AN ACT to amend the public health law, in relation to requiring physicians and hospitals to obtain the name of the school attended by school-aged patients and to include this information in their admission registration forms

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. The public health law is amended by adding a new section 230-f to read as follows:

§ 230-f. Registration requirements. Every physician shall inquire and document as part of his or her patient registration, the name and address of the school attended by such physician's school-aged patients and include such information in the patients' medical registration form.

§ 2. The public health law is amended by adding a new section 2805-aa to read as follows:

§ 2805-aa. Admission registration requirements. All general hospitals shall inquire and document the name and address of the school attended by school-aged patients upon admission, and include such information on the hospitals' admission registration form.

§ 3. This act shall take effect one year after the date upon which it shall have become a law.

EXPLANATION--Matter in *italics* (underscored) is new; matter in brackets [-] is old law to be omitted.
