Introduced by Sens. AN ACT relating to creating the commission on affordable college education to study the participation of community colleges in the educational opportunity program; and providing for the repeal of such provisions upon expiration thereof

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Legislative findings. The legislature hereby acknowledges  
2 the need for a college education to compete in today's market. Further-  
3 more, residents throughout New York state are in need of more affordable  
4 higher education options. Currently, ten out of the thirty SUNY communi-  
5 ty colleges do not participate in the Educational Opportunity Programs  
6 (EOP), which provide vital financial and academic support for thousands  
7 of academic and economically disadvantaged New Yorkers throughout the  
8 state. Subsequently, community college students from those ten two-year  
9 colleges, who seek to transfer into a four-year school as Higher Educa-  
10 tion Opportunity Program (HEOP) or EOP applicants risk potentially  
11 disqualifying themselves for such financial and academic support  
12 programs.

13 § 2. A temporary state commission, to be known as the "commission on  
14 affordable college education", is hereby established to examine, evalu-  
15 ate and make recommendations concerning the need for the ten SUNY commu-  
16 nity colleges to participate in EOP. The commission shall consider the  
17 need for additional legislation to amend current eligibility criteria  
18 for transfer students.
