IN SENATE

January 10, 2020

Introduced by Sen. MARTINEZ -- read twice and ordered printed, and when printed to be committed to the Committee on Health

AN ACT to amend the public health law, in relation to requiring health care practitioners to provide patients with a list of ingredients contained in vaccines

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Section 2166 of the public health law, as added by chapter
2 573 of the laws of 1999, is amended to read as follows:

3 § 2166. Immunization; regulations; requirements. 1. The commissioner
4 may promulgate regulations with respect to immunization conducted by a
5 home care services agency licensed pursuant to section thirty-six
6 hundred five of this chapter or certified pursuant to section thirty-six
7 hundred eight of this chapter, facilities or institutions established
8 under article twenty-eight of this chapter, and other health care
9 providers and practitioners, including, but not limited to, standards
10 for the quality of care and services provided, consistent with the
11 education law.

12 2. Every health care provider who administers immunizations shall
13 provide the patient or a person in parental relation to the patient with
14 a list of ingredients contained in such vaccine, as provided by the
15 manufacturer, at least five days in advance of such immunization. Every
16 health care provider who administers immunizations shall inform the
17 recipient of the vaccine or the person in parental relation to the
18 patient about vaccine safety, benefits, potential adverse effects,
19 information provided by the federal Centers for Disease Control regard-
20 ing persons who should not be vaccinated and state law allowing medical
21 exemptions from vaccinations for children attending school.

22 § 2. This act shall take effect immediately.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets
[-] is old law to be omitted.
