AN ACT to amend the tax law, in relation to creating a tax credit for employers who contribute to a college choice tuition savings account on behalf of an employee

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Section 210-B of the tax law is amended by adding a new  
2 subdivision 54 to read as follows:

3 54. Employer college choice tuition savings contribution credit. (a)  
4 Allowance of credit. A taxpayer shall be allowed a credit, to be  
5 computed as provided in paragraph (b) of this subdivision, against the  
6 tax imposed by this article, if it provides a contribution, on behalf of  
7 an employee, to a family tuition account established under article four-  
8 teen-A of the education law by such employee.

9 (b) Amount of credit. The credit allowed pursuant to paragraph (a) of  
10 this subdivision shall be in an amount equal to the taxpayer's payment,  
11 on behalf of an employee, to a family tuition account established under  
12 article fourteen-A of the education law by such employee. Provided,  
13 however, that no such credit allowed under this subdivision shall exceed  
14 five thousand dollars per employee.

15 (c) Application of credit. The credit allowed under this subdivision  
16 for any taxable year shall not reduce the tax due for such year to less  
17 than the amount prescribed in paragraph (d) of subdivision one of  
18 section two hundred ten of this article. If, however, the amount of  
19 credits allowed under this subdivision for any taxable year reduces the  
20 tax to such amount, any amount of credit thus not deductible in such  
21 taxable year shall be treated as an overpayment of tax to be credited or  
22 refunded in accordance with the provisions of section one thousand

§ 3. Section 606 of the tax law is amended by adding a new subsection (kkk) to read as follows:

(kkk) Employer college choice tuition savings contribution credit.

(1) Allowance of credit. A taxpayer shall be allowed a credit, to be computed as provided in paragraph two of this subsection, against the tax imposed by this article, if it provides for a contribution, on behalf of an employee, to a family tuition account established under article fourteen-A of the education law by such employee.

(2) Amount of credit. The credit allowed pursuant to paragraph one of this subsection shall be in an amount equal to the taxpayer's contribution, on behalf of an employee, to a family tuition account established under article fourteen-A of the education law by such employee. Provided, however, that no such credit allowed under this subsection shall exceed five thousand dollars per employee.

(3) Application of credit. If the amount of the credit allowed under this subsection for any taxable year shall exceed the taxpayer's tax for such year, the excess shall be treated as an overpayment of tax to be credited or refunded in accordance with the provisions of section six hundred eighty-six of this article, provided, however, that no interest shall be paid thereon.

(4) Credit recapture. For provisions requiring recapture of credit, see section forty-four of this chapter.

§ 4. Section 1511 of the tax law is amended by adding a new subdivision (ee) to read as follows:

(ee) Employer college choice tuition savings contribution credit. (1) Allowance of credit. However, if the amount of the credit allowed under this subdivision for any taxable year reduces the taxpayer's tax to such amount, any amount of credit thus not deductible will be treated as an overpayment of tax to be credited or refunded in accordance with the

1 provisions of section one thousand eighty-six of this chapter. Provided,
