Provided that, except in municipalities where a state-funded anti-poverty task force or initiative already exists and is receiving or has received State funding for such purpose, the mayor of each municipality, or in the case of the Bronx, the borough president, will select a not-for-profit organization that provides services in the municipality, or in the case of the Bronx, the borough, to serve as the local coordinator of each such local task force. Provided further that, except in municipalities where a state-funded antipoverty task force or initiative already exists and is receiving or has received funding, each such taskforce shall make efforts to be comprised of, but not limited to, the following members: representatives from municipal, county, and/or state government; individuals who have lived in or currently live in households in poverty; individuals and advocates representing local not-for-profit and community organizations; representatives from local school districts; and representatives from local social services districts.
