14 without valid authorization. The disclosure shall be made in the most

17 of this section, or any measures necessary to determine the scope of the
18 breach and restore the [~~reasonable~~] integrity of the system.

19 (a) Notice to affected persons under this section is not required if
20 the exposure of private information was an inadvertent disclosure by
21 persons authorized to access private information, and the person or
22 business reasonably determines such exposure will not likely result in
23 misuse of such information, or financial or emotional harm to the
24 affected persons. Such a determination must be documented in writing and
25 maintained for at least five years. The person or business shall provide
26 the written determination to the state attorney general within ten days

28 (b) If notice of the breach of the security of the system is made to
29 affected persons pursuant to the breach notification requirements under
30 any of the following laws, nothing in this section shall require any
31 additional notice to those affected persons, but notice still shall be
32 provided to the state attorney general, the department of state and the
33 office of information technology services pursuant to paragraph (a) of
34 subdivision eight of this section and to consumer reporting agencies
35 pursuant to paragraph (b) of subdivision eight of this section:

50 3. Any person or business which maintains computerized data which
51 includes private information which such person or business does not own
52 shall notify the owner or licensee of the information of any breach of
53 the security of the system immediately following discovery, if the
54 private information was, or is reasonably believed to have been,
55 acquired by a person without valid authorization.

1 5. The notice required by this section shall be directly provided to
2 the affected persons by one of the following methods:

3 (a) written notice;

4 (b) electronic notice, provided that the person to whom notice is
5 required has expressly consented to receiving said notice in electronic
6 form and a log of each such notification is kept by the person or busi-
7 ness who notifies affected persons in such form; provided further,
8 however, that in no case shall any person or business require a person
9 to consent to accepting said notice in said form as a condition of
10 establishing any business relationship or engaging in any transaction.

11 (c) telephone notification provided that a log of each such notifica-
12 tion is kept by the person or business who notifies affected persons; or

16 be notified exceeds five hundred thousand, or such business does not
17 have sufficient contact information. Substitute notice shall consist of
18 all of the following:

19 (1) e-mail notice when such business has an e-mail address for the
20 subject persons, except if the breached information includes an e-mail
21 address in combination with a password or security question and answer
22 that would permit access to the online account, in which case the person
23 or business shall instead provide clear and conspicuous notice delivered
24 to the consumer online when the consumer is connected to the online
25 account from an internet protocol address or from an online location
26 which the person or business knows the consumer customarily uses to
27 access the online account;

28 (2) conspicuous posting of the notice on such business's web site

30 (3) notification to major statewide media.

31 6. (a) whenever the attorney general shall believe from evidence

33 or she may bring an action in the name and on behalf of the people of
34 the state of New York, in a court of justice having jurisdiction to
35 issue an injunction, to enjoin and restrain the continuation of such
36 violation. In such action, preliminary relief may be granted under
37 article sixty-three of the civil practice law and rules. In such action
38 the court may award damages for actual costs or losses incurred by a
39 person entitled to notice pursuant to this article, if notification was
40 not provided to such person pursuant to this article, including conse-
41 quential financial losses. Whenever the court shall determine in such
42 action that a person or business violated this article knowingly or
43 recklessly, the court may impose a civil penalty of the greater of five
44 thousand dollars or up to ~~[ten]~~ twenty dollars per instance of failed
45 notification, provided that the latter amount shall not exceed ~~[one]~~ two

47 (b) the remedies provided by this section shall be in addition to any
48 other lawful remedy available.

49 (c) no action may be brought under the provisions of this section
50 unless such action is commenced within ~~[two]~~ three years ~~[immediately]~~
51 after either the date ~~[of the act complained of or the date of discovery~~
52 ~~of such act]~~ on which the attorney general became aware of the
53 violation, or the date of notice sent pursuant to paragraph (a) of
54 subdivision eight of this section, whichever occurs first.

55 7. Regardless of the method by which notice is provided, such notice
56 shall include contact information for the person or business making the

notification, the telephone numbers and websites of the relevant state and federal agencies that provide information regarding security breach response and identity theft prevention and protection information, and a description of the categories of information that were, or are reasonably believed to have been, accessed or acquired by a person without valid authorization, including specification of which of the elements of personal information and private information were, or are reasonably believed to have been, so accessed or acquired.

8.
