§ 5. Subdivision 10 of section 5007 of the education law, as amended by chapter 381 of the laws of 2012, is amended to read as follows:

10. Management of the tuition reimbursement account. a. As used in this subdivision, net balance is defined as the actual cash balance of the account as determined by the commissioner on June thirtieth, nineteen hundred ninety-three and every three months thereafter. For the

1 purpose of calculating the net balance, the commissioner shall not take
2 into consideration any refunds made from the account pursuant to para-
3 graphs d and f of subdivision four of this section for the year imme-
4 diately preceding the date on which the calculation is made.

5 b. In the event that the account has accumulated a net balance in
6 excess of ~~[one]~~ two million eight hundred thousand dollars, the commis-
7 sioner shall, with the approval of the director of the budget, waive an
8 amount not to exceed the amount due for the next quarterly assessment
9 pursuant to this section and subdivision nine of section five thousand
10 one of this article for schools which have paid sixteen quarters or more
11 of assessments only. In such event, payment of future quarterly assess-
12 ments shall be suspended for schools which have paid sixteen quarters or
13 more of assessments until the net balance of the account falls below
14 ~~[one]~~ two million three hundred thousand dollars.

15 c. In the event the net balance of the account falls below ~~[one]~~ two
16 million three hundred thousand dollars, if the quarterly assessment has
17 been suspended for schools which have paid sixteen quarters or more of
18 assessments pursuant to paragraph b of this subdivision, it shall be
19 reinstated for the next quarterly assessment and all subsequent quarter-
20 ly assessments until the account has accumulated a net balance in excess
21 of ~~[one]~~ two million eight hundred thousand dollars.

22 d. Notwithstanding the provisions of paragraph b of this subdivision,
23 in the event that the balance of the account is in excess of ~~[one]~~ two
24 million three hundred thousand dollars, all schools licensed after June
25 thirtieth, nineteen hundred ninety-nine shall be required to pay into
26 the account the equivalence of three years of annual assessments over a
27 five year period.

28 e. Notwithstanding the provisions of paragraph b of this subdivision
29 all schools licensed after June thirtieth, nineteen hundred ninety-three
30 and before July first, nineteen hundred ninety-nine will be required to
31 pay into the account the equivalence of three years of annual assess-
32 ments within four years of the effective date of this paragraph. This
33 amount to be assessed shall be determined based upon the school's gross
34 tuition in its first three years of licensure.

35 f. In the event that the balance of the tuition reimbursement account
36 is equal to or in excess of three million dollars, up to five hundred
37 thousand dollars of the amounts assessed to schools in accordance with
38 the provisions of paragraphs d and e of this subdivision shall be appro-
39 riated to the department for the hiring of additional staff to perform
40 regulatory oversight of the schools covered under this article.

41 g. In the event that the balance of the tuition reimbursement account
42 is equal to or in excess of ~~[two]~~ three million five hundred one
43 dollars, the amounts assessed the schools in accordance with the
44 provisions of paragraphs d and e of this subdivision shall be deposited
45 directly to the proprietary vocational school supervision account.

46 h. The commissioner may annually apportion from the account an amount
47 up to two hundred thousand dollars for the purpose of securing, scanning
48 and otherwise making student records from closed schools available to
49 students who attended such schools. Provided, however, that in no case
50 shall such apportionment cause the account to fall below the balance set
51 forth in paragraph c of this subdivision, nor shall such apportionment
52 cause schools whose quarterly assessments have been suspended to pay
53 additional quarterly assessments.

54 § 6. Subdivision 5 of section 5002 of the education law is amended by
55 adding a new paragraph g to read as follows:

1 g. (1) The commissioner shall require, as part of all reapproval
2 applications, that available data be submitted on the gainful employment
3 outcomes of students for each curriculum or course up for reapproval.
4 The commissioner shall be authorized to promulgate rules and regulations
5 that define and detail what shall be required as part of such
6 submission. The submission must, at a minimum include the average amount
7 of student debt a student leaves the curriculum or course carrying and
8 the average adjusted gross income that students attain three years after
9 the students have completed the curriculum or course that is up for
10 reapproval.

11 (2) Institutions submitting student data pertaining to gainful employ-
12 ment outcome shall attest to the completeness and accuracy of the infor-
13 mation submitted to the commissioner under penalty for violation of
14 fraudulent statements or representations to the department as outlined
15 under section five thousand three of this article.

16 § 7. If any clause, sentence, paragraph, or part of this act or the
17 application thereof to any person or circumstances, shall, for any
18 reason, be adjudged by a court of competent jurisdiction to be invalid,
19 such judgment shall not affect, impair, or invalidate the remainder of
20 this act, and the application thereof to other person or circumstances,
21 but shall be confined in its operation to the clause, sentence, para-
22 graph, or part thereof directly involved in the controversy in which
23 such judgment shall have been rendered and to the person or circum-
24 stances involved. It is hereby declared to be the legislative intent
25 that this act would have been adopted had such invalid provisions not
26 been included.

27 § 8. This act shall take effect on the one hundred eightieth day after
28 it shall have become a law. Effective immediately, the addition, amend-
29 ment and/or repeal of any rule or regulation necessary for the implemen-
30 tation of this act on its effective date are authorized to be made and
31 completed on or before such effective date.
