42 scholarships or grants provided to a recipient by the institution which  
43 are intended to fund any portion of the difference between the annual  
44 award amount and the actual costs of attendance at any such institution  
45 shall not be considered to duplicate the purposes of this program.

46 (b) Nothing contained in this section shall modify or eliminate the

2 higher education scholarship pilot program has matriculated in an under-  
3 graduate institution of the state university of New York, the city
