б 10. Management of the tuition reimbursement account. a. As used in 7 this subdivision, net balance is defined as the actual cash balance of 8 the account as determined by the commissioner on June thirtieth, nine-9 teen hundred ninety-three and every three months thereafter. For the 10 purpose of calculating the net balance, the commissioner shall not take 11 into consideration any refunds made from the account pursuant to paragraphs d and f of subdivision four of this section for the year imme-12 13 diately preceding the date on which the calculation is made.

14 In the event that the account has accumulated a net balance in b. 15 excess of [ene] two million eight hundred thousand dollars, the commis-16 sioner shall, with the approval of the director of the budget, waive an amount not to exceed the amount due for the next quarterly assessment 17 pursuant to this section and subdivision nine of section five thousand 18 one of this article for schools which have paid sixteen quarters or more 19 20 of assessments only. In such event, payment of future quarterly assess-21 ments shall be suspended for schools which have paid sixteen quarters or more of assessments until the net balance of the account falls below 22 23 [one] two million three hundred thousand dollars.

c. In the event the net balance of the account falls below [one] two million three hundred thousand dollars, if the quarterly assessment has been suspended for schools which have paid sixteen quarters or more of assessments pursuant to paragraph b of this subdivision, it shall be reinstated for the next quarterly assessment and all subsequent quarterly assessments until the account has accumulated a net balance in excess of [one] two million eight hundred thousand dollars.

d. Notwithstanding the provisions of paragraph b of this subdivision, in the event that the balance of the account is in excess of [ene] two million three hundred thousand dollars, all schools licensed after June thirtieth, nineteen hundred ninety-nine shall be required to pay into the account the equivalence of three years of annual assessments over a five year period.

e. Notwithstanding the provisions of paragraph b of this subdivision all schools licensed after June thirtieth, nineteen hundred ninety-three and before July first, nineteen hundred ninety-nine will be required to pay into the account the equivalence of three years of annual assessments within four years of the effective date of this paragraph. This amount to be assessed shall be determined based upon the school's gross tuition in its first three years of licensure.

f. In the event that the balance of the tuition reimbursement account is equal to or in excess of three million dollars, up to five hundred thousand dollars of the amounts assessed to schools in accordance with the provisions of paragraphs d and e of this subdivision shall be appropriated to the department for the hiring of additional staff to perform regulatory oversight of the schools covered under this article.

Provided, however, that in no case 3 shall such apportionment cause the account to fall below the balance set 4 forth in paragraph c of this subdivision, nor shall such apportionment 5 cause schools whose quarterly assessments have been suspended to pay 6 additional quarterly assessments.

7 § 6. Subdivision 5 of section 5002 of the education law is amended by 8 adding a new paragraph g to read as follows:

9 g. (1) The commissioner shall require annually, that available data be 10 submitted on the gainful employment outcomes of students for each 11 curriculum, course, or program of any school licensed pursuant to section five thousand one of this article. However, if the school does not have available access to tax 28 29 data of such applicable former students then the school can satisfy the 30 completeness and accuracy of the information submitted requirement by 31 conducting a survey of applicable former students related to their 32 earned income. Such survey shall be done pursuant to regulations and 33 guidance promulgated by the commissioner.

§ 7. If any clause, sentence, paragraph, or part of this act or the 34 35 application thereof to any person or circumstances, shall, for any 36 reason, be adjudged by a court of competent jurisdiction to be invalid, 37 such judgment shall not affect, impair, or invalidate the remainder of this act, and the application thereof to other person or circumstances, 38 but shall be confined in its operation to the clause, sentence, para-39 graph, or part thereof directly involved in the controversy in which 40 41 such judgment shall have been rendered and to the person or circum-42 stances involved. It is hereby declared to be the legislative intent 43 that this act would have been adopted had such invalid provisions not 44 been included.
