§ 3506. Limitations on cancellation of coverage. (a) Any vehicle owner's policy of insurance which is subject to section three thousand four hundred twenty-five of this chapter shall not be cancelled, voided, terminated, rescinded or non-renewed solely on the basis that the shared vehicle has been made available for peer-to-peer car sharing pursuant to a peer-to-peer car sharing program that is in compliance with the provisions of this article, provided however, that:

- (1) the provisions of this subsection shall not pertain to non-renewals in accordance with the provisions of subsection (f) of section three thousand four hundred twenty-five of this chapter;

- (3) an insurer may cancel or non-renew a policy that insures a shared vehicle used in peer-to-peer car sharing, if that shared vehicle is enrolled in such a usage-based insurance program; and
- (4) an insurer shall immediately offer the insured a new policy with the same coverages and pre-existing rates, but without enrollment in such usage-based insurance program.
- (b) An insurer may limit the number of vehicles which shall be made available for sharing through any combination of peer-to-peer car sharing programs that it shall insure on a single policy.
- § 3507. Contribution against indemnification. A motor vehicle insurer that shall defend or indemnify a claim against a shared vehicle which shall be excluded under the terms of its policy shall have the right to seek contribution against the motor vehicle insurer of the peer-to-peer car sharing program if the claim is both:
- (a) made against the shared vehicle owner or the shared vehicle driver for loss or injury which shall occur during the car sharing period; and (b) excluded under the terms of its policy.

(a) An insurer who is authorized or eligible to do business in the state may issue, or issue for delivery in this state, a group policy of liability and property and casualty insurance to a peer-to-peer car sharing program to insure such peer-to-peer car sharing program, shared vehicles under the terms and conditions of peer-to-peer car sharing program agreements, shared vehicle drivers and occupants of shared vehicles, as well as the program's agents, employees, directors, officers and assigns, as long as the following requirements are met:

- (b) An insurer which issues an insurance policy described in subsection (a) of this section shall issue such policy identifying the peer-to-peer car sharing program as the named insured, and any such policy shall include a provision that provides coverage, without prior notice to the insurer, for all shared vehicles during the peer-to-peer car sharing period. Such policy shall further include a provision that the shared vehicle drivers, authorized operators and occupants are included as insureds under the policy to the same extent that they would be insured under a private passenger motor vehicle policy issued pursuant to section three thousand four hundred twenty-five of this chapter and section three hundred eleven of the vehicle and traffic law.
- 22 (c) A group policy as provided for in subsections (a) and (b) of this 23 section shall only be issued in accordance with the provisions of this 24 article.
 - (d) An insurer who is authorized or eligible to do business in the state may issue a group policy of physical damage insurance to a peer-to-peer car sharing program and to shared vehicle owners participating in the program, to insure against loss due to physical damage to shared vehicles while the shared vehicles are in the custody of such peer-to-peer car sharing program or a shared vehicle driver. Such group policy shall provide primary coverage for physical damage loss either by collision coverage, comprehensive coverage, or both, to the shared vehicle while it shall be in the custody of the peer-to-peer car sharing program or shared vehicle driver.
 - (e) If the group coverage provided for in subsection (d) of this section shall be placed with an eligible excess line insurer, compliance with the excess line statutes and regulations of this state shall be performed with respect to the group as a whole and not with respect to individual group members.
 - (f) An insurer who issues a group insurance policy described in subsection (d) of this section shall issue such policy identifying the peer-to-peer car sharing program as the named insured, and any such policy shall include a provision that provides primary coverage, without prior notice to the insurer, for all shared vehicles during the peer-to-peer car sharing period. Such policy shall also include a provision that claims shall be adjusted pursuant to section three thousand four hundred twelve of this chapter, and it shall further include physical damage coverage for damage or loss to the shared vehicle that shall have been incurred during the peer-to-peer car sharing period at a level no less than that of the amount of third party physical damage coverage.
- 51 (g) A group policy, as provided for in subsections (d), (e), and (f)
 52 of this section, shall only be issued in accordance with the provisions
 53 of this section.
- 54 (h) A group policy, as provided for in this section, shall not be 55 dependent on a personal motor vehicle liability insurer first denying a 56 claim, nor shall a personal motor vehicle insurance policy be required

- § 220-e. Discrimination based on age prohibited. 1. It shall be unlawful for any person, firm, partnership, association or corporation engaged in the business of peer-to-peer car sharing to refuse to make a shared vehicle available to any person eighteen years of age or older solely on the basis of age, provided that insurance coverage for persons of such age is available. Any actual cost for insurance related to the age of the shared driver may be passed on to such person.
- 32 <u>2. A knowing violation of this section shall be punishable by a fine</u>

(a) Upon identification of damage by the shared vehicle owner or 1 peer-to-peer car sharing program at the time of return of the shared 2 3 vehicle, termination of the peer-to-peer car sharing agreement, or with-4 in ten days if an inspection for damage is precluded because the shared 5 vehicle is returned by automation, returned after-hours, or recovered by 6 the shared vehicle owner or peer-to-peer car sharing program, the peer-7 to-peer car sharing program shall furnish an incident report form and a 8 notice, pursuant to this paragraph, of the obligation of the shared 9 vehicle driver to execute and return to the peer-to-peer car sharing 10 program a complete and accurate incident report describing any physical 11 and/or mechanical damage. If the shared vehicle is returned by automation, returned after-hours, or recovered by the shared vehicle owner 12 13 or peer-to-peer car sharing program, such incident report form and 14 notice shall be mailed by overnight delivery service or certified mail, return receipt requested, and another copy of such notification shall be 15 16 sent by regular mail. The peer-to-peer car sharing program shall retain 17 a copy of such notice and the certified mail return receipt for a period 18 of six years.

(b) Within seventy-two hours of receipt of the incident report form and notice, either the shared vehicle driver or his or her insurer must notify or send notice to the peer-to-peer car sharing program that either he, she, or the insurer wishes to inspect the damaged vehicle. If the shared vehicle driver or his or her insurer does not notify or send a request for this inspection within the seventy-two-hour period, he, she, or the insurer shall be deemed to have waived such right.

(c) If the shared vehicle driver shall decline or fail to complete and return the incident report required pursuant to paragraph (a) of this subdivision, the peer-to-peer car sharing program shall, no sooner than ten days after the mailing of notification pursuant to such paragraph (a), mail another copy of the incident report together with a letter stating that the shared vehicle driver has declined or otherwise failed to complete and return the incident report. Such mailing shall be by overnight delivery service or certified mail, return receipt requested, and another copy of such notification by regular mail, with proof of mailing by production of a certificate of mailing from the post office. When a request to inspect the vehicle shall have been timely made by the shared vehicle driver or his or her insurer, the inspection shall be completed within seven days of such request. If the peer-to-peer car sharing program determines the damaged vehicle to be a total loss and subject to salvage, such seventy-two hour period for notification or waiver of the wish to inspect the damaged vehicle shall not apply, and the shared vehicle driver or his or her insurer shall have ten business days from the shared vehicle driver's receipt of notification from the peer-to-peer car sharing program pursuant to paragraph (a) of this subdivision to inspect the damaged vehicle, unless the peer-to-peer car sharing program agrees to provide access to such damaged vehicle beyond the ten business days provided herein. Within the limits provided in this paragraph, the peer-to-peer car sharing program shall identify the repairer of, and provide access to, the damaged vehicle, in order to verify the nature and extent of damages, repairs and repair costs, and/or repair estimates.

52 (d) All notices shall be mailed to the address of the shared vehicle 53 driver as stated on his or her license, or other address as designated 54 by him or her in the peer-to-peer car sharing agreement.

49 50 (e) The shared vehicle driver shall complete and return the incident report required by paragraph (a) of this subdivision within ten days of the receipt of the notice required by such paragraph.

4 (f) The notice required by this subdivision shall be in at least 5 twelve-point bold face type and shall contain the statement: "Failure to 6 completely and accurately fill out and return an incident report within 7 ten days of receipt of this notice may make the shared vehicle driver 8 liable for damages sustained to the shared vehicle. Except where the 9 damaged vehicle is determined to be a total loss and subject to salvage, 10 the shared vehicle driver or his or her insurer has seventy-two hours from the return or recovery of the vehicle to notify the peer-to-peer 11 car sharing program that he or she wishes to inspect the damaged vehi-12 13 cle. The inspection must be completed within seven business days of the 14 request to inspect the shared vehicle. If the peer-to-peer car sharing program does not receive notification from the shared vehicle driver or 15 16 his or her insurer requesting such inspection within the seventy-twohour period, the shared vehicle driver and his or her insurer will be 17 deemed to have waived this right. Upon request of the shared vehicle driver or his or 24 her insurer, we will provide a copy of the professional estimate of the 25 26 costs of repairing the damaged motor vehicle." Information that is 27 provided in response to a request by a peer-to-peer car sharing program, but that is not provided on an incident report form, shall satisfy any 28 29 reporting obligation of a shared vehicle driver if such response 30 substantially complies with the applicable requirements of this section. 31 If additional information is reasonably required by the peer-to-peer car 32 sharing program in order to adjust any claim of loss, same shall be requested of the shared vehicle driver as soon as reasonably practica-33 34 ble, who shall respond to same as soon as reasonably practicable.

 - (B) any similar appropriate form furnished by the peer-to-peer car sharing program.
- 41 (ii) An incident report form described in clause (B) of subparagraph 42 (i) of this paragraph:
 - (A) shall be sent or given to a shared vehicle driver with a request that he or she provide information pursuant to this section concerning damage to a vehicle possessed by a shared vehicle driver; and
 - (B) such form may also be made available as a fill-in form on the peer-to-peer car sharing program's website, and the shared vehicle driver shall be advised of the availability of such web-based fill-in form when a request for incident information is made pursuant to this subdivision.
- 51 (h) If the shared vehicle driver is physically incapable of completing
 52 the report, the requirements of this subdivision shall lapse until after
 53 he or she is able to complete the report and is notified that he or she
 54 shall complete and return the report as required by paragraph (b) of

(i) The peer-to-peer car sharing program shall, at least twenty days prior to commencing an action against the shared vehicle driver, provide him or her an additional opportunity to complete and submit the incident report by providing a second notice, along with another incident report form, by certified mail, return receipt requested, and another copy of such notice and report form by regular mail, with proof of mailing by production of a certificate of mailing. If such shared vehicle driver sends the peer-to-peer car sharing program a completed incident report within fifteen days of the receipt of the notice, the provisions of this subdivision shall be deemed satisfied.

- 5. (a) A peer-to-peer car sharing program may hold a shared vehicle driver liable to the extent permitted under this chapter for physical or mechanical damage to the shared vehicle that occurs during the time the shared vehicle is under the peer-to-peer car sharing agreement; provided, however, that a shared vehicle driver shall not be liable for any normal wear and tear or mechanical damage that could reasonably be expected from normal use of the vehicle. For the purposes of this subdivision, the term "normal wear and tear" shall mean the deterioration of the condition of the vehicle or its component parts due to repetitive use and does not include damage that materially diminishes the value of the vehicle and arises from a specific occurrence or accident during the time the shared vehicle is subject to the peer-to-peer car sharing agreement; and the term "actual and reasonable costs" shall mean the cost to repair the shared vehicle including all discounts and price adjustments available to the peer-to-peer car sharing program and shall include costs for towing, storage, and impound fees where applicable.
- (b) The total liability of a shared vehicle driver under paragraph (a) of this subdivision for damage to a shared vehicle shall not exceed the 28 lesser of:
 - (i) the actual and reasonable costs that the peer-to-peer car sharing program incurred to repair the motor vehicle or that the peer-to-peer car sharing program would have incurred if the motor vehicle had been repaired, which shall reflect any discounts, price reductions, or adjustments available to the peer-to-peer car sharing program; or
 - (ii) the fair market value of the shared vehicle immediately before the damage occurred, as determined in the applicable market for the retail sale of the shared vehicle, less any net disposal proceeds.
 - (c) The total liability of a shared vehicle driver under paragraph (a) of this subdivision for loss of a shared vehicle shall not exceed reasonable costs incurred by the peer-to-peer car sharing program for such loss due to theft of such shared vehicle up to its fair market value, as determined by the applicable market for the retail sale of such vehicle if it is established that such shared vehicle driver failed to exercise reasonable care or that such shared vehicle driver committed, or aided or abetted in the commission of, the theft of such shared vehicle.
 - (d) Damages incurred for the loss of use of a shared vehicle and related administrative fees shall not be recovered from any shared vehicle driver or his or her insurer.
- (e) A peer-to-peer car sharing program shall not hold a shared vehicle 51 driver liable for any amounts that the peer-to-peer car sharing program 52 recovers from any other party.
- 53 (f) A peer-to-peer car sharing program shall not collect or attempt to 54 collect the amount described in paragraph (b) of this subdivision unless 55 the peer-to-peer car sharing program:

 (i) obtains an estimate from a repair company or an appraiser in the business of providing such appraisals regarding the cost of repairing such shared vehicle;

- (ii) provides a copy of such estimate and photographic evidence upon request to such shared vehicle driver, as applicable who shall be liable under paragraph (a) of this subdivision, and the insurer of such shared vehicle driver; and
- (iii) submits a copy of such estimate with any claim to collect the amount described in paragraph (b) of this subdivision.
- (g) A claim against a shared vehicle driver resulting from damage or loss to a shared vehicle shall be reasonable and reflect the value of the actual loss incurred. A peer-to-peer car sharing program shall mitigate damages where possible and shall not assert or collect any claim for physical damage which exceeds the amount authorized under paragraph (b) of this subdivision.
- (h) If insurance coverage exists under an applicable insurance policy of the driver of a shared vehicle, such driver may require that the peer-to-peer car sharing program submit any claims to such driver's insurance carrier. Upon the request of a shared vehicle driver, the peer-to-peer car sharing program shall submit any claims to such driver's insurance carrier and shall not make any written or oral representations to the contrary, nor shall it make any written or oral representations that it shall not negotiate with such driver's insurance carrier.
- 6. (a) No peer-to-peer car sharing program shall collect or charge any security, deposit, or payment for damage in any form, by credit card, debit card or otherwise, or report the debt to any consumer reporting agency, as defined in subdivision (e) of section three hundred eighty-a of this chapter, during the term of the peer-to-peer car sharing agreement, pending resolution of any dispute, or prior to obtaining judgment in a court of competent jurisdiction.
- (b) No peer-to-peer car sharing program shall require a deposit or an advance charge against the credit card or debit card of a shared vehicle driver, in any form, for damages to a shared vehicle which is in the shared vehicle driver's possession or control.
- (c) No peer-to-peer car sharing program shall collect or charge any payment from a shared vehicle driver for damage to a shared vehicle upon return or recovery of such vehicle in a damaged condition, until after the cost of the damage to such vehicle and liability therefor is agreed to between such peer-to-peer car sharing program and a shared vehicle driver or his or her insurer, or is determined pursuant to law or sharing agreement provisions consistent with law and the rights and obligations set forth in this section; provided, however, that a peer-to-peer car sharing program is not precluded from presenting a claim to a shared vehicle driver and his or her insurer pursuant to other provisions of this section.
- (d) Causes of action concerning the existence of, liability for, and extent and cost of damage to such vehicle shall, where appropriate, be commenced by a peer-to-peer car sharing program in a court of competent jurisdiction, in accordance with the limitations and jurisdiction of the appropriate court act, provided the claimant has first mailed a demand letter.
