencies.

6 § 490. State high speed rail planning board. 1. There is hereby
7 created in the department a board, to be known as the state high speed
8 rail planning board. Such board shall be responsible for planning and
9 advising the department on future improvements to the state's rail
10 systems that are necessary to implement high speed rail service in the
11 state, including making recommendations for the best governmental struc-
12 ture to design, build, operate, maintain and finance a high speed rail
13 system. The board shall also be responsible for reviewing relevant
14 recommendations as guidelines for future improvements, enhancements and
15 additions to rail service in the state, including without limitation the
16 New York state rail plan put forth by the department in two thousand
17 nine, the federal Railroad Administration's high speed rail intercity
18 passenger rail program of two thousand nine, and Amtrak's northeast
19 corridor vision reports.

20 2. Such board shall consist of the commissioner, the president of the
21 Metro-North Railroad and nine other members. The governor shall appoint
22 two members of the board upon recommendation of the temporary president
23 of the senate and two upon recommendation of the speaker of the assem-
24 bley.

25 EXPLANATION--Matter in italics (underscored) is new; matter in brackets

bly. The governor shall appoint one member upon recommendation of the minority leader of the senate and one upon recommendation of the minority leader of the assembly. The remaining three members shall be appointed by the governor without recommendation, provided, however, that at least one selection shall be a regular mass transit or passenger rail user and another selection shall represent a passenger rail advocacy organization. The governor may also select a non-voting member from a labor organization representing railroad employees. Board members shall be subject to confirmation by the senate. Any member appointed to a term on the board shall have experience in one or more of the following areas of expertise: transportation and railroad infrastructure projects, public administration, financing of infrastructure, engineering, law, land use, urban and regional planning, management of large capital projects, labor relations, or have experience in some other area of activity central to the mission of the board. A majority of the entire board shall select a chair from among the members.

3. Board members shall be appointed within thirty days after the effective date of this article; provided, however, that after the expiration of the thirty day period, a majority of the appointed members shall constitute a quorum.

4. Except for the commissioner and the president of the Metro-North Railroad, the term of office of each such member shall be three years. Any member appointed to fill a vacancy occurring otherwise than by expiration of a term shall be appointed for the remainder of the unexpired term.

5. The board shall meet publicly at least quarterly at the times and places in the state that the chair designates until the final report is submitted.

6. Members of the board, except the commissioner, shall be allowed the necessary and actual expenses which he or she shall incur in the performance of his or her duties under this article.

7. The governor shall designate an executive director to render assistance and service to the board, subject to the advice and consent of the senate.

§ 491. Powers and duties of the board. The board shall have the following powers and duties:

1. To provide the department with input on environmental impact studies necessary for planning for a high speed rail system and the development of a transportation investment program;

2. To solicit and receive public and stakeholder input on opinions and proposals for building, designing, maintaining, operating and financing a high speed rail system for the state, which shall include a process for soliciting and receiving testimony from interested parties, a process for receiving public comments which shall include at least six public hearings held in regionally diverse areas of the state as designated by the chair, and a process for providing periodic public reports and updates;

3. To evaluate all available high speed rail technologies, systems and operators, and make recommendations on an appropriate high speed rail system;

4. To research options, in coordination with the department, with respect to agreements with private entities necessary to permit high speed trains, including but not limited to agreements relating to track improvements and agreements to operate a high speed rail system, and to provide the department with recommendations on the form any such agreement should take;

1 5. To advise and work with the department on making application for
2 any additional funding that may be available for the development and
3 operation of a high speed rail system in the state, provided, however,
4 that no such funding that requires a state match of funds may be sought
5 except on approval of the governor and the director of the division of
6 the budget;

7 6. To make a report, within two years of the effective date of this
8 article, to the governor and the legislature that will include but not
9 be limited to a fully developed and consensus plan for financing of high
10 speed rail and the organizational entity which should oversee and oper-
11 ate New York state's high speed rail program. The board may provide
12 additional or updated reports documenting the progress of the high speed
13 rail program from time to time.

14 7. To accept gifts, grants, loans or contributions of funds or proper-
15 ty in any form from the federal government or any agency or instrumen-
16 tality thereof or from the state or any other source to use such
17 resources for board purposes, notwithstanding any other provision of
18 law. Such resources shall include without limitation undisbursed reap-
19 propriations from the senate high speed rail task force.

20 § 492. Assistance of other agencies. To effectuate the purposes of
21 this article, the board may request and shall receive from any depart-
22 ment, division, board, bureau, commission or other agency or authority
23 of the state such assistance, information and data as will enable the
24 board properly to carry out its powers and duties hereunder. Such
25 assistance shall not waive or impair the terms of an existing agreement
26 negotiated between the relevant employer and employee organization nor
27 limit any obligation to bargain terms and conditions of employment
28 pursuant to article fourteen of the civil service law.

29 § 2. This act shall take effect on the sixtieth day after it shall
30 have become a law.
