1 required by this section, and any dentist found quilty of such misconduct under the procedures prescribed in section sixty-five hundred ten of this title shall be subject to the penalties prescribed in section sixty-five hundred eleven of this title.

§ 2. Section 6608 of the education law, as amended by chapter 390 of the laws of 2019, is amended to read as follows:

§ 6608. Definition of practice of registered dental assisting. The practice of registered dental assisting is defined as providing support-9 ive services to a dentist in his or her performance of dental services 10 authorized under this article. Such support shall include providing patient education, taking preliminary medical histories and vital signs 11 to be reviewed by the dentist, placing and removing rubber dams, select-12 13 ing and prefitting provisional crowns, selecting and prefitting ortho-14 dontic bands, removing orthodontic arch wires and ligature ties, placing 15 and removing matrix bands, taking impressions for study casts or diag-16 nostic casts, removing periodontal dressings, placing and removing temporary restorations, and such other dental supportive services 17 authorized by the dentist consistent with regulations promulgated by the 18 commissioner, provided that such functions are performed under the 19 20 direct personal supervision of a licensed dentist in the course of the 21 performance of dental services. Such services shall not include diagnosing and/or performing surgical procedures, irreversible procedures or 22 procedures that would alter the hard or soft tissue of the oral and 23 maxillofacial area or any other procedures determined by the department. 24 25 The practice of registered dental assisting may be conducted in the 26 office of any licensed dentist or in any appropriately equipped school 27 or public institution but must be done under the direct personal supervision of a licensed dentist. Direct personal supervision, for purposes 28 29 of this section, means supervision of dental procedures based on 30 instructions given by a licensed dentist in the course of a procedure 31 who remains in the dental office where the supportive services are being performed, personally diagnoses the condition to be treated, personally 33 authorizes the procedures, and before dismissal of the patient, who remains the responsibility of the licensed dentist, evaluates the 34 35 services performed by the registered dental assistant. Nothing herein 36 authorizes a registered dental assistant to perform any of the services 37 functions defined as part of the practice of dental hygiene in 38 accordance with the provisions of subdivision one of section sixty-six 39 hundred six of this article, except those functions authorized pursuant to this section. All dental supportive services provided in this section 40 41 may be performed by currently registered dental hygienists either under 42 a dentist's supervision, as defined in regulations of the commissioner, 43 or, in the case of a registered dental hygienist working for a hospital as defined in article twenty-eight of the public health law, pursuant to 44 45 a collaborative arrangement with a licensed dentist in accordance with 46 subdivision one of section sixty-six hundred six of this article. Such 47 collaborative arrangement shall not obviate or supersede any law or regulation which requires identified services to be performed under the 49 personal supervision of a dentist.

§ 3. This act shall take effect immediately.
