Introduced by Sens. KENNEDY, KAMINSKY, SKOUFIS -- read twice and ordered printed, and when printed to be committed to the Committee on Transportation -- recommitted to the Committee on Transportation in accordance with Senate Rule 6, sec. 8 -- reported favorably from said committee, ordered to first and second report, amended on second report, ordered to a third reading, and to be reprinted as amended, retaining its place in the order of third reading

AN ACT to amend the vehicle and traffic law and the transportation law, in relation to work zone safety; and to amend the state finance law, in relation to establishing the work zone safety fund

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. The vehicle and traffic law is amended by adding a new section 1221-a to read as follows:

§ 1221-a. Endangerment of a highway worker. 1. A driver of a motor vehicle commits endangerment of a highway worker if the driver is operating a motor vehicle within a work area as defined in section one hundred sixty-one of this chapter at any time one or more highway workers are in the work area and does any of the following:

(a) enters a work area in any lane not clearly designated for use by motor vehicles; or

(b) fails to obey traffic control devices controlling the flow of motor vehicles through the work area for any reason other than:

(i) an emergency;

(ii) the avoidance of an obstacle; or

(iii) the protection of the health and safety of another person.

2. (a) A driver of a motor vehicle who violates this section shall be guilty of a traffic infraction punishable by a fine of not more than one thousand dollars and not less than five hundred dollars or by imprisonment for not more than fifteen days or by both such fine and imprisonment.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets [-] is old law to be omitted.

(b) A driver of a motor vehicle who causes physical injury as defined in article ten of the penal law to a highway worker in the work area while violating paragraph one of this section shall be guilty of a traffic infraction punishable by a fine of not more than two thousand dollars and not less than one thousand dollars or by imprisonment for not more than forty-five days or by both such fine and imprisonment.

(c) A driver of a motor vehicle who causes serious physical injury as defined in article ten of the penal law to a highway worker in the work area while violating paragraph one of this section shall be guilty of a traffic infraction punishable by a fine of not more than five thousand dollars and not less than two thousand dollars or by imprisonment for not more than ninety days or by both such fine and imprisonment.

3. In any case wherein the charge laid before the court alleges a violation of this section, any plea of guilty thereafter entered in satisfaction of such charge must include the fine imposed pursuant to this section and no other plea of guilty to any other charge in satisfaction of such charge shall be authorized; provided, however, if the prosecuting attorney, upon reviewing the available evidence, determines that the charge of a violation of this section is not warranted, such prosecuting attorney may consent, and the court may allow a disposition by plea of guilty to another charge in satisfaction of such charge; provided, however, in all such cases, the court shall set forth upon the record the basis for such disposition. Such fine shall not be waived or reduced below the minimum as provided in subdivision two of this section. Sixty percent of fines collected pursuant to this section shall be paid to the work zone safety fund established by section ninety-nine-hh of the state finance law.

4. No person shall be guilty of endangerment of a highway worker for any act or omission otherwise constituting a violation under this section if the act or omission results, in whole or in part, from mechanical failure of the person's motor vehicle or from the negligence of a highway worker or another person.

5. Nothing contained in this section shall prohibit the imposition of a charge of any other offense set forth in this or any other provision of law for any acts arising out of the same incident.

§ 2. The vehicle and traffic law is amended by adding a new section 1221-b to read as follows:

§ 1221-b. Work area safety and outreach. The governor's traffic safety committee, upon consultation with the commissioner of transportation, the superintendent of state police, the commissioner, the chairman of the New York state thruway authority, local law enforcement agencies, and representatives for contractors, laborers, and public employees, shall design and implement a public education and outreach program to increase motorist awareness of the importance of highway work area safety, to reduce the number of work area incidents, including speeding, unauthorized intrusions into work areas, and any conduct resulting in hazards or injuries to highway workers, and to increase and promote work area safety.

§ 3. Section 161 of the vehicle and traffic law, as added by chapter 92 of the laws of 1984 and as renumbered by chapter 303 of the laws of 2014, is amended to read as follows:

§ 161. Work area ~~or work zone~~. [~~That part of a highway being used or occupied for the conduct of highway work, within which workers, vehicles, equipment, materials, supplies, excavations, or other obstructions are present.~~] The area of a highway, bridge, shoulder, median, or associated right-of-way, where construction, maintenance, utility work,

1 accident response, or other incident response is being performed. The
2 work area must be marked by signs, traffic control devices, traffic-con-
3 trol signals, barriers, pavement markings, authorized emergency vehi-
4 cles, or hazard vehicles, and extends from the first traffic control
5 device erected for purposes of controlling the flow of motor vehicles
6 through the work area, including signs reducing the normal speed limit
7 but excluding signs notifying motorists of an impending speed limit
8 reduction, to the "END ROAD WORK" sign or the last temporary traffic
9 control device. The signs, traffic control devices, traffic control
10 signals, barriers, pavement markings, or authorized emergency vehicles,
11 or hazard vehicles must meet department of transportation standards and
12 the provisions of this chapter, and must be installed properly so that
13 they are clearly visible to motorists in accordance with the manual on
14 uniform traffic control devices.

15 § 4. The vehicle and traffic law is amended by adding a new section
16 118-a to read as follows:

17 § 118-a. Highway worker. Any person employed by or on behalf of the
18 state, a county, city, town or village, a public authority, a local
19 authority, or a public utility company, or the agent or contractor of
20 any such entity, who has been assigned to perform work on a highway,
21 including maintenance, repair, flagging, utility work, inspection,
22 construction, reconstruction or operation of equipment on public highway
23 infrastructure and associated rights-of-way in highway work areas, and
24 shall also include any flagperson as defined in section one hundred
25 fifteen-b of this article.

26 § 5. Section 22 of the transportation law, as added by chapter 223 of
27 the laws of 2005, is amended to read as follows:

28 § 22. Work zone safety and enforcement. The department shall, in coop-
29 eration with the superintendent of state police, the commissioner of
30 motor vehicles, the chairman of the New York state thruway authority,
31 local law enforcement agencies and representatives for contractors [and]
32 , laborers and public employees, develop and implement rules and regu-
33 lations for the increased safety of work zones. Such rules and regu-
34 lations shall include, but shall not be limited to, a police presence at
35 all major active work zones as defined by rules and regulations set
36 forth by the commissioner, the use of radar speed display signs at all
37 major active work zones as defined by rules and regulations set forth by
38 the commissioner, and a system for reviewing work zone safety and design
39 for all work zones under the jurisdiction of the department.

40 § 6. The state finance law is amended by adding a new section 99-hh to
41 read as follows:

42 § 99-hh. Work zone safety fund. 1. There is hereby established in the
43 custody of the state comptroller a special fund to be known as the "work
44 zone safety fund."

45 2. The fund shall consist of all monies appropriated for its purpose,
46 all monies required by this section or any other provision of law to be
47 paid into or credited to such fund, collected by the mandatory fines
48 imposed pursuant to section twelve hundred twenty-one-a of the vehicle
49 and traffic law, and all other monies appropriated, credited, or trans-
50 ferred thereto from any other fund or source pursuant to law. Any inter-
51 est received by the comptroller on monies on deposit in the work zone
52 safety fund shall be retained in and become a part of such fund.

53 3. Monies of the fund shall, following appropriation by the legisla-
54 ture, be disbursed to provide work zone safety enforcement, work zone
55 markings, radar speed display signs, and police monitoring of work zones
56 pursuant to section twenty-two of the transportation law. Monies of the

1 fund shall be expended only for the purposes listed in this paragraph,
2 and shall not be used to supplant any other funds which would otherwise
3 have been expended for work zone safety and enforcement, including with-
4 out limitation work zone safety enforcement, work zone markings, radar
5 speed display signs, and police monitoring of work zones.

6 4. Monies shall be payable from the fund on the audit and warrant of
7 the comptroller.

8 5. On or before the first day of February each year, the comptroller
9 shall certify to the governor, temporary president of the senate, speak-
10 er of the assembly, and chairs of the assembly and senate transportation
11 committees, the amount of money deposited in the work zone safety fund
12 during the preceding calendar year as the result of revenue derived
13 pursuant to section one thousand two hundred twenty-one-a of the vehicle
14 and traffic law.

15 6. On or before the first day of February each year, the director of
16 the division of budget, in consultation with the relevant agencies and
17 authorities, shall provide a written report to the temporary president
18 of the senate, speaker of the assembly, chair of the senate and assembly
19 transportation committees, the state comptroller and the public. Such
20 report shall include how the monies of the fund were utilized during the
21 preceding calendar year, and shall include:

22 (i) the amount of money disbursed from the fund and the award process
23 used for such disbursements;

24 (ii) recipients of disbursements from the fund;

25 (iii) the amount awarded to each;

26 (iv) the purposes for which such disbursements were made; and

27 (v) a summary financial plan for such monies which shall include esti-
28 mates of all receipts and all disbursements for the current and succeed-
29 ing fiscal years, along with the actual results of the prior fiscal
30 year.

31 § 7. This act shall take effect on the ninetieth day after it shall
32 have become a law.
