IN SENATE

December 6, 2019

Introduced by Sen. SALAZAR -- read twice and ordered printed, and when printed to be committed to the Committee on Rules

AN ACT to amend the public health law, in relation to requiring anti-bias training for every medical student, medical resident and physician assistant student in the state

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Article 2 of the public health law is amended by adding a new title 3-A to read as follows:

TITLE 3-A

ANTI-BIAS TRAINING

Section 245. Training in bias awareness and elimination practices.

§ 245. Training in bias awareness and elimination practices. (a) Every medical student, medical resident and physician assistant student in the state as part of the orientation programs conducted by medical schools, medical residency programs and physician assistant programs shall complete course work or training, approved by the department, regarding awareness of and elimination practices for both implicit and explicit bias.

(b) Every medical student, medical resident and physician assistant student in the state shall provide to the department documentation demonstrating the completion of and competence in the coursework or training required pursuant to subdivision (a) of this section.

(c) The department shall consult with the state board for medicine and the division of human rights in developing guidelines for the training required pursuant to subdivision (a) of this section.

(d) One year after the effective date of this section and annually every year thereafter, the department shall submit a report to the governor and the legislature on the implementation and effectiveness of the training required pursuant to subdivision (a) of this section.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets [-] is old law to be omitted.
