## IN SENATE

June 7, 2019

Introduced by Sen. GAUGHRAN -- read twice and ordered printed, and when printed to be committed to the Committee on Rules

AN ACT to amend the environmental conservation law, in relation to limiting the exceptions to certain effluent limitations in Nassau and Suffolk counties and requiring certain eligible projects for state aid involving water pollution control revolving fund agreements to take county-wide or regional wastewater planning into consideration when determining eligibility

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Subdivision 3 of section 17-0809 of the environmental  
2 conservation law, as added by chapter 360 of the laws of 1988, is  
3 amended to read as follows:

4 3. Notwithstanding any other provision of this article, when effluent  
5 limitations are established they must be at least as stringent as the  
6 effluent limitations previously required unless the commissioner deter-  
7 mines, through regulation, that an exception is warranted as provided in  
8 section 303(d) and 402(o) of the Federal Water Pollution Control Act (33  
9 U.S.C. sections 1313(d) and 1342(o)) as amended by the Water Quality Act  
10 of 1987; provided, however, no such exceptions may be determined to be  
11 warranted in special groundwater protection areas designated pursuant to  
12 article fifty-five of this chapter or in Nassau or Suffolk counties  
13 where such discharges will impact marine waters within ten years or  
14 less.

15 § 2. Item (e) of subparagraph (ii) of paragraph d of subdivision 1 of  
16 section 17-1909 of the environmental conservation law, as amended by  
17 chapter 355 of the laws of 2014, is amended to read as follows:

18 (e) conforms with applicable rules and regulations of the department,  
19 including a demonstration that design and construction consider future  
20 physical climate risk due to sea level rise, and/or storm surges and/or  
21 flooding, based on available data predicting the likelihood of future
