# STATE OF NEW YORK

6182--A

2019-2020 Regular Sessions

## IN SENATE

May 21, 2019

Introduced by Sens. METZGER, MAY -- (at request of the Department of Agriculture and Markets) -- read twice and ordered printed, and when printed to be committed to the Committee on Agriculture -- committee discharged, bill amended, ordered reprinted as amended and recommitted to said committee

AN ACT to amend the agriculture and markets law and the real property tax law, in relation to bee health and the beekeeping industry; and to repeal certain provisions of the agriculture and markets law relating thereto

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Section 169-d of the agriculture and markets law is 2 REPEALED.

S 2. Article 15 of the agriculture and markets law, as added by chap-4 ter 166 of the laws of 1925, sections 173, 174, 175 and 175-b as amended 5 by chapter 430 of the laws of 1985, subdivision 9 of section 174 as 6 added by chapter 276 of the laws of 2000, section 175-c as amended by 7 chapter 310 of the laws of 1962 and section 175-d as added by chapter 8 398 of the laws of 1938, is amended to read as follows: 9 ARTICLE XV

#### 10

#### BEE DISEASES

11	Section	173.	<u>Apiary industry advisory committee.</u>
12		<u>173-a.</u>	Definitions.
13		<u>173-b.</u>	Eradication of bee diseases and certain insects affecting
14			bees.
15		<u>173-c.</u>	Cooperative honeybee health improvement program.
10			
16		174.	Keeping of diseased and banned bees prohibited; existence
16		174.	Keeping of diseased and banned bees prohibited; existence of disease to be reported.

EXPLANATION--Matter in <u>italics</u> (underscored) is new; matter in brackets [-] is old law to be omitted.

1	<del>175-b.</del> ] Rules and regulations.
2	[ <del>175-c</del> ] <u>175-a</u> . Review by court.
3	[ <del>175-d</del> ] <b>175-b</b> . Violations remedies.
4	§ 173. Apiary industry advisory committee. 1. There is hereby estab-
5	lished within the department an apiary industry advisory committee which
6	shall consist of no more than fifteen members to be appointed by the
7	commissioner based on their experience and expertise in the apiary
8	industry. Of the members so appointed, at least two members shall repre-
9	sent each of the three sectors of the apiary industry, commercial beek-
10	eepers, part-time beekeepers and hobbyist beekeepers; at least one
11	member shall represent the horticulture or vegetable industry and one
12	member shall be an officer or employee of the Cornell cooperative exten-
13	sion service. Members shall be appointed for a term of three years and
14	may serve until their successors are chosen provided, however, that of
15	the members first appointed, five shall serve for a term of one year,
16	five shall serve for a term of two years, and five shall serve for a
17	term of three years. Members shall serve without salary. The commission-
18	er or his or her designee shall be the chairperson of the committee.
19	2. The duties and responsibilities of the apiary industry advisory
20	committee shall include providing advice, comments and recommendations
21	to the commissioner regarding state government plans, policies and
22	programs affecting the apiary industry and such other matters as the
23	commissioner may request in relation to this article.
24	3. The advisory committee shall meet at least once annually, at times
25	and places set by the commissioner.
26	4. The commissioner may ask other individuals to attend the commit-
27	tee's meetings or work with it as needed.
28	§ 173-a. Definitions. When used in this article:
29	1. "Apiary" shall mean any location used for raising honeybees or

bee products, used beekeeping appliances, or anything else which 1 comb, 2 is capable of transmitting contagious or infectious diseases of bees or 3 which is capable of harboring insects or parasitic organisms adversely affecting bees, or species or subspecies of bees which have been deter-4 5 mined by him or her to cause injury, directly or indirectly, to this б state's [useful] managed bee population, crops, or other plants. <u>§ 173-c. Cooperative honeybee health improvement program. 1. In</u> 7 8 support of the duties outlined in this article, as well as the goals and 9 objectives set forth in the New York State Pollinator Protection Plan 10 (June, 2016) and any subsequent versions of the plan; the commissioner 11 shall create a cooperative honeybee health improvement program which 12 will require: (a) All beekeepers shall provide to the commissioner the number of 13 14 managed colonies and the county in which each of these colonies is 15 located; and current contact information of the individual or individuals responsible for the care of these bees. All beekeepers shall also 16 17 indicate whether they intend to sell nucleus colonies ("NUCS"). This information shall be updated and provided to the commissioner on an 18 19 annual basis. 20 (b) The department shall use this information to communicate the inci-21 dence of infectious diseases and parasites at the county level to beekeepers and bee clubs. The department shall also use this information to 22 establish the boundaries of disease and parasite infestations in the 23 24 area surrounding a confirmed disease or parasite infestation. (c) Any individual or business that intends to sell nucleus colonies 25 26 ("NUCS") produced within and offered for sale to other persons in New 27 York must first have an inspection of the operation by the department which inspections shall continue on an annual basis, so long as "NUCS" 28 29 are offered for sale. These inspections shall ascertain whether the 30 operation is free from American Foulbrood and whether levels of other 31 infectious diseases and parasites in the operation render the "NUCS" 32 unfit for sale. Operations found to be infested with American Foulbrood 33 shall be prohibited from selling "NUCS" for a period of one year, or until the operation is inspected and found to be free from American 34 35 Foulbrood. 36 (d) No person shall transport, move, buy, sell, possess, barter, offer 37 for sale or barter, deliver, or offer for transportation any species or 38 subspecies of bees which have been determined by the commissioner to 39 cause injury, directly or indirectly, to the public safety or to this state's managed bee population, crops, or other plants; provided, howev-40 er, that the commissioner may, at his or her discretion, exempt the 41 42 transportation, sale, possession, movement, or delivery of such bees 43 used for scientific or educational purposes under such safeguards as he 44 or she may deem necessary. 45 (e) Every shipment of live bees in cages or packages without comb into 46 this state from another state or foreign country, shall be accompanied 47 by a permit issued by the commissioner, or by a certificate of freedom from disease executed by an official of such state or foreign country 48 49 recognized by the commissioner. (f) Every shipment of a colony of bees, used comb, used beekeeping 50 51 equipment, or live bees on comb into this state from another state or 52 foreign country, shall be accompanied by a permit issued by the commis-53 sioner or by a certificate of freedom from diseases and parasitic organ-54 isms adversely affecting bees and from species or subspecies of bees which have been determined by the commissioner to cause injury directly 55 56 or indirectly, to the public safety or to the state's managed bee popuS. 6182--A

lation, crops, or other plants; and certifying that a proper inspection 1 was made not earlier than sixty days preceding the date of shipment. 2 3 Such certificate shall be executed by the certifying official of such 4 state or foreign country. A duplicate of such certificate must be 5 received by the department before any such shipment enters the state. б Every transportation company upon receipt of such shipment shall imme-7 diately notify the commissioner thereof, giving the name and address of 8 the consignor or consignee. 9 2. The goals of the cooperative honeybee health improvement program 10 shall be to: 11 (a) document the health of the state's managed pollinator population, including the presence of parasites, diseases, and environmental threats 12 13 to the state's population of managed pollinators; 14 (b) provide information on honeybee health to beekeepers, stakeholders and academia to inform research and best management practices related to 15 16 pollinator health; 17 (c) document the annual population of managed pollinators in each county within New York state; and 18 19 (d) collect contact information for each beekeeper to allow for better 20 communication among the department and beekeepers relating to the inci-21 dence of parasites, disease and other health threats that could be transmitted within the flight range of managed pollinators. 22 3. There shall be no fee or other registration cost for enrollment in 23 24 the cooperative honeybee health improvement program. 25 4. The information provided to the commissioner as required by para-26 graph (a) of subdivision one of this section shall be considered confi-27 dential and not subject to public disclosure, except such information shall not be considered confidential as deemed necessary by the commis-28 29 sioner to implement the purposes of this article. If the commissioner 30 deems it necessary to release such information, he or she shall provide 31 written notice to the beekeeper at least twenty-one days before releasing such information. 32 33 § 174. Keeping of diseased and banned bees prohibited; existence of 34 disease to be reported. 35 1. No person shall keep in his or her possession or under his or her care any colony of bees affected with a contagious or infectious disease 36 or infested by [insects] disease or parasitic organisms adversely 37 affecting bees, or by species or subspecies of bees which have been 38 determined by the commissioner to cause injury, directly or indirectly, 39 to the public safety or to this state's [useful] managed bee population, 40 41 crops, or other plants. Any person who [knows that any bees owned or controlled by him are affected with, or have been exposed to, any conta-42 gious or infectious disease, insects or parasitic organisms adversely 43 44 affecting bees, or by species or subspecies of bees which have been 45 determined by the commissioner to cause injury, directly or indirectly, 46 to this state's useful bee population, crops, or other plants, ]: (a) knows that any bees owned or controlled by him or her exceed disease or 47 48 parasite tolerances that are established in regulation by the commis-49 sioner; or (b) knows that any bees owned or controlled by him or her are 50 a species or subspecies of bees that have been determined by the commis-51 sioner to cause injury, directly or indirectly, to the public safety or 52 to this state's managed bee population, crops, or other plants, shall at 53 once report such fact to the commissioner, stating all facts known to 54 him or her with reference to said contagion, infection, or exposure. 55 2. No person shall hide or conceal any bees or used beekeeping equip-56 ment from [the inspector] department employees or officials or give

1

2 3

4

duties. 5 3. Whenever the commissioner or his or her duly authorized represenб tatives shall determine that any colony of bees, bee material, struc-7 tures or appliances is infected with, or has been exposed to, contagious 8 or infectious diseases of bees, or is infested with or has been exposed 9 to insects or parasitic organisms adversely affecting bees, or to species or subspecies of bees which have been determined by the commis-10 11 sioner to cause injury, directly or indirectly, to this state's [useful] managed bee population, crops, or other plants, said colonies of bees 12 13 and material, structures or appliances shall be immediately placed under 14 quarantine and a written notice thereof shall be served on the owner or 15 No person shall move, tamper with, handle, or otherwise caretaker. 16 disturb or molest or cause to be moved, tampered with, handled, or 17 otherwise disturbed or molested any colonies, materials, or appliances 18 so quarantined without a written permit from the commissioner or his or 19 her duly authorized representatives.

20 4. All species and subspecies of bees which have been determined by 21 the commissioner to cause injury, directly or indirectly, to the public safety or to this state's [useful] managed bee population, crops, or 22 other plants and all bees, beehives, bee fixtures or appurtenances 23 infected with, or exposed to, contagious or infectious diseases of bees, 24 25 or infested with, or exposed to, insects or parasitic organisms adverse-26 ly affecting bees, or with or to species or subspecies of bees which 27 have been determined by him to cause injury, directly or indirectly, to this state's [useful] managed bee population, crops, or other plants, 28 are hereby declared to be nuisances to be abated as hereinafter 29 30 described.

31 5. If any inspection made by the commissioner or his or her duly 32 authorized representative discloses that any apiary, appliances, struc-33 tures, colonies or comb constitute a nuisance within the meaning of this 34 section, the commissioner or his or her duly authorized representatives 35 may with the co-operation and consent of the owner or person in charge 36 immediately proceed to abate the nuisance by destroying or treating such 37 colonies and equipment, or he or she may order the owner or person in 38 charge to destroy or treat such colonies or equipment as may be deemed 39 advisable. In case the owner or person in charge will not consent to the abatement of the nuisance by immediate destruction or treatment, the 40 41 commissioner or his or her duly authorized representative shall notify 42 [in writing] the owner, occupant or person in charge of the premises in 43 writing that such nuisance exists and order that the same be abated 44 within five days after a date which shall be specified in said order. 45 Such order shall contain directions setting forth the method or methods 46 which shall be taken to abate the nuisance and shall be served upon the 47 owner, occupant or person in charge of the premises either personally or 48 by registered or certified mail.

49 6. If the order directs the destruction of any bees, hives, fixtures 50 or appurtenances and the owner thereof considers himself or herself to 51 aggrieved thereby, he or she may, within five days from the receipt be 52 of the order, present to the commissioner a request for a review. Writ-53 ten notice of such request must be served by mail upon the commissioner. 54 Upon receipt of such notice, the commissioner shall cause an investi-55 gation to be made. The request for a review shall act to stay all 56 proceedings until the matter has been investigated and a final determi1 nation rendered by the commissioner. During the time specified in the order and during any extended time permitted by reason of such review the quarantined colonies and equipment shall not be removed, molested or tampered with except by written permission of the commissioner or his <u>or</u> <u>her</u> duly authorized representative. No damage shall be awarded to the owner for the loss of any apiary, bees, hives, apiary appliance, or bee product destroyed under the provisions of this section or any regulation or order made in pursuance thereof.

9 7. Persons keeping bees shall keep them in hives of such construction 10 that the frames and combs may be easily removed without damaging them 11 for examination of the brood for the purpose of determining whether 12 disease exists in the brood.

8. No person shall expose in any place to which bees have access any here product, hive or other apiary appliance in such manner that contagious or infectious diseases of bees may be disseminated therefrom.

16 9. The commissioner may promulgate rules and regulations to establish 17 appropriate tolerance levels for [insects] diseases or parasitic organisms adversely affecting bees within hives, fixtures, structures or 18 appurtenances. Beehives conforming with such established tolerance 19 20 levels shall not be considered nuisances under this section. If upon 21 inspection a hive is found to exceed such tolerance levels, the commissioner may consider such apiary to be a nuisance and may order the 22 destruction or treatment of the apiary as set forth in subdivisions 23 four, five and six of this section. 24

25 § 175. [Transportation of bees and bee material. 1. No person shall 26 transport, move, sell, barter, offer for sale or barter, deliver, or 27 offer for transportation any colony of bees, used comb, used beekeeping material, or live bees unless it be within the beekeeper's own premises 28 without a permit from the commissioner, except that colonies of bees and 29 30 used beekeeping equipment which are not infected with or have not been 31 exposed to bee disease, and which are not infested with and have not 32 been exposed to insects or parasitic organisms adversely affecting bees, 33 or to species or subspecies of bees which have been determined by the 34 commissioner to cause injury, directly or indirectly, to this state's 35 useful bee population, crops, or other plants may be moved or trans-36 ported without a permit provided that the commissioner has been notified 37 in writing of such intention not less than ten days before the bees and 38 equipment are moved. 39

2. No person shall transport, move, buy, sell, possess, barter, offer for sale or barter, deliver, or offer for transportation any species or 40 subspecies of bees which have been determined by the commissioner to 41 42 cause injury, directly or indirectly, to this state's useful bee popu-43 lation, crops, or other plants, provided, that the commissioner may at his discretion exempt the transportation, sale, possession, movement, or 44 delivery of such bees for scientific or educational purposes under such 45 46 safeguards as he may deem necessary. 47 3. Every shipment of live bees in cages or packages without comb into 48 this state from another state or foreign country, shall be accompanied 49 by a permit issued by the commissioner, or by a certificate of freedom 50 from disease executed by an official of such state or foreign country

51 recognized by the commissioner.
52 4. Every shipment of a colony of bees, used comb, used beekeeping
53 equipment, or live bees on comb into this state from another state or
54 foreign country, shall be accompanied by a permit issued by the commis55 sioner or by a certificate of freedom from disease, from insects and
56 parasitic organisms adversely affecting bees and from species or subspe-

7

cies of bees which have been determined by the commissioner to cause 1 2 injury directly or indirectly, to this state's useful bee population, crops or other plants and certifying that a proper inspection was made 3 not earlier than sixty days preceding the date of shipment. Such certif-4 5 icate shall be executed by an official of such state or foreign country б recognized by the commissioner. A duplicate of such certificate shall be 7 mailed to the commissioner before any such shipment enters this state. 8 Every transportation company upon receipt of such shipment shall immediately notify the commissioner thereof, giving the name and address of 9 10 the consignor and consignee. 11 **§** 175-b.] Rules and regulations. The commissioner is hereby authorized, after public hearing, to adopt, promulgate and issue such rules 12 13 and regulations as he may deem necessary to carry out and give full 14 force and effect to the provisions of this article, including, but not limited to, the designation of species or subspecies of bees determined 15 16 by him or her to cause injury, directly or indirectly, to the public safety or to this state's [useful] managed bee population, crops, or 17 other plants. Such rules and regulations shall be filed and open for 18 19 public inspection at the principal office of the department and shall 20 have the force and effect of law. 21 [<del>§ 175-c.</del>] § 175-a. Review by court. The action of the commissioner 22 on a request for review as authorized by section one hundred [seventy**five herein**] seventy-four of this article may be reviewed in the manner 23 provided by article seventy-eight of the civil practice law and rules, 24 25 provided, however, that a stay shall not be granted by the court or a 26 justice thereof pending final determination of the matter except on 27 notice to the commissioner. The decision of the commissioner shall be final unless within thirty days from the receipt of written notice ther-28 29 eof a proceeding is instituted to review the same. 30 [<del>§ 175-d.</del>] <u>§ 175-b.</u> Violations; remedies. The commissioner may insti-31 tute such action at law or in equity as may be necessary to enforce compliance with any provision of this article or of any rule or regu-32 33 lation promulgated thereunder and in addition to any other remedy 34 prescribed in article three of this chapter or otherwise may apply for 35 relief by injunction if necessary to protect the public interest or 36 abate a nuisance as defined in this article without alleging or proving 37 that an adequate remedy at law does not exist. Such application may be 38 made to the supreme court in any district or county as provided by the civil practice act and the rules of practice of the court, or to the 39 supreme court in the third judicial district. 40 41 § 3. The subdivision heading and paragraph c of subdivision 9 of 42 section 301 of the agriculture and markets law, the subdivision heading 43 as amended by chapter 440 of the laws of 1993 and paragraph c as amended 44 by chapter 536 of the laws of 2008, are amended to read as follows: 45 "Gross sales [<del>value</del>]" means the proceeds from the sale of: 46 c. Honey, royal jelly, bee pollen, propolis and beeswax produced by 47 bees in hives located on [an otherwise qualified farm operation but which does not independently satisfy the gross sales requirement ] land 48 used in agricultural production in conjunction with the same or an 49 50 otherwise qualified farm operation; § 4. Paragraph (e) of subdivision 2 of section 483 of the real proper-51 52 ty tax law, as amended by chapter 35 of the laws of 2016, is amended to 53 read as follows: 54 (e) structures and buildings used in the production of honey, royal 55 jelly, bee pollen, propolis and beeswax including those structures and 56 buildings used for the storage of bees. For purposes of this section,

### S. 6182--A

1 this shall not include those structures or buildings and portions there-2 of used for the sale of maple syrup or sale of honey and beeswax. The 3 term "structures and buildings" shall not include silos, bulk milk tanks 4 or coolers, or manure storage, handling and treatment facilities as such 5 terms are used in section four hundred eighty-three-a of this title.

6 § 5. This act shall take effect on the one hundred eightieth day after 7 it shall have become a law. Effective immediately, the addition, amend-8 ment and/or repeal of any rule or regulation necessary for the implemen-9 tation of this act on its effective date are authorized to be made and 10 completed on or before such effective date.
