AN ACT in relation to requiring the commissioner of health to conduct a study relating the correlation between pharmaceuticals and suicide

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. (a) The commissioner of health is hereby authorized and directed to study the issues, implications, practices and correlations between pharmaceuticals and suicide.

(b) Such study shall include, but not be limited to, the number of suicide attempts pre-exposure and post-exposure to any drug, and any other topic or issue required to conduct such study.

(c) The commissioner of health shall submit a report including recommendations and findings based on this study to the governor, the temporary president of the senate, the speaker of the assembly and the chairs of the senate and assembly standing committees on health no later than December 31, 2020.

§ 2. This act shall take effect immediately.

EXPLANATION--Matter in *italics* (underscored) is new; matter in brackets [-] is old law to be omitted.
