The coverage required by this section shall be included in policies and certificates only through the addition of a rider.

[A] that is issued, amended, renewed, effective or delivered on or after January first, two thousand twenty, shall provide coverage for all of the following services and contraceptive methods:

(a) where the FDA has approved one or more therapeutic and pharmaceutical equivalent, as defined by the FDA, versions of a contraceptive drug, device, or product, a group or blanket policy is not required to include all such therapeutic and pharmaceutical equivalent versions in its formulary, so long as at least one is included and covered without cost-sharing and in accordance with this paragraph;

(b) if the covered therapeutic and pharmaceutical equivalent versions of a drug, device, or product are not available or are deemed medically inadvisable a group or blanket policy shall provide coverage for an alternate therapeutic and pharmaceutical equivalent version of the contraceptive drug, device, or product without cost-sharing. If the attending health care provider, in his or her reasonable professional judgment, determines that the use of a non-covered therapeutic or pharmaceutical equivalent of a drug, device, or product is warranted, the health care provider’s determination shall be final. The superintendent shall promulgate regulations establishing a process, including time-frames, for an insured, an insured's designee or an insured's health care provider to request coverage of a non-covered contraceptive drug, device, or product. Such regulations shall include a requirement that insurers use an exception form that shall meet criteria established by the superintendent;

nonspouse dependents.

gious employer may request a contract without coverage for federal food 
and drug administration approved contraceptive methods that are contrary 
to the religious employer's religious tenets. If so requested, such 
contract shall be provided without coverage for contraceptive methods. 
This paragraph shall not be construed to deny an enrollee coverage of, 
and timely access to, contraceptive methods.

(1) For purposes of this subsection, a "religious employer" is an 
entity for which each of the following is true:
(a) The inculcation of religious values is the purpose of the entity.

small group.

purchase coverage for contraceptive drugs or devices in accordance with 
subparagraph [(A)] (E) of this paragraph, the insurer that provides such 
coverage shall provide written notice to certificateholders upon enroll-
ment with the insurer of their right to directly purchase a rider for 
coverage for the cost of contraceptive drugs or devices. The notice 
shall also advise the certificateholders of the additional premium for 
such coverage.

[(G)] (G) Nothing in this paragraph shall be construed as authorizing 
a group or blanket policy which provides coverage for prescription drugs 
to exclude coverage for prescription drugs prescribed for reasons other 
than contraceptive purposes.

[(D)] Such coverage may be subject to reasonable annual deductibles and 
coinsurance as may be deemed appropriate by the superintendent and as
