2. In conjunction with and as a condition of each triennial registration, the professionals described in subdivision one of this section shall provide to the department, and the department shall collect, such information and documentation required by the department, in consultation with the department of health, as is necessary to enable the department of health to evaluate access to needed services in this state, including, but not limited to, the location and type of setting in which the professional practices and other information the department, in consultation with the department of health, deems relevant. The

10 <u>department of health, in consultation with the department, shall make</u> 11 <u>such data available in aggregate, de-identified form on a publicly</u> 12 <u>accessible website.</u>

13 <u>3. The dates by which the professionals described in subdivision one</u> 14 of this section must comply with the requirements of subdivision two of 15 this section shall be determined by the commissioner and may vary by 16 profession, to allow the development and refinement of necessary program 17 features. However, full implementation of such requirements shall occur 18 no later than three years after the effective date of this section.

19 § 2. Paragraph (e) of subdivision 3 of section 6902 of the education 20 law, as amended by section 2 of part D of chapter 56 of the laws of 21 2014, is amended to read as follows:

22 (e) [(i) In conjunction with and as a condition of each triennial registration, the department shall collect and a nurse practitioner 23 24 shall provide such information and documentation required by the department, in consultation with the department of health, as necessary to 25 26 enable the department of health to evaluate access to needed services in 27 this state, including but not limited to the location and type of setting wherein the nurse practitioner practices; if the nurse practi-28 tioner has practiced for fewer than three thousand six hundred hours and 29 30 is practicing pursuant to a written practice agreement with a physician; 31 if the nurse practitioner practices pursuant to collaborative relation-32 ships with a physician or hospital; and other information the depart-33 ment, in consultation with the department of health, deems relevant. The department of health, in consultation with the department, will make 34 such data available in aggregate, de-identified form on a publicly 35 36 accessible website.

37 (ii) The commissioner, in consultation with the commissioner of 38 health, shall issue a report on the implementation of the provisions of this section, along with information that includes, but is not limited 39 the number of nurse practitioners practicing for fewer than three 40 to: 41 thousand six hundred hours that practice pursuant to a written practice 42 agreement with a physician; the number of nurse practitioners that prac-43 tice pursuant to collaborative relationships with physicians or with 44 hospitals; and other information the department deems relevant, includ-45 ing but not limited to, any recommendations for the continuation of or 46 amendments to the provisions of this section relating to written prac-47 tice agreements or collaborative relationships. The commissioner shall submit this report to the governor, the speaker of the assembly, the 48 temporary president of the senate, and the chairs of the assembly and 49 50 senate higher education committees by September first, two thousand 51 eighteen.

52 § 3. This act shall take effect immediately; provided, however, that 53 the amendments to paragraph (e) of subdivision 3 of section 6902 of the 54 education law made by section two of this act shall not affect the expi-55 ration or repeal of such subdivision and shall expire or be deemed 56 repealed therewith.
