35 first, two thousand twelve, and ending March thirty-first, two thousand
36 fifteen, may, for commodity, service and technology contracts require
37 electronic submission as the sole method for the submission of bids for
38 the solicitation. State agencies shall undertake no more than eighty-
39 five such electronic bid solicitations, none of which shall be reverse
40 auctions, prior to April first, two thousand fifteen. In addition, state

49 report assessing the use of electronic submissions and make recommenda-

56 shall be published on the website of the office of general services.

1 Except where otherwise provided by law, procurements shall be compet-
2 itive, and state agencies shall conduct formal competitive procurements
3 to the maximum extent practicable. State agencies shall document the
4 determination of the method of procurement and the basis of award in the
5 procurement record. Where the basis for award is the best value offer,
6 the state agency shall document, in the procurement record and in
7 advance of the initial receipt of offers, the determination of the eval-

10 which the evaluation process and selection shall be conducted.

11 § 3. This act shall take effect on the ninetieth day after it shall

13 after such effective date; provided however, that the amendments to
14 subdivision 7 of section 163 of the state finance law made by section
15 two of this act shall not affect the repeal of such section and shall be
