## IN SENATE

May 16, 2019

---

Introduced by Sen. MAY -- read twice and ordered printed, and when printed to be committed to the Committee on Education

AN ACT to amend the education law, in relation to establishing the Syracuse city school district regional STEAM high school to provide instruction to students in the Onondaga, Cortland and Madison county BOCES and the central New York region in the areas of science, technology, engineering, arts and mathematics (STEAM) areas

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Legislative intent. The purpose of this act is to establish  
2 the Syracuse city school district regional STEAM high school. The STEAM  
3 high school shall provide a high school course of instruction for grades  
4 nine through twelve, dedicated to providing expanded learning opportu-  
5 nities to students residing in the Onondaga, Cortland and Madison county  
6 board of cooperative educational services region and central New York,  
7 in the areas of science, technology, engineering, arts and mathematics  
8 as well as the core academic areas required for the issuance of high  
9 school diplomas in accordance with the rules and regulations promulgated  
10 by the board of regents. The legislature hereby finds and declares that  
11 the establishment of the STEAM high school is a necessary component to  
12 the development of the greater central New York region of New York state  
13 and a necessary link to fostering the development and advancement of the  
14 arts and emerging technologies. This school will advance the interests  
15 of the central New York region and New York state by engaging students  
16 in rigorous and enriching educational experiences focused on the arts  
17 and emerging technologies, project-based learning and collaboration and  
18 by providing that experience within the context of a business and learn-  
19 ing community for the purpose of directly connecting student learning  
20 with real world experience in the arts and advanced technical facili-  
21 ties. It is expressly found that the establishment and operation of such  
22 school pursuant to this act is a public purpose.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets  
[-] is old law to be omitted.

LBD11786-01-9

§ 2. Establishment of Syracuse city school district regional STEAM high school.

1. A regional science, technology, engineering, arts and mathematics ("STEAM") high school may be established by the board of education of the Syracuse city school district pursuant to this section for students in grades nine through twelve, and shall be subject to the approval of the commissioner of education.

2. The board of education of the Syracuse city school district shall submit to the commissioner of education a proposed plan for the operation of such school for his or her approval.

3. Such school shall be governed by the board of education of the Syracuse city school district.

4. The board of education of the Syracuse city school district shall have the responsibility for the operation, supervision and maintenance of the school and shall be responsible for the administration of the school, including curriculum, grading and staffing.

5. The board of education of the Syracuse city school district shall be authorized to enter into contracts as necessary or convenient to operate such school.

6. Students attending such school shall continue to be enrolled in their school district of residence. The Syracuse city school district shall be responsible for the issuance of a high school diploma to students who attended the school based on such students' successful completion of the school's educational program.

7. For purposes of all state aid calculations made pursuant to the education law, students attending such school shall continue to be treated and counted as students of their school district of residence.

8. The resident public school district shall be obligated to provide transportation, without regard to any mileage limitations, provided however, that no mileage limitations shall be applied to the transportation costs associated with the transportation of students to and from the STEAM high school.

9. It shall be the duty of the student's district of residence to make payments as calculated in this act directly to the school for each student enrolled in the school. Notwithstanding any other provision of law to the contrary, the board of education of the Syracuse city school district shall annually adopt a methodology for the calculation of per pupil tuition costs. Such methodology shall be subject to annual review and approval by the commissioner of education. No costs shall be apportioned to school districts that elect not to participate in such school.

10. The trustees or the board of education of a school district may enter into a memorandum of understanding with the board of education of the Syracuse city school district to participate in such school program for a period not to exceed five years upon such terms as such trustees or board of education and the board of education of the Syracuse city school district may mutually agree.

11. Any student eligible for enrollment in grades nine through twelve of a public school entering into a memorandum of understanding with the board of education of the Syracuse city school district to enroll students in the STEAM high school shall be eligible for admission to the STEAM high school. To the extent that the number of qualified applicants may exceed the number of available spaces, the school shall grant admission on a random selection basis, provided that an enrollment preference shall be provided to pupils returning to the school in the second or any subsequent year. The school shall determine the tentative enrollment roster, notify the parents, or those in parental relations to those

1 students, and the resident school district by April first of the school  
2 year preceding the school year for which the admission is granted.

3 12. Notwithstanding any other provision of law to the contrary, the  
4 Syracuse city school district is authorized to transfer ownership of the  
5 Syracuse city school district regional STEAM high school facility to the  
6 county of Onondaga and the county of Onondaga is authorized to assume  
7 such ownership and to enter into a lease for such facilities with the  
8 Syracuse city school district. The county of Onondaga may contract for  
9 indebtedness to renovate such facility and any related financing shall  
10 be deemed a county purpose.

11 § 3. Paragraph a of subdivision 6 of section 3602 of the education law  
12 is amended by adding a new subparagraph 8 to read as follows:

13 (8) Notwithstanding any other provision of law to the contrary, for  
14 the purpose of computation of building aid for the renovation and equip-  
15 ping of a regional STEAM high school authorized for operation by the  
16 Syracuse city school district the building aid units assigned to this  
17 project shall reflect a building aid enrollment of one thousand students  
18 and multi-year cost allowances for the project shall be established and  
19 utilized two times in the first five-year period. Subsequent multi-year  
20 cost allowances shall be established no sooner than ten years after  
21 establishment of the first maximum cost allowance authorized pursuant to  
22 this subparagraph.

23 § 4. This act shall take effect immediately.
