1 other measure generally used by the health care employer to determine  
2 when an employee is minimally supposed to work, consistent with the  
3 collective bargaining agreement, if any. Nothing in this section shall  
4 be construed to permit an employer to use on-call time as a substitute  
5 for mandatory overtime.

6 2. a. Notwithstanding any other provision of law no health care  
7 employer shall require a nurse to work more than that nurse's regularly  
8 scheduled work hours, except pursuant to subdivision three of this  
9 section.

10 b. Nothing in this section shall prohibit a nurse from voluntarily  
11 working overtime.

12 3. The limitations provided for in this section shall not apply in the  
13 case of:

14 a. a health care disaster, such as a natural or other type of disaster  
15 that increases the need for health care personnel, unexpectedly affect-

17 or

18 b. a federal, state or county declaration of emergency in effect in  
19 the county in which the nurse is employed or in a contiguous county; or

20 c. where a health care employer determines there is an emergency,  
21 necessary to provide safe patient care, in which case the health care  
22 provider shall, before requiring an on-duty employee to remain, make a  
23 good faith effort to have overtime covered on a voluntary basis, includ-  
24 ing, but not limited to, calling per diems, agency nurses, assigning  
25 floats, or requesting an additional day of work from off-duty employees,  
26 to the extent such staffing options exist. For the purposes of this  
27 paragraph, "emergency", including an unanticipated staffing emergency,

33 4. The provisions of this section are intended as a remedial measure  
34 to protect the public health and the quality of patient care, and shall  
35 not be construed to diminish or waive any rights of any nurse pursuant  
36 to any other law, regulation, or collective bargaining agreement.

37 5. If, after investigation, the commissioner determines that an  
38 employer has violated this section, the commissioner shall issue to the  
39 employer an order directing compliance therewith, which shall describe  
40 particularly the alleged violation. A copy of such order shall be  
41 provided to any employee who has filed a complaint and to his or her  
42 authorized representative. The commissioner shall assess the employer a  
43 civil penalty of not less than one thousand nor more than ten thousand  
44 dollars, per violation. The employee shall receive an additional fifteen  
45 percent of the overtime payment from the employer for each violation as  
46 damages.

47 § 2. This act shall take effect on the sixtieth day after it shall  
48 have become a law.
