§ 2. Section 3 of the lien law, as amended by chapter 137 of the laws of 1985, is amended to read as follows:

§ 3. Mechanic's lien and employee's lien on ~~real~~ property. 1. Mechanic's lien. A contractor, subcontractor, laborer, materialman, landscape gardener, nurseryman or person or corporation selling fruit or ornamental trees, roses, shrubbery, vines and small fruits, who performs labor or furnishes materials for the improvement of real property with the consent or at the request of the owner thereof, or of his agent, contractor or subcontractor, and any trust fund to which benefits and wage supplements are due or payable for the benefit of such laborers, shall have a lien for the principal and interest, of the value, or the agreed price, of such labor, including benefits and wage supplements due or payable for the benefit of any laborer, or materials upon the real property improved or to be improved and upon such improvement, from the time of filing a notice of such lien as prescribed in this chapter. Where the contract for an improvement is made with a husband or wife and the property belongs to the other or both, the husband or wife contracting shall also be presumed to be the agent of the other, unless such other having knowledge of the improvement shall, within ten days after learning of the contract give the contractor written notice of his or her refusal to consent to the improvement. Within the meaning of the provisions of this chapter, materials actually manufactured for but not delivered to the real property, shall also be deemed to be materials furnished.

2. Employee's lien. An employee who has a wage claim as that term is defined in subdivision twenty-three of section two of this chapter shall have a lien on his or her employer's interest in property for the value of that employee's wage claim arising out of the employment, including liquidated damages pursuant to subdivision one-a of section one hundred ninety-eight, section six hundred sixty-three or section six hundred eighty-one of the labor law, or 29 U.S.C. § 216 (b), from the time of filing a notice of such lien as prescribed in this chapter. An employee's lien based on a wage claim may be had against the employer's interest in real property and against the employer's interest in personal property that can be sufficiently described within the meaning of section 9-108 of the uniform commercial code, except that an employee's lien shall not extend to deposit accounts or goods as those terms are defined in section 9-102 of the uniform commercial code. The department of labor and the attorney general may obtain an employee's lien for the value of wage claims of the employees who are the subject of their investigations, court actions or administrative agency actions.

3. As used in this article and unless otherwise specified, a lien shall mean an employee's lien or a mechanic's lien.

§ 3. Subdivisions 1 and 2 of section 4 of the lien law, subdivision 1 as amended by chapter 515 of the laws of 1929 and subdivision 2 as added by chapter 704 of the laws of 1985, are amended to read as follows:

(1) ~~Such~~ A mechanic's or employee's lien and employee's lien against real property shall extend to the owner's right, title or interest in the real property and improvements, existing at the time of filing the notice of lien, or thereafter acquired, except as hereinafter in this article provided. If an owner assigns his interest in such real property by a general assignment for the benefit of creditors, within thirty days prior to such filing, the lien shall extend to the interest thus assigned. If any part of the real property subjected to such lien be removed by the owner or by any other person, at any time before the discharge thereof, such removal shall not affect the rights of the

lienor, either in respect to the remaining real property, or the part so removed. If labor is performed for, or materials furnished to, a contractor or subcontractor for an improvement, the mechanic's lien shall not be for a sum greater than the sum earned and unpaid on the contract at the time of filing the notice of lien, and any sum subsequently earned thereon. In no case shall the owner be liable to pay by reason of all mechanic's liens created pursuant to this article a sum greater than the value or agreed price of the labor and materials remaining unpaid, at the time of filing notices of such liens, except as hereinafter provided.

(2) [~~Such~~] A mechanic's or employee's lien shall not extend to the owner's right, title or interest in real property and improvements, existing at the time of filing the notice of lien if such lien arises from the failure of a lessee of the right to explore, develop or produce natural gas or oil, to pay for, compensate or render value for improvements made with the consent or at the request of such lessee by a contractor, subcontractor, materialman, equipment operator or owner, landscaper, nurseryman, or person or corporation who performs labor or furnishes materials for the exploration, development, or production of oil or natural gas or otherwise improves such leased property. Such mechanic's or employee's lien shall extend to the improvements made for the exploration, development and production of oil and natural gas, and the working interest held by a lessee of the right to explore, develop or produce oil and natural gas.

§ 4. The opening paragraph of section 4-a of the lien law, as amended by chapter 696 of the laws of 1959, is amended to read as follows:

The proceeds of any insurance which by the terms of the policy are payable to the owner of real property improved, and actually received or to be received by him because of the destruction or removal by fire or other casualty of an improvement on which lienors have performed labor or services or for which they have furnished materials, or upon which an employee has established an employee's lien, shall after the owner has been reimbursed therefrom for premiums paid by him, if any, for such insurance, be subject to liens provided by this act to the same extent and in the same order of priority as the real property would have been had such improvement not been so destroyed or removed.

§ 5. Subdivisions 1, 2 and 5 of section 9 of the lien law, as amended by chapter 515 of the laws of 1929, are amended to read as follows:

1. The name of the lienor, and either the residence of the lienor or the name and business address of the lienor's attorney, if any; and if the lienor is a partnership or a corporation, the business address of such firm, or corporation, the names of partners and principal place of business, and if a foreign corporation, its principal place of business within the state.

2. The name of the owner of the [~~real~~] property against whose interest therein a lien is claimed, and the interest of the owner as far as known to the lienor.

5. The amount unpaid to the lienor for such labor or materials, or the amount of the wage claim if a wage claim is the basis for establishment of the lien, the items of the wage claim and the value thereof which make up the amount for which the lienor claims a lien.

§ 6. Subdivision 1 of section 10 of the lien law, as amended by chapter 367 of the laws of 2011, is amended to read as follows:

1. (a) Notice of mechanic's lien may be filed at any time during the progress of the work and the furnishing of the materials, or, within eight months after the completion of the contract, or the final perform-

1 ance of the work, or the final furnishing of the materials, dating from
2 the last item of work performed or materials furnished; provided, howev-
3 er, that where the improvement is related to real property improved or
4 to be improved with a single family dwelling, the notice of mechanic's
5 lien may be filed at any time during the progress of the work and the
6 furnishing of the materials, or, within four months after the completion
7 of the contract, or the final performance of the work, or the final
8 furnishing of the materials, dating from the last item of work performed
9 or materials furnished; and provided further where the notice of mechan-
10 ic's lien is for retainage, the notice of mechanic's lien may be filed
11 within ninety days after the date the retainage was due to be released;
12 except that in the case of a mechanic's lien by a real estate broker,
13 the notice of mechanic's lien may be filed only after the performance of
14 the brokerage services and execution of lease by both lessor and lessee
15 and only if a copy of the alleged written agreement of employment or
16 compensation is annexed to the notice of lien, provided that where the
17 payment pursuant to the written agreement of employment or compensation
18 is to be made in installments, then a notice of lien may be filed within
19 eight months after the final payment is due, but in no event later than
20 a date five years after the first payment was made. For purposes of this
21 section, the term "single family dwelling" shall not include a dwelling
22 unit which is a part of a subdivision that has been filed with a munici-
23 pality in which the subdivision is located when at the time the lien is
24 filed, such property in the subdivision is owned by the developer for
25 purposes other than his personal residence. For purposes of this
26 section, "developer" shall mean and include any private individual,
27 partnership, trust or corporation which improves two or more parcels of
28 real property with single family dwellings pursuant to a common scheme
29 or plan. ~~The~~

30 (b) Notice of employee's lien may be filed at any time not later than
31 three years following the end of the employment giving rise to the wage
32 claim.

33 (c) A notice of lien, other than for a lien on personal property, must
34 be filed in the clerk's office of the county where the property is situ-
35 ated. If such property is situated in two or more counties, the notice
36 of lien shall be filed in the office of the clerk of each of such coun-
37 ties. The county clerk of each county shall provide and keep a book to
38 be called the "lien docket," which shall be suitably ruled in columns
39 headed "owners," "lienors," "lienor's attorney," "property," "amount,"
40 "time of filing," "proceedings had," in each of which he shall enter the
41 particulars of the notice, properly belonging therein. The date, hour
42 and minute of the filing of each notice of lien shall be entered in the
43 proper column. Except where the county clerk maintains a block index,
44 the names of the owners shall be arranged in such book in alphabetical
45 order. The validity of the lien and the right to file a notice thereof
46 shall not be affected by the death of the owner before notice of the
47 lien is filed. A notice of employee's lien on personal property must be
48 filed, together with a financing statement, in the filing office as set
49 forth in section 9-501 of the uniform commercial code.

50 § 7. Section 11 of the lien law, as amended by chapter 147 of the laws
51 of 1996, is amended to read as follows:

52 § 11. Service of copy of notice of lien. 1. Within five days before
53 or thirty days after filing the notice of a mechanic's lien, the lienor
54 shall serve a copy of such notice upon the owner, if a natural person,
55 (a) by delivering the same to him personally, or if the owner cannot be
56 found, to his agent or attorney, or (b) by leaving it at his last known

1 place of residence in the city or town in which the real property or
2 some part thereof is situated, with a person of suitable age and
3 discretion, or (c) by registered or certified mail addressed to his last
4 known place of residence, or (d) if such owner has no such residence in
5 such city or town, or cannot be found, and he has no agent or attorney,
6 by affixing a copy thereof conspicuously on such property, between the
7 hours of nine o'clock in the forenoon and four o'clock in the afternoon;
8 if the owner be a corporation, said service shall be made (i) by deliv-
9 ering such copy to and leaving the same with the president, vice-presi-
10 dent, secretary or clerk to the corporation, the cashier, treasurer or a
11 director or managing agent thereof, personally, within the state, or
12 (ii) if such officer cannot be found within the state by affixing a copy
13 thereof conspicuously on such property between the hours of nine o'clock
14 in the forenoon and four o'clock in the afternoon, or (iii) by regis-
15 tered or certified mail addressed to its last known place of business.
16 Failure to file proof of such a service with the county clerk within
17 thirty-five days after the notice of lien is filed shall terminate the
18 notice as a lien. Until service of the notice has been made, as above
19 provided, an owner, without knowledge of the lien, shall be protected in
20 any payment made in good faith to any contractor or other person claim-
21 ing a lien.

22 2. Within five days before or thirty days after filing the notice of
23 an employee's lien, the lienor shall serve a copy of such notice upon
24 the employer, if a natural person, (a) by delivering the same to him
25 personally, or if the employer cannot be found, to his agent or attor-
26 ney, or (b) by leaving it as his last known place of residence or busi-
27 ness, with a person of suitable age and discretion, or (c) by registered
28 or certified mail addressed to his last known place of residence or
29 business, or (d) if such employer owns real property, by affixing a copy
30 thereof conspicuously on such property, between the hours of nine
31 o'clock in the forenoon and four o'clock in the afternoon. The lienor
32 also shall, within thirty days after filing the notice of employee's
33 lien, affix a copy thereof conspicuously on the real property identified
34 in the notice of employee's lien, between the hours of nine o'clock in
35 the forenoon and four o'clock in the afternoon. If the employer be a
36 corporation, said service shall be made (i) by delivering such copy to
37 and leaving the same with the president, vice-president, secretary or
38 clerk to the corporation, the cashier, treasurer or a director or manag-
39 ing agent thereof, personally, within the state, or (ii) if such officer
40 cannot be found within the state by affixing a copy thereof conspicu-
41 ously on such property between the hours of nine o'clock in the forenoon
42 and four o'clock in the afternoon, or (iii) by registered or certified
43 mail addressed to its last known place of business, or (iv) by delivery
44 to the secretary of the department of state in the same manner as
45 required by subparagraph one of paragraph (b) of section three hundred
46 six of the business corporation law. Failure to file proof of such a
47 service with the county clerk within thirty-five days after the notice
48 of lien is filed shall terminate the notice as a lien. Until service of
49 the notice has been made, as above provided, an owner, without knowledge
50 of the lien, shall be protected in any payment made in good faith to any
51 other person claiming a lien.

52 § 8. Section 11-b of the lien law, as amended by chapter 147 of the
53 laws of 1996, is amended to read as follows:

54 § 11-b. Copy of notice of mechanic's lien to a contractor or subcon-
55 tractor. Within five days before or thirty days after filing a notice
56 of mechanic's lien in accordance with section ten of this chapter or the

1 filing of an amendment of notice of mechanic's lien in accordance with
2 section twelve-a of this [~~chapter~~] article the lienor shall serve a copy
3 of such notice or amendment by certified mail on the contractor, subcon-
4 tractor, assignee or legal representative for whom he was employed or to
5 whom he furnished materials or if the lienor is a contractor or subcon-
6 tractor to the person, firm or corporation with whom the contract was
7 made. A lienor having a direct contractual relationship with a subcon-
8 tractor or a sub-subcontractor but not with a contractor shall also
9 serve a copy of such notice or amendment by certified mail to the
10 contractor. Failure to file proof of such a service with the county
11 clerk within thirty-five days after the notice of lien is filed shall
12 terminate the notice as a lien. Any lienor, or a person acting on behalf
13 of a lienor, who fails to serve a copy of the notice of mechanic's lien
14 as required by this section shall be liable for reasonable attorney's
15 fees, costs and expenses, as determined by the court, incurred in
16 obtaining such copy.

17 § 9. Subdivision 1 of section 12-a of the lien law, as amended by
18 chapter 1048 of the laws of 1971, is amended to read as follows:

19 1. Within sixty days after the original filing, a lienor may amend his
20 lien upon twenty days notice to existing lienors, mortgagees and the
21 owner, provided that no action or proceeding to enforce or cancel the
22 mechanics' lien or employee's lien has been brought in the interim,
23 where the purpose of the amendment is to reduce the amount of the lien,
24 except the question of wilful exaggeration shall survive such amendment.

25 § 10. Subdivision 1 of section 13 of the lien law, as amended by chap-
26 ter 878 of the laws of 1947, is amended to read as follows:

27 (1) [~~A~~] An employee's lien, or a lien for materials furnished or labor
28 performed in the improvement of real property, shall have priority over
29 a conveyance, mortgage, judgment or other claim against such property
30 not recorded, docketed or filed at the time of the filing of the notice
31 of such lien, except as hereinafter in this chapter provided; over
32 advances made upon any mortgage or other encumbrance thereon after such
33 filing, except as hereinafter in this article provided; and over the
34 claim of a creditor who has not furnished materials or performed labor
35 upon such property, if such property has been assigned by the owner by a
36 general assignment for the benefit of creditors, within thirty days
37 before the filing of either of such notices; and also over an attachment
38 hereafter issued or a money judgment hereafter recovered upon a claim,
39 which, in whole or in part, was not for materials furnished, labor
40 performed or moneys advanced for the improvement of such real property;
41 and over any claim or lien acquired in any proceedings upon such judg-
42 ment. Such liens shall also have priority over advances made upon a
43 contract by an owner for an improvement of real property which contains
44 an option to the contractor, his successor or assigns to purchase the
45 property, if such advances were made after the time when the labor began
46 or the first item of material was furnished, as stated in the notice of
47 lien. If several buildings are demolished, erected, altered or repaired,
48 or several pieces or parcels of real property are improved, under one
49 contract, and there are conflicting liens thereon, each lienor shall
50 have priority upon the particular part of the real property or upon the
51 particular building or premises where his labor is performed or his
52 materials are used. Persons shall have no priority on account of the
53 time of filing their respective notices of liens, but all liens shall be
54 on a parity except as hereinafter in section fifty-six of this chapter
55 provided; and except that in all cases laborers for daily or weekly

1 wages with a mechanic's lien, and employees with an employee's lien,
2 shall have preference over all other claimants under this article.

3 § 11. Section 17 of the lien law, as amended by chapter 324 of the
4 laws of 2000, is amended to read as follows:

5 § 17. Duration of lien. 1. (a) No mechanic's lien specified in this
6 article shall be a lien for a longer period than one year after the
7 notice of lien has been filed, unless within that time an action is
8 commenced to foreclose the lien, and a notice of the pendency of such
9 action, whether in a court of record or in a court not of record, is
10 filed with the county clerk of the county in which the notice of lien is
11 filed, containing the names of the parties to the action, the object of
12 the action, a brief description of the real property affected thereby,
13 and the time of filing the notice of lien; or unless an extension to
14 such lien, except for a lien on real property improved or to be improved
15 with a single family dwelling, is filed with the county clerk of the
16 county in which the notice of lien is filed within one year from the
17 filing of the original notice of lien, continuing such lien and such
18 lien shall be redocketed as of the date of filing such extension. Such
19 extension shall contain the names of the lienor and the owner of the
20 real property against whose interest therein such lien is claimed, a
21 brief description of the real property affected by such lien, the amount
22 of such lien, and the date of filing the notice of lien. No lien shall
23 be continued by such extension for more than one year from the filing
24 thereof. In the event an action is not commenced to foreclose the lien
25 within such extended period, such lien shall be extinguished unless an
26 order be granted by a court of record or a judge or justice thereof,
27 continuing such lien, and such lien shall be redocketed as of the date
28 of granting such order and a statement made that such lien is continued
29 by virtue of such order. A lien on real property improved or to be
30 improved with a single family dwelling may only be extended by an order
31 of a court of record, or a judge or justice thereof. No lien shall be
32 continued by court order for more than one year from the granting there-
33 of, but a new order and entry may be made in each of two successive
34 years. If a lienor is made a party defendant in an action to enforce
35 another lien, and the plaintiff or such defendant has filed a notice of
36 the pendency of the action within the time prescribed in this section,
37 the lien of such defendant is thereby continued. Such action shall be
38 deemed an action to enforce the lien of such defendant lienor. The fail-
39 ure to file a notice of pendency of action shall not abate the action as
40 to any person liable for the payment of the debt specified in the notice
41 of lien, and the action may be prosecuted to judgment against such
42 person. The provisions of this section in regard to continuing liens
43 shall apply to liens discharged by deposit or by order on the filing of
44 an undertaking. Where a lien is discharged by deposit or by order, a
45 notice of pendency of action shall not be filed.

46 (b) A lien, the duration of which has been extended by the filing of a
47 notice of the pendency of an action as above provided, shall neverthe-
48 less terminate as a lien after such notice has been canceled as provided
49 in section sixty-five hundred fourteen of the civil practice law and
50 rules or has ceased to be effective as constructive notice as provided
51 in section sixty-five hundred thirteen of the civil practice law and
52 rules.

53 2. (a) No employee's lien on real property shall be a lien for a long-
54 er period than one year after the notice of lien has been filed, unless
55 an extension to such lien is filed with the county clerk of the county
56 in which the notice of lien is filed within one year from the filing of

1 the original notice of lien, continuing such lien and such lien shall be
2 redocketed as of the date of filing such extension. Such extension shall
3 contain the names of the lienor and the owner of the real property
4 against whose interest therein such lien is claimed, a brief description
5 of the property affected by such lien, the amount of such lien, and the
6 date of filing the notice of lien. No lien shall be continued by such
7 extension for more than one year from the filing thereof. In the event
8 an action is not commenced to obtain judgment on the wage claim or to
9 foreclose the lien within such extended period, such lien shall be auto-
10 matically extinguished unless an order be granted by a court of record
11 or a judge or justice thereof, continuing such lien, and such lien shall
12 be redocketed as of the date of granting such order and a statement made
13 that such lien is continued by virtue of such order.

14 (b) No employee's lien on personal property shall be a lien for a
15 longer period than one year after the financing statement has been
16 recorded, unless an extension to such lien, is filed with the filing
17 office in which the financing statement is required to be filed pursuant
18 to section 9-501 of the uniform commercial code within one year from the
19 filing of the original financing statement, continuing such lien. Such
20 extension shall contain the names of the lienor and the owner of the
21 property against whose interest therein such lien is claimed, a brief
22 description of the prior financing statement to be extended, and the
23 date of filing the prior financing statement. No lien shall be contin-
24 ued by such extension for more than one year from the filing thereof. In
25 the event an action is not commenced to obtain judgment on the wage
26 claim or to foreclose the lien within such extended period, such lien
27 shall be automatically extinguished unless an order be granted by a
28 court of record or a judge or justice thereof, continuing such lien, and
29 such lien shall be refiled as of the date of granting such order and a
30 statement made that such lien is continued by virtue of such order.

31 (c) If a lienor is made a party defendant in an action to enforce
32 another lien, and the plaintiff or such defendant has filed a notice of
33 the pendency of the action within the time prescribed in this section,
34 the lien of such defendant is thereby continued. Such action shall be
35 deemed an action to enforce the lien of such defendant lienor. The fail-
36 ure to file a notice of pendency of action shall not abate the action as
37 to any person liable for the payment of the debt specified in the notice
38 of lien, and the action may be prosecuted to judgment against such
39 person. The provisions of this section in regard to continuing liens
40 shall apply to liens discharged by deposit or by order on the filing of
41 an undertaking. Where a lien is discharged by deposit or by order, a
42 notice of pendency of action shall not be filed.

43 (d) Notwithstanding the foregoing, if a lienor commences a foreclosure
44 action or an action to obtain a judgment on the wage claim within one
45 year from the filing of the notice of lien on real property or the
46 recording of the financing statement creating lien on personal property,
47 the lien shall be extended during the pendency of the action and for one
48 hundred twenty days following the entry of final judgment in such
49 action, unless the action results in a final judgment or administrative
50 order in the lienor's favor on the wage claims and the lienor commences
51 a foreclosure action, in which instance the lien shall be valid during
52 the pendency of the foreclosure action, provided, that the lien will be
53 automatically extinguished if, after a dismissal with prejudice of the
54 wage claims on which it is based, the lienor fails to file a notice of
55 appeal within the prescribed period to file a notice of appeal. If a
56 lien is extended due to the pendency of a foreclosure action or an

1 action to obtain a judgment on the wage claim, the lienor shall file a
2 notice of such pendency and extension with the county clerk of the coun-
3 ty in which the notice of lien is filed, containing the names of the
4 parties to the action, the object of the action, a brief description of
5 the property affected thereby, and the time of filing the notice of
6 lien, or in the case of a lien on personal property shall file such
7 notice with the office authorized to accept financing statements pursu-
8 ant to section 9-501 of the uniform commercial code. For purposes of
9 this section, an action to obtain judgment on a wage claim includes an
10 action brought in any court of competent jurisdiction, the submission of
11 a complaint to the department of labor or the submission of a claim to
12 arbitration pursuant to an arbitration agreement. An action also
13 includes an investigation of wage claims by the commissioner of labor or
14 the attorney general of the state of New York, regardless of whether
15 such investigation was initiated by a complaint.

16 (e) A lien, the duration of which has been extended by the filing of a
17 notice of the pendency of an action as above provided, shall neverthe-
18 less terminate as a lien after such notice has been canceled as provided
19 in section sixty-five hundred fourteen of the civil practice law and
20 rules or has ceased to be effective as constructive notice as provided
21 in section sixty-five hundred thirteen of the civil practice law and
22 rules.

23 § 12. Subdivisions 2 and 4 of section 19 of the lien law, subdivision
24 2 as amended by chapter 310 of the laws of 1962, subdivision 4 as added
25 by chapter 582 of the laws of 2002 and paragraph a of subdivision 4 as
26 further amended by section 104 of part A of chapter 62 of the laws of
27 2011, are amended to read as follows:

28 (2) By failure to begin an action to foreclose such lien or to secure
29 an order continuing it, within one year from the time of filing the
30 notice of lien, unless (i) an action be begun within the same period to
31 foreclose a mortgage or another mechanic's lien upon the same property
32 or any part thereof and a notice of pendency of such action is filed
33 according to law, or (ii) an action is commenced to obtain a judgment on
34 a wage claim pursuant to subdivision two of section seventeen of this
35 article, but a lien, the duration of which has been extended by the
36 filing of a notice of the pendency of an action as herein provided,
37 shall nevertheless terminate as a lien after such notice has been
38 cancelled or has ceased to be effective as constructive notice.

39 (4) Either before or after the beginning of an action by the employer,
40 owner or contractor executing a bond or undertaking in an amount equal
41 to one hundred ten percent of such lien conditioned for the payment of
42 any judgment which may be rendered against the property or employer for
43 the enforcement of the lien:

44 a. The execution of any such bond or undertaking by any fidelity or
45 surety company authorized by the laws of this state to transact busi-
46 ness, shall be sufficient; and where a certificate of qualification has
47 been issued by the superintendent of financial services under the
48 provisions of section one thousand one hundred eleven of the insurance
49 law, and has not been revoked, no justification or notice thereof shall
50 be necessary. Any such company may execute any such bond or undertaking
51 as surety by the hand of its officers, or attorney, duly authorized
52 thereto by resolution of its board of directors, a certified copy of
53 which resolution, under the seal of said company, shall be filed with
54 each bond or undertaking. Any such bond or undertaking shall be filed
55 with the clerk of the county in which the notice of lien is filed, and a
56 copy shall be served upon the adverse party. The undertaking is effec-

tive when so served and filed. If a certificate of qualification issued pursuant to subsections (b), (c) and (d) of section one thousand one hundred eleven of the insurance law is not filed with the undertaking, a party may except, to the sufficiency of a surety and by a written notice of exception served upon the adverse party within ten days after receipt, a copy of the undertaking. Exceptions deemed by the court to have been taken unnecessarily, or for vexation or delay, may, upon notice, be set aside, with costs. Where no exception to sureties is taken within ten days or where exceptions taken are set aside, the undertaking shall be allowed.

b. In the case of bonds or undertakings not executed pursuant to paragraph a of this subdivision, the employer, owner or contractor shall execute an undertaking with two or more sufficient sureties, who shall be free holders, to the clerk of the county where the premises are situated. The sureties must together justify in at least double the sum named in the undertaking. A copy of the undertaking, with notice that the sureties will justify before the court, or a judge or justice thereof, at the time and place therein mentioned, must be served upon the lienor or his attorney, not less than five days before such time. Upon the approval of the undertaking by the court, judge or justice an order shall be made by such court, judge or justice discharging such lien.

c. If the lienor cannot be found, or does not appear by attorney, service under this subsection may be made by leaving a copy of such undertaking and notice at the lienor's place of residence, or if a corporation at its principal place of business within the state as stated in the notice of lien, with a person of suitable age and discretion therein, or if the house of his abode or its place of business is not stated in said notice of lien and is not known, then in such manner as the court may direct. The premises, if any, described in the notice of lien as the lienor's residence or place of business shall be deemed to be his said residence or its place of business for the purposes of said service at the time thereof, unless it is shown affirmatively that the person servicing the papers or directing the service had knowledge to the contrary. Notwithstanding the other provisions of this subdivision relating to service of notice, in any case where the mailing address of the lienor is outside the state such service may be made by registered or certified mail, return receipt requested, to such lienor at the mailing address contained in the notice of lien.

d. Except as otherwise provided in this subdivision, the provisions of article twenty-five of the civil practice law and rules regulating undertakings is applicable to a bond or undertaking given for the discharge of a lien on account of private improvements or of an employee's lien.

1 in any manner available to the judgment creditor pursuant to article
2 nine of the uniform commercial code or other applicable laws.

9 the moneys due or to become due under a contract for a building loan in
10 relation to such property, and in case such mortgage, if any, shall be
11 recorded in the office of the register of the county where such real
12 property is situated, or if such county has no register then in the
13 office of the clerk of such county, and in case such assignment, if any,
14 shall be filed in the office of the clerk of the county where such real
15 property is situated; and in case lienors having [~~mechanics~~] liens
16 against said real property, notices of which have been filed up to and
17 not later than fifteen days after the recording of such mortgage or the
18 filing of such assignment, and which liens have not been discharged as
19 in this article provided, shall, to the extent of at least fifty-five
20 per centum of the aggregate amount for which such notices of liens have
21 been so filed, approve such bond and mortgage or such note and mortgage,
22 if any, and such assignment, if any, by an instrument or instruments in
23 writing, duly acknowledged and filed in the office of such county clerk,
24 then all mechanics' liens for labor performed or material furnished
25 prior to the recording of such mortgage or filing of such assignment,
26 whether notices thereof have been theretofore or are thereafter filed
27 and which have not been discharged as in this article provided, shall be
28 subordinate to the lien of such trust bond and mortgage or such trust
29 note and mortgage to the extent of the aggregate amount of all certif-
30 icates of interest therein issued by such trustee or trustees, or their
31 successors, for moneys loaned, materials furnished, labor performed and
32 any other indebtedness incurred after said trust mortgage shall have
33 been recorded, and for expenses in connection with said trust mortgage,
34 and shall also be subordinate to the lien of the bond and mortgage or
35 note and mortgage, given to secure the amount agreed to be advanced
36 under such contract for a building loan to the extent of the amount
37 which shall be advanced by the holder of such bond and mortgage or such
38 note and mortgage to the trustee or trustees, or their successors, under
39 such assignment. The provisions of this section shall apply to all bonds
40 and mortgages and notes and mortgages and all assignments of moneys due,
41 or to become due under building loan contracts executed by such owner,
42 in like manner, and recorded or filed, from time to time as hereinbefore
43 provided. In case of an assignment to trustees under the provisions of
44 this section, the trustees and their successors shall be the agents of
45 the assignor to receive and receipt for any and all sums advanced by the

51 act preceding the making and approval of such assignment.

1 which shall set forth the items of labor and/or material and the value
2 thereof which make up the amount for which he claims a lien, and which
3 shall also set forth the terms of the contract under which such items
4 were furnished. The statement shall be verified by the lienor or his
5 agent in the form required for the verification of notices in section
6 nine of this ~~chapter~~ article. If the lienor shall fail to comply with
7 such a demand within five days after the same shall have been made by
8 the owner or contractor, or if the lienor delivers an insufficient
9 statement, the person aggrieved may petition the supreme court of this
10 state or any justice thereof, or the county court of the county where
11 the premises are situated, or the county judge of such county for an
12 order directing the lienor within a time specified in the order to
13 deliver to the petitioner the statement required by this section. Two
14 days' notice in writing of such application shall be served upon the
15 lienor. Such service shall be made in the manner provided by law for the

17 shall hear the parties and upon being satisfied that the lienor has
18 failed, neglected or refused to comply with the requirements of this
19 section shall have an appropriate order directing such compliance. In
20 case the lienor fails to comply with the order so made within the time
21 specified, then upon five days' notice to the lienor, served in the
22 manner provided by law for the personal service of a summons, the court
23 or a justice or judge thereof may make an order cancelling the lien.

24 § 16. Section 39 of the lien law, as added by chapter 859 of the laws
25 of 1930, is amended to read as follows:

27 to enforce a mechanic's lien upon a private or public improvement or an
28 employee's lien, or in which the validity of the lien is an issue, if
29 the court shall find that a lienor has wilfully exaggerated the amount
30 for which he claims a lien as stated in his notice of lien, his lien
31 shall be declared to be void and no recovery shall be had thereon. No
32 such lienor shall have a right to file any other or further lien for the
33 same claim. A second or subsequent lien filed in contravention of this
34 section may be vacated upon application to the court on two days'
35 notice.

37 laws of 1930, is amended to read as follows:

38 § 39-a. Liability of lienor where lien has been declared void on
39 account of wilful exaggeration. Where in any action or proceeding to
40 enforce a mechanic's lien upon a private or public improvement or an
41 employee's lien the court shall have declared said lien to be void on
42 account of wilful exaggeration the person filing such notice of lien
43 shall be liable in damages to the owner or contractor. The damages which
44 said owner or contractor shall be entitled to recover, shall include the
45 amount of any premium for a bond given to obtain the discharge of the
46 lien or the interest on any money deposited for the purpose of discharg-
47 ing the lien, reasonable attorney's fees for services in securing the
48 discharge of the lien, and, in an action or proceeding to enforce a
49 mechanic's lien, an amount equal to the difference by which the amount
50 claimed to be due or to become due as stated in the notice of lien
51 exceeded the amount actually due or to become due thereon.

52 § 18. Section 40 of the lien law, as amended by chapter 515 of the
53 laws of 1929, is amended to read as follows:

54 § 40. Construction of article. This article is to be construed in
55 connection with article two of this chapter, and provides proceedings
56 for the enforcement of employee's liens on real property, as well as

1 liens for labor performed and materials furnished in the improvement of
2 real property, created by virtue of such article.

8 which the lien is founded, by an action, by the lienor, his assignee or
9 legal representative, in the supreme court or in a county court other-
10 wise having jurisdiction, regardless of the amount of such debt, or in a
11 court which has jurisdiction in an action founded on a contract for a
12 sum of money equivalent to the amount of such debt.

13 § 20. Section 43 of the lien law, as amended by chapter 310 of the
14 laws of 1962, is amended to read as follows:

15 § 43. Action in a court of record; consolidation of actions. The
16 provisions of the real property actions and proceedings law relating to
17 actions for the foreclosure of a mortgage upon real property, and the
18 sale and the distribution of the proceeds thereof apply to actions in a
19 court of record, to enforce mechanics' liens and employees' liens on
20 real property, except as otherwise provided in this article. If actions
21 are brought by different lienors in a court of record, the court in
22 which the first action was brought, may, upon its own motion, or upon
23 the application of any party in any of such actions, consolidate all of
24 such actions.

25 § 21. Section 46 of the lien law, as amended by chapter 515 of the
26 laws of 1929, is amended to read as follows:

27 § 46. Action in a court not of record. If an action to enforce a
28 mechanic's lien or employee's lien against real property is brought in a
29 court not of record, it shall be commenced by the personal service upon
30 the owner of a summons and complaint verified in the same manner as a
31 complaint in an action in a court of record. The complaint must set
32 forth substantially the facts contained in the notice of lien, and the
33 substance of the agreement under which the labor was performed or the
34 materials were furnished, or if the lien is based upon a wage claim as
35 defined in section two of this chapter, the basis for such wage claim.

36 The form and contents of the summons shall be the same as provided by
37 law for the commencement of an action upon a contract in such court. The
38 summons must be returnable not less than twelve nor more than twenty
39 days after the date of the summons, or if service is made by publica-
40 tion, after the day of the last publication of the summons. Service
41 must be made at least eight days before the return day.

42 § 22. Section 50 of the lien law, as amended by chapter 515 of the
43 laws of 1929, is amended to read as follows:

44 § 50. Execution. Execution may be issued upon a judgment obtained in

46 real property in a court not of record, which shall direct the officer
47 to sell the title and interest of the owner in the premises, upon which
48 the lien set forth in the complaint existed at the time of filing the
49 notice of lien.

50 § 23. Section 53 of the lien law, as amended by chapter 515 of the
51 laws of 1929, is amended to read as follows:

52 § 53. Costs and disbursements. If an action is brought to enforce a
53 mechanic's lien or an employee's lien against real property in a court
54 of record, the costs and disbursements shall rest in the discretion of
55 the court, and may be awarded to the prevailing party. The judgment
56 rendered in such an action shall include the amount of such costs and

1 specify to whom and by whom the costs are to be paid. If such action is
2 brought in a court not of record, they shall be the same as allowed in
3 civil actions in such court. The expenses incurred in serving the
4 summons by publication may be added to the amount of costs now allowed
5 in such court.

6 § 24. Section 59 of the lien law, as amended by chapter 515 of the
7 laws of 1929, is amended to read as follows:

8 § 59. Vacating of a [~~mechanic's~~] lien; cancellation of bond; return of
9 deposit, by order of court. 1. A mechanic's lien notice of which has
10 been filed on real property or a bond given to discharge the same may be
11 vacated and cancelled or a deposit made to discharge a lien pursuant to
12 section twenty of this chapter may be returned, by an order of a court
13 of record. Before such order shall be granted, a notice shall be served
14 upon the lienor, either personally or by leaving it at his last known
15 place of residence, with a person of suitable age, with directions to
16 deliver it to the lienor. Such notice shall require the lienor to
17 commence an action to enforce the lien, within a time specified in the
18 notice, not less than thirty days from the time of service, or show
19 cause at a special term of a court of record, or at a county court, in a
20 county in which the property is situated, at a time and place specified
21 therein, why the notice of lien filed or the bond given should not be
22 vacated and cancelled, or the deposit returned, as the case may be.
23 Proof of such service and that the lienor has not commenced the action
24 to foreclose such lien, as directed in the notice, shall be made by
25 affidavit, at the time of applying for such order.

26 2. An employee's lien notice of which has been filed on real property
27 or a bond given to discharge the same may be vacated and cancelled or a
28 deposit made to discharge a lien pursuant to section twenty of this
29 chapter may be returned, by an order of a court of record. Before such
30 order shall be granted, a notice shall be served upon the lienor, either
31 personally or by leaving it at his last known place of residence or
32 attorney's place of business, with a person of suitable age, with
33 directions to deliver it to the lienor. Such notice shall require the
34 lienor to commence an action to enforce the lien, or to commence an
35 action to obtain judgment on the wage claim upon which the lien was
36 established, within a time specified in the notice, not less than thirty
37 days from the time of service, or show cause at a special term of a
38 court of record, or at a county court, in a county in which the property
39 is situated, at a time and place specified therein, why the notice of
40 lien filed or the bond given should not be vacated and cancelled, or the
41 deposit returned, as the case may be. Proof of such service and that the
42 lienor has not commenced the action to foreclose such lien or an action
43 to obtain judgment on the wage claim upon which the lien was estab-
44 lished, as directed in the notice, shall be made by affidavit, at the
45 time of applying for such order.

46 § 25. Section 62 of the lien law, as amended by chapter 697 of the
47 laws of 1934, is amended to read as follows:

48 § 62. Bringing in new parties. A lienor who has filed a notice of lien
49 after the commencement of an action in a court of record to foreclose or
50 enforce an employee's lien or a mechanic's lien against real property or
51 a public improvement, may at any time up to and including the day
52 preceding the day on which the trial of such action is commenced, make
53 application upon notice to the plaintiff or his attorney in such action,
54 to be made a party therein. Upon good cause shown, the court must order
55 such lienor to be brought in by amendment. If the application is made by
56 any other party in said action to make such lienor or other person a

1 party, the court may in its discretion direct such lienor or other
2 person to be brought in by like amendment. The order to be entered on
3 such application shall provide the time for and manner of serving the
4 pleading of such additional lienor or other person and shall direct that
5 the pleadings, papers and proceedings of the other several parties in
6 such action, shall be deemed amended, so as not to require the making or
7 serving of papers other than said order to effectuate such amendment,
8 and shall further provide that the allegations in the answer of such
9 additional lienor or other person shall, for the purposes of the action,
10 be deemed denied by the other parties therein. The action shall be so
11 conducted by the court as not to cause substantially any delay in the
12 trial thereof. The bringing in of such additional lienor or other
13 person shall be without prejudice to the proceedings had, and if the
14 action be on the calendar of the court, same shall retain its place on
15 such calendar without the necessity of serving a new note of issue and
16 new notices of trial.

17 § 26. Subdivision 3 of section 199-a of the labor law, as amended by
18 chapter 564 of the laws of 2010, is amended to read as follows:

19 3. Each employee and his or her authorized representative shall be
20 notified in writing, of the termination of the commissioner's investi-
21 gation of the employee's complaint and the result of such investigation,
22 of any award and collection of back wages and civil penalties, and of
23 any intent to seek criminal penalties. In the event that criminal penal-
24 ties are sought the employee and his or her authorized representative
25 shall be notified of the outcome of prosecution.

26 § 27. Subdivision 2 of section 663 of the labor law, as amended by
27 chapter 564 of the laws of 2010, is amended to read as follows:

28 2. By commissioner. On behalf of any employee paid less than the wage
29 to which the employee is entitled under the provisions of this article,
30 the commissioner may bring any legal action necessary, including admin-
31 istrative action, to collect such claim, and the employer shall be
32 required to pay the full amount of the underpayment, plus costs, and
33 unless the employer proves a good faith basis to believe that its under-
34 payment was in compliance with the law, an additional amount as liqui-
35 dated damages. Liquidated damages shall be calculated by the commission-
36 er as no more than one hundred percent of the total amount of
37 underpayments found to be due the employee. In any action brought by the
38 commissioner in a court of competent jurisdiction, liquidated damages
39 shall be calculated as an amount equal to one hundred percent of under-
40 payments found to be due the employee. Each employee or his or her
41 authorized representative shall be notified in writing of the outcome of
42 any legal action brought on the employee's behalf pursuant to this
43 section.

44 § 28. Subdivision 5 of section 6201 of the civil practice law and
45 rules, as amended by chapter 860 of the laws of 1977 and as renumbered
46 by chapter 618 of the laws of 1992, is amended and a new subdivision 6
47 is added to read as follows:

48 5. the cause of action is based on a judgment, decree or order of a
49 court of the United States or of any other court which is entitled to
50 full faith and credit in this state, or on a judgment which qualifies
51 for recognition under the provisions of article 53[+] of this chapter;
52 or

53 6. the cause of action is based on wage claims. "Wage claims," when
54 used in this chapter, shall include any claims of violations of articles
55 five, six, and nineteen of the labor law, section two hundred fifteen of
56 the labor law, and the related regulations or wage orders promulgated by

1 the commissioner of labor, including but not limited to any claims of
2 unpaid, minimum, overtime, and spread-of-hours pay, unlawfully retained
3 gratuities, unlawful deductions from wages, unpaid commissions, unpaid
4 benefits and wage supplements, and retaliation, and any claims pursuant
5 to 18 U.S.C. § 1595, 29 U.S.C. § 201 et seq., and/or employment contract
6 as well as the concomitant liquidated damages and penalties authorized
7 pursuant to the labor law, the Fair Labor Standards Act, or any employ-
8 ment contract.

9 § 29. Section 6210 of the civil practice law and rules, as added by
10 chapter 860 of the laws of 1977, is amended to read as follows:

11 § 6210. Order of attachment on notice; temporary restraining order;
12 contents. Upon a motion on notice for an order of attachment, the court
13 may, without notice to the defendant, grant a temporary restraining
14 order prohibiting the transfer of assets by a garnishee as provided in
15 subdivision (b) of section 6214. When attachment is sought pursuant to
16 subdivision six of section 6201, and if the employer contests the
17 motion, the court shall hold a hearing within ten days of when the
18 employer's response to plaintiffs' motion for attachment is due. The
19 contents of the order of attachment granted pursuant to this section
20 shall be as provided in subdivision (a) of section 6211.

21 § 30. Subdivision (b) of section 6211 of the civil practice law and
22 rules, as amended by chapter 566 of the laws of 1985, is amended to read
23 as follows:

24 (b) Confirmation of order. Except where an order of attachment is
25 granted on the ground specified in subdivision one or six of section
26 6201, an order of attachment granted without notice shall provide that
27 within a period not to exceed five days after levy, the plaintiff shall
28 move, on such notice as the court shall direct to the defendant, the
29 garnishee, if any, and the sheriff, for an order confirming the order of
30 attachment. Where an order of attachment without notice is granted on
31 the ground specified in subdivision one or six of section 6201, the
32 court shall direct that the statement required by section 6219 be served
33 within five days, that a copy thereof be served upon the plaintiff, and
34 the plaintiff shall move within ten days after levy for an order
35 confirming the order of attachment. If the plaintiff upon such motion
36 shall show that the statement has not been served and that the plaintiff
37 will be unable to satisfy the requirement of subdivision (b) of section
38 6223 until the statement has been served, the court may grant one exten-
39 sion of the time to move for confirmation for a period not to exceed ten
40 days. If plaintiff fails to make such motion within the required period,
41 the order of attachment and any levy thereunder shall have no further
42 effect and shall be vacated upon motion. Upon the motion to confirm, the
43 provisions of subdivision (b) of section 6223 shall apply. An order of
44 attachment granted without notice may provide that the sheriff refrain
45 from taking any property levied upon into his actual custody, pending
46 further order of the court.

47 § 31. Subdivisions (b) and (e) of rule 6212 of the civil practice law

55 dollars, a specified part thereof conditioned that the plaintiff shall
56 pay to the defendant all costs and damages, including reasonable attor-

ney's fees, which may be sustained by reason of the attachment if the defendant recovers judgment or if it is finally decided that the plaintiff was not entitled to an attachment of the defendant's property, and the balance conditioned that the plaintiff shall pay to the sheriff all of his allowable fees.

2. On a motion for an attachment pursuant to subdivision six of section 6201, the court shall order that the plaintiff give an accessible undertaking of no more than five hundred dollars, or in the alternative, may waive the undertaking altogether.
