2. In conjunction with and as a condition of each triennial registration, the professionals described in subdivision one of this section shall provide to the department, and the department shall collect, such information and documentation required by the department, in consultation with the department of health, as is necessary to enable the department of health to evaluate access to needed services in this state, including, but not limited to, the location and type of setting in which the professional practices and other information the department, in consultation with the department of health, deems relevant. The department of health, in consultation with the department, shall make such data available in aggregate, de-identified form on a publicly accessible website.

- 3. The dates by which the professionals described in subdivision one of this section must comply with the requirements of subdivision two of this section shall be determined by the commissioner and may vary by profession, to allow the development and refinement of necessary program features. However, full implementation of such requirements shall occur no later than three years after the effective date of this section.
- § 2. Paragraph (e) of subdivision 3 of section 6902 of the education law, as amended by section 2 of part D of chapter 56 of the laws of 2014, is amended to read as follows:
- (e) [(i) In conjunction with and as a condition of each triennial registration, the department shall collect and a nurse practitioner shall provide such information and documentation required by the department, in consultation with the department of health, as necessary to enable the department of health to evaluate access to needed services in this state, including but not limited to the location and type of setting wherein the nurse practitioner practices; if the nurse practitioner has practiced for fewer than three thousand six hundred hours and is practicing pursuant to a written practice agreement with a physician; if the nurse practitioner practices pursuant to collaborative relationships with a physician or hospital; and other information the department, in consultation with the department of health, deems relevant. The department of health, in consultation with the department, will make such data available in aggregate, de-identified form on a publicly accessible website.

(ii) The commissioner, in consultation with the commissioner of health, shall issue a report on the implementation of the provisions of this section, along with information that includes, but is not limited the number of nurse practitioners practicing for fewer than three thousand six hundred hours that practice pursuant to a written practice agreement with a physician; the number of nurse practitioners that practice pursuant to collaborative relationships with physicians or with hospitals; and other information the department deems relevant, including but not limited to, any recommendations for the continuation of or amendments to the provisions of this section relating to written practice agreements or collaborative relationships. The commissioner shall submit this report to the governor, the speaker of the assembly, the temporary president of the senate, and the chairs of the assembly and senate higher education committees by September first, two thousand eighteen.

3. This act shall take effect immediately; provided, however, that the amendments to paragraph (e) of subdivision 3 of section 6902 of the 54 education law made by section two of this act shall not affect the expiration or repeal of such subdivision and shall expire or be deemed repealed therewith.
