The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Subdivision 6 of section 422 of the social services law, as
2 amended by section 7 of part D of chapter 501 of the laws of 2012, is
3 amended to read as follows:

4 6. In all other cases, the record of the report to the statewide
5 central register shall be expunged ten years after the eighteenth birth-
6 day of the youngest child named in the report. In cases where the
7 report was indicated for maltreatment, the record of the report to the
8 statewide central register shall be sealed five years after the receipt
9 of such report. Reports sealed pursuant to this subdivision shall be
10 maintained in the statewide central register, however such reports shall
11 not be made available to provider or licensing agencies except that they
12 shall be made available to authorized agencies that are considering
13 licensing the subject of the report to become a foster or adoptive
14 parent, and to child protective services that are considering recommend-
15 ing the subject of the report as a custodial or visitation resource. In
16 the case of a child in residential care the record of the report to the
17 statewide central register shall be expunged ten years after the
18 reported child's eighteenth birthday. In any case and at any time, the
19 commissioner of the office of children and family services may amend any
20 record upon good cause shown and notice to the subjects of the report

graph (ii) as amended by chapter 323 of the laws of 2008, is amended to read as follows:

(a) (i) At any time subsequent to the completion of the investigation but in no event later than ninety days after the subject of the report is notified that the report is indicated or ninety days after the disposition of a case pursuant to article ten of the family court act based on the same allegations, whichever is later, the subject may request the commissioner to amend the record of the report. ~~[If]~~ Where a proceeding pursuant to article ten of the family court act based on the same allegations that were indicated is pending, the request to amend shall be stayed until the disposition of such family court proceeding or the conclusion of any period of adjournment in contemplation of dismissal, whichever is later. Unless such request has been stayed, if the commissioner does not amend the report in accordance with such request within ninety days of receiving the request, the subject shall have the right to a fair hearing, held in accordance with paragraph (b) of this subdivision, to determine whether the record of the report in the central register should be amended on the grounds that it is inaccurate or it is being maintained in a manner inconsistent with this title.

(ii) Upon receipt of a request to amend the record of a child abuse and maltreatment report the office of children and family services shall immediately send a written request to the child protective service or the state agency which was responsible for investigating the allegations of abuse or maltreatment for all records, reports and other information maintained by the service or state agency pertaining to such indicated report. The service or state agency shall as expeditiously as possible but within no more than twenty working days of receiving such request, forward all records, reports and other information it maintains on such indicated report to the office of children and family services, including a copy of any petition or court order based on the allegations that were indicated. ~~[The]~~ Unless such request to amend has been stayed, the office of children and family services shall as expeditiously as possible but within no more than fifteen working days of receiving such materials from the child protective service or state agency, review all such materials in its possession concerning the indicated report and determine, after affording such service or state agency a reasonable opportunity to present its views, whether there is a fair preponderance of the evidence to find that the subject committed the act or acts of child abuse or maltreatment giving rise to the indicated report and whether, based on guidelines developed by the office of children and family services pursuant to subdivision five of section four hundred twenty-four-a of this title, such act or acts could be relevant and reasonably related to employment of the subject of the report by a provider agency, as defined by subdivision three of section four hundred twenty-four-a of this title, or relevant and reasonably related to the subject of the report being allowed to have regular and substantial contact with children who are cared for by a provider agency, or relevant and reasonably related to the approval or disapproval of an application submitted by the subject of the report to a licensing agency, as defined by subdivision four of section four hundred twenty-four-a of this title.

(iii) If it is determined at the review held pursuant to this paragraph (a) that there is ~~[no-credible]~~ not a preponderance of evidence in the record to find that the subject committed an act or acts of child abuse or maltreatment, the ~~[department]~~ office of children and family services shall amend the record to indicate that the report is "unfounded" and notify the subject forthwith.

(iv) If it is determined at the review held pursuant to this paragraph (a) that there is ~~[some-credible]~~ a preponderance of evidence in the record to find that the subject committed such act or acts but that such act or acts could not be relevant and reasonably related to the employment of the subject by a provider agency or to the subject being allowed to have regular and substantial contact with children who are cared for by a provider agency or the approval or disapproval of an application which could be submitted by the subject to a licensing agency, the ~~[department]~~ office of children and family services shall be precluded from informing a provider or licensing agency which makes an inquiry to ~~[the-department]~~ such office pursuant to the provisions of section four hundred twenty-four-a of this title concerning the subject that the person about whom the inquiry is made is the subject of an indicated report of child abuse or maltreatment. The ~~[department]~~ office of children and family services shall notify forthwith the subject of the report of such determinations and that a fair hearing has been scheduled pursuant to paragraph (b) of this subdivision. The sole issue at such hearing shall be whether the subject has been shown by ~~[some-credible]~~ a preponderance of evidence to have committed the act or acts of child abuse or maltreatment giving rise to the indicated report.

(v) If it is determined at the review held pursuant to this paragraph (a) that there is ~~[some-credible]~~ a preponderance of evidence in the record to prove that the subject committed an act or acts of child abuse or maltreatment and that such act or acts could be relevant and reasonably related to the employment of the subject by a provider agency or to the subject being allowed to have regular and substantial contact with children cared for by a provider agency or the approval or disapproval of an application which could be submitted by the subject to a licensing agency, the ~~[department]~~ office of children and family services shall notify forthwith the subject of the report of such determinations and that a fair hearing has been scheduled pursuant to paragraph (b) of this subdivision.

§ 3. Subparagraphs (i) and (ii) of paragraph (b) of subdivision 8 of section 422 of the social services law, as amended by chapter 12 of the laws of 1996, are amended to read as follows:

(i) If the ~~[department]~~ office of children and family services, within ninety days of receiving a request from the subject that the record of a report be amended, does not amend the record in accordance with such request, ~~[the-department]~~ such office shall schedule a fair hearing and shall provide notice of the scheduled hearing date to the subject, the statewide central register and, as appropriate, to the child protective service or the state agency which investigated the report.

(ii) The burden of proof in such a hearing shall be on the child protective service or the state agency which investigated the report, as the case may be. In such a hearing, the fact that there is a family court finding of abuse or neglect against the subject in regard to an allegation contained in the report shall create an irrebuttable presumption that said allegation is substantiated by ~~[some-credible]~~ a preponderance of evidence. Where the petitioning child protective agency withdraws with prejudice an allegation in a petition, or a family court finds on the merits that an allegation does not constitute abuse or neglect under the laws of the state of New York or was not supported by a preponderance of the evidence, the office of children and family services shall amend such allegation to be unfounded.

§ 4. Subparagraphs (i) and (ii) of paragraph (c) of subdivision 8 of section 422 of the social services law, as amended by chapter 12 of the

1 laws of 1996, and the opening paragraph of subparagraph (ii) as amended
2 by chapter 323 of the laws of 2008, are amended to read as follows:

3 (i) If it is determined at the fair hearing that there is ~~[no credi-~~
4 ~~ble]~~ not a preponderance of evidence in the record to find that the
5 subject committed an act or acts of child abuse or maltreatment, the
6 ~~[department]~~ office of children and family services shall amend the
7 record to reflect that such a finding was made at the administrative
8 hearing, order any child protective service or state agency which inves-
9 tigated the report to similarly amend its records of the report, and
10 shall notify the subject forthwith of the determination.

11 (ii) Upon a determination made at a fair hearing ~~[held on or after~~
12 ~~January first, nineteen hundred eighty-six]~~ scheduled pursuant to the
13 provisions of subparagraph (v) of paragraph (a) of this subdivision that
14 the subject has been shown by a fair preponderance of the evidence to
15 have committed the act or acts of child abuse or maltreatment giving
16 rise to the indicated report, the hearing officer shall determine, based
17 on guidelines developed by the office of children and family services
18 pursuant to subdivision five of section four hundred twenty-four-a of
19 this title, whether such act or acts are relevant and reasonably related
20 to employment of the subject by a provider agency, as defined by subdi-
21 vision three of section four hundred twenty-four-a of this title, or
22 relevant and reasonably related to the subject being allowed to have
23 regular and substantial contact with children who are cared for by a
24 provider agency or relevant and reasonably related to the approval or
25 disapproval of an application submitted by the subject to a licensing
26 agency, as defined by subdivision four of section four hundred twenty-
27 four-a of this title.

28 Upon a determination made at a fair hearing that the act or acts of
29 abuse or maltreatment are relevant and reasonably related to employment
30 of the subject by a provider agency or the subject being allowed to have
31 regular and substantial contact with children who are cared for by a
32 provider agency or the approval or denial of an application submitted by
33 the subject to a licensing agency, the ~~[department]~~ office of children
34 and family services shall notify the subject forthwith. The ~~[department]~~
35 office of children and family services shall inform a provider or
36 licensing agency which makes an inquiry to ~~[the department]~~ such office
37 pursuant to the provisions of section four hundred twenty-four-a of this
38 title concerning the subject that the person about whom the inquiry is
39 made is the subject of an indicated child abuse or maltreatment report.

40 The failure to determine at the fair hearing that the act or acts of
41 abuse and maltreatment are relevant and reasonably related to the
42 employment of the subject by a provider agency or to the subject being
43 allowed to have regular and substantial contact with children who are
44 cared for by a provider agency or the approval or denial of an applica-
45 tion submitted by the subject to a licensing agency shall preclude the
46 ~~[department]~~ office of children and family services from informing a
47 provider or licensing agency which makes an inquiry to ~~[the department]~~
48 such office pursuant to the provisions of section four hundred twenty-
49 four-a of this title concerning the subject that the person about whom
50 the inquiry is made is the subject of an indicated child abuse or
51 maltreatment report.

52 § 5. Paragraph (e) of subdivision 8 of section 422 of the social
53 services law, as added by chapter 12 of the laws of 1996, is amended to
54 read as follows:

55 (e) Should the ~~[department]~~ office of children and family services
56 grant the request of the subject of the report pursuant to this subdivi-

1 sion either through an administrative review or fair hearing to amend an
2 indicated report to an unfounded report[~~Such~~, such report shall be
3 legally sealed and shall be released and expunged in accordance with the
4 standards set forth in subdivision five of this section.

5 § 6. Subparagraphs (ii), (iii), and (v) of paragraph (e) of subdivi-
6 sion 1 of section 424-a of the social services law, subparagraphs (ii)
7 and (iii) as amended by chapter 12 of the laws of 1996, and subparagraph
8 (v) as amended by chapter 634 of the laws of 1988, are amended and 6 new
9 subparagraphs (vi), (vii), (viii), (ix), (x) and (xi) are added to read
10 as follows:

11 (ii) If the subject of an indicated report of child abuse or maltreat-
12 ment has not requested an amendment of the record of the report within
13 the time specified in subdivision eight of section four hundred twenty-
14 two of this title [~~or if the subject had a fair hearing pursuant to such~~
15 ~~section prior to January first, nineteen hundred eighty-six~~] and an
16 inquiry is made to the [~~department~~] office of children and family
17 services pursuant to this subdivision concerning the subject of the
18 report, [~~the department~~] such office shall, as expeditiously as possible
19 but within no more than ten working days of receipt of the inquiry,
20 determine whether, in fact, the person about whom an inquiry is made is
21 the subject of an indicated report. Upon making a determination that the
22 person about whom the inquiry is made is the subject of an indicated
23 report of child abuse and maltreatment, the [~~department~~] office of chil-
24 dren and family services shall immediately send a written request to the
25 child protective service or state agency which was responsible for
26 investigating the allegations of abuse or maltreatment for all records,
27 reports and other information maintained by the service or state agency
28 on the subject. The service or state agency shall, as expeditiously as
29 possible but within no more than twenty working days of receiving such
30 request, forward all records, reports and other information it maintains
31 on the indicated report to the [~~department~~] office of children and fami-
32 ly services, including a copy of any petition or court order based on
33 the allegations that were indicated. [~~The department~~] Where a proceed-
34 ing pursuant to article ten of the family court act is pending based on
35 the same allegations that were indicated, the office of children and
36 family services shall defer determination of whether there is a prepon-
37 derance of the evidence to support the indication until the disposition
38 of such family court proceeding or the conclusion of any period of
39 adjournment in contemplation of dismissal, whichever is later. Unless
40 such determination has been deferred, the office of children and family
41 services shall, within fifteen working days of receiving such records,
42 reports and other information from the child protective service or state
43 agency, review all records, reports and other information in its
44 possession concerning the subject and determine whether there is [~~some~~
45 ~~credible~~] a preponderance of evidence to find that the subject had
46 committed the act or acts of child abuse or maltreatment giving rise to
47 the indicated report.

48 (iii) If it is determined, after affording such service or state agen-
49 cy a reasonable opportunity to present its views, that there is [~~no~~
50 ~~credible~~] not a preponderance of evidence in the record to find that the
51 subject committed such act or acts, the [~~department~~] office of children
52 and family services shall amend the record to indicate that the report
53 was unfounded and notify the inquiring party that the person about whom
54 the inquiry is made is not the subject of an indicated report. [~~If the~~
55 ~~subject of the report had a fair hearing pursuant to subdivision eight~~
56 ~~of section four hundred twenty-two of this title prior to January first,~~

~~nineteen hundred eighty six and the fair hearing had been finally determined by the commissioner and the record of the report had not been amended to unfound the report or delete the person as a subject of the report, then the department shall determine that there is some credible evidence to find that the subject had committed the act or acts of child abuse or maltreatment giving rise to the indicated report.]~~

(v) If it is determined after a review by the [department] office of children and family services of all records, reports and information in its possession concerning the subject of the report that there is [some credible] a preponderance of evidence to prove that the subject committed the act or acts of abuse or maltreatment giving rise to the indicated report ~~[and that such act or acts are relevant and reasonably related to issues concerning the employment of the subject by a provider agency or to the subject being allowed to have regular and substantial contact with children cared for by a provider agency or the approval or disapproval of an application which has been submitted by the subject to a licensing agency, the department shall inform the inquiring party that the person about whom the inquiry is made is the subject of an indicated report of child abuse and maltreatment; the department shall also notify the subject of the inquiry of his or her fair hearing rights granted pursuant to paragraph (c) of subdivision two of this section]~~ , the office of children and family services shall notify the subject of the determination of such report and of the subject's right to request a fair hearing within ninety days. If the subject shall request a hearing within ninety days, the office of children and family services shall schedule a fair hearing and shall provide notice of the scheduled hearing date to the subject, the statewide central register and, as appropriate, to the child protective service or state agency which investigated such report.

(vi) The burden of proof in such a hearing shall be on the child protective service or state agency which investigated the report. In such a hearing, the fact that there is a family court finding of abuse or neglect against the subject in regard to an allegation contained in such report shall create an irrebuttable presumption that said allegation is substantiated by a preponderance of evidence. Where the petitioning child protective agency withdraws with prejudice an allegation in a petition, or a family court finds on the merits that an allegation does not constitute abuse or neglect under the laws of the state of New York or was not supported by a preponderance of the evidence, the office of children and family services shall amend that allegation to be unfounded.

(vii) If it shall be determined at the fair hearing that there is no preponderance of evidence in the record to find that the subject committed an act or acts of child abuse or maltreatment, the office of children and family services shall amend the record to reflect that such a finding was made at the administrative hearing, order any child protective service or state agency which investigated the report to similarly amend its records of such report, notify the subject of the determination, and notify the inquiring party that the person about whom such inquiry was made is not the subject of an indicated report.

(viii) Upon a determination at the fair hearing that the subject has been shown, by a preponderance of the evidence, to have committed the act or acts of child abuse or maltreatment giving rise to the indicated report, the hearing officer shall determine, based on guidelines developed by the office of children and family services pursuant to subdivision five of this section, whether such act or acts are relevant and

1 reasonably related to the subject being allowed to have regular and
2 substantial contact with children who are cared for by a provider agen-
3 cy, or relevant and reasonably related to the approval or disapproval of
4 an application submitted by the subject to a licensing agency.

5 (ix) Upon a determination made at a fair hearing that the act or acts
6 of abuse or maltreatment are relevant and reasonably related to the
7 employment of the subject by a provider agency, the subject being
8 allowed to have regular and substantial contact with children who are
9 cared for by a provider agency or the approval or denial of an applica-
10 tion submitted by the subject to a licensing agency, the office of chil-
11 dren and family services shall notify the subject and shall inform the
12 inquiring party that the person about whom such inquiry was made is the
13 subject of an indicated report of child abuse or maltreatment.

14 (x) The failure to determine at the fair hearing that the act or acts
15 of abuse and maltreatment are relevant and reasonably related to the
16 employment of the subject by a provider agency, the subject being
17 allowed to have regular and substantial contact with children who are
18 cared for by a provider agency or the approval or denial of an applica-
19 tion submitted by the subject to a licensing agency shall preclude the
20 office of children and family services from informing a provider or
21 licensing agency that such person is the subject of an indicated report
22 of child abuse or maltreatment.

23 (xi) Should the office of children and family services grant the
24 request of the subject of the report pursuant to this subdivision,
25 either through an administrative review or fair hearing, to amend an
26 indicated report to an unfounded report, such report shall be legally
27 sealed and shall be released and expunged in accordance with the stand-
28 ards set forth in subdivision five of section four hundred twenty-two of
29 this title.

30 § 7. Paragraphs (c), (d) and (e) of subdivision 2 of section 424-a of
31 the social services law are REPEALED.

32 § 8. Section 1039 of the family court act is amended by adding a new
33 subdivision (h) to read as follows:

34 (h) The petitioner shall notify the office of children and family
35 services, in accordance with sections four hundred twenty-two and four
36 hundred twenty-four-a of the social services law, of the outcome of an
37 adjournment in contemplation of dismissal pursuant to this section,
38 including dismissal of the petition upon expiration of such adjournment
39 or, where the proceeding has been restored to the calendar, of the
40 status and disposition of any proceedings under this article following
41 such restoration.

42 § 9. Section 1051 of the family court act is amended by adding a new
43 subdivision (g) to read as follows:

44 (g) The petitioner shall notify the office of children and family
45 services, in accordance with sections four hundred twenty-two and four
46 hundred twenty-four-a of the social services law, of any findings of
47 abuse or neglect and of any orders of dismissal entered pursuant to this
48 section.

49 § 10. Paragraph (iii) of subdivision (f) of section 1051 of the family
50 court act, as added by chapter 430 of the laws of 1994, is amended to
51 read as follows:

52 (iii) that the report made to the state central register of child
53 abuse and maltreatment upon which the petition is based will remain on
54 file until ten years after the eighteenth birthday of the youngest child
55 named in such report, that the respondent will be unable to obtain
56 expungement of such report, that if such report is for maltreatment, it

1 shall be legally sealed after five years unless a determination is made
2 to seal it earlier, and that the existence of such [~~report~~] reports
3 which are not sealed may be made known to employers seeking to screen
4 employee applicants [~~in the field of child care,~~] for positions involv-
5 ing potential contact with children, and that sealed reports may be
6 available to child protective services and law enforcement conducting
7 subsequent investigations and to [~~child care~~] authorized agencies if the
8 respondent applies to become a foster parent [~~or~~], adoptive parent or
9 seeks custody of or visitation with a child.

10 Any finding upon such an admission or consent made without such notice
11 being given by the court shall be vacated upon motion of any party. In
12 no event shall a person other than the respondent, either in person or
13 in writing, make an admission or consent to a finding of neglect or
14 abuse.

15 § 11. This act shall take effect immediately; provided, however, that
16 sections one, three, and eight of this act shall take effect on the one
17 hundred eightieth day after it shall have become a law; and section two
18 of this act shall take effect on the thirtieth day after it shall have
19 become a law.
