greater of tiers A through E plus (3) the community schools setaside
increase.

For the purposes of this paragraph, "foundation aid remaining" shall
mean the positive difference, if any, of (1) total foundation aid
computed pursuant to this subdivision less (2) the total foundation aid
base computed pursuant to subparagraph (iii) of paragraph j of subdivi-
sion one of this section.

For the purposes of this paragraph:

(i) "Tier A" shall equal the product of the foundation aid remaining
multiplied by (A) for a city school district in a city with a population
of one million or more, twenty-six thousand three hundred sixty-seven
one hundred-thousandths (0.26367), (B) for city school districts in
cities with populations greater than one hundred and twenty-five thou-
sand but less than one million, eighteen one-hundredths (0.18), and (C)
for all other districts, four one-hundredths (0.04).

(ii) "Tier B" shall equal the product of the foundation aid remaining
multiplied by the Tier B phase-in factor, where the "Tier B phase-in
factor" shall equal the product of nine one-hundredths (0.09) multiplied
by the Tier B scaled factor, and where the "Tier B scaled factor" shall
equal the difference of one less the squared product of the pupil wealth
ratio computed pursuant to paragraph a of subdivision three of this
section multiplied by sixty-four one-hundredths (0.64), provided that
such difference shall be no greater than nine tenths (0.9) nor less than
zero.

(iii) "Tier C" shall equal, for school districts with a modified free-
and reduced-price lunch index of one and one-half (1.5) or greater, the
product of public school district enrollment as computed pursuant to
paragraph n of subdivision one of this section for the base year multi-

pursuant to subparagraph two of paragraph a of this subdivision for such
school district multiplied by (C) the modified free and reduced-price
lunch index multiplied by (D) the difference of two less the product of
one and one-half (1.5) multiplied by the combined wealth ratio for total
foundation aid computed pursuant to subparagraph two of paragraph c of
subdivision three of this section, provided that such difference shall
be no greater than nine tenths (0.9) nor less than zero, and where the
"modified free and reduced-price lunch index" shall equal the quotient
arrived at when dividing the three year average free and reduced-price
lunch percent for the current year computed pursuant to paragraph p of
subdivision one of this section of the school district by the statewide
average of such percent excluding any city school district in a city

with a population of one million or more.

(iv) "Tier D" shall equal the product of the extraordinary needs count
computed pursuant to paragraph s of subdivision one of this section
multiplied by the Tier D per pupil amount, where "Tier D per pupil
amount" shall equal the product of (A) two hundred five dollars ($205)
multiplied by (B) the sum of one plus the sparsity factor computed
pursuant to paragraph r of subdivision one of this section multiplied by
(C) the extraordinary needs index multiplied by (D) the tier D scaled
factor, where the "extraordinary needs index" shall equal the quotient
of the extraordinary needs percent for the district computed pursuant to
paragraph w of subdivision one of this section divided by the statewide
average of such percent, and where the "tier D scaled factor" shall
equal the difference of one and thirty-seven one-hundredths (1.37) less
the squared product of the pupil wealth ratio computed pursuant to para-
graph a of subdivision three of this section multiplied by one and twen-
ny-four one-hundredths (1.24), provided that such tier D scaled factor
shall not be less than zero nor more than one.

(v) "Tier E" shall equal the greater of the due minimum or the differ-
ence of the due minimum less the hold harmless, where "due minimum"
shall equal the product of the total foundation aid base computed pursu-
ant to subparagraph (iii) of paragraph j of subdivision one of this
section multiplied by twenty-five ten-thousandths (0.0025), and where
the "hold harmless" shall equal adjusted foundation aid less the total
foundation aid base computed pursuant to subparagraph (iii) of paragraph
j of subdivision one of this section.

(vi) For the two thousand twenty--two thousand twenty-one school year,
"adjusted foundation aid" shall equal the sum of the total amounts set
forth for such school district as "FOUNDATION AID PER-ADJ", "2020-21
EST. BOCES AID", "2020-21 COMPUTER ADMIN AID", "2020-21 CAREER EDUCATION
AID", "2020-21 ACADEMIC IMPROVMT AID", "2020-21 HARDWARE & TECHNOL AID",

"ACADEMIC ENHANCEMENT", "HIGH TAX AID", and "SUPP PUB EXCESS COST" in
the data file produced by the commissioner in support of the executive
budget request for the two thousand twenty--two thousand twenty-one
school year and entitled "BT202-1".

(vii) "Community schools setaside increase" shall equal the sum of the
community schools tier 1 increase and the community schools tier 2
increase, where (A) the community schools tier 1 increase shall equal,
for eligible school districts, the greater of thirty thousand dollars
($30,000) or the product of (1) sixty-six dollars and five cents
($66.05) multiplied by (2) the public school district enrollment as
computed pursuant to paragraph n of subdivision one of this section
multiplied by (3) the community schools setaside ratio and (B) the
community schools tier 2 increase shall equal, for eligible school
districts, the greater of twenty-five thousand dollars ($25,000) or the
product of (1) forty-three dollars and ninety-four cents ($43.94) multi-
plied by (2) the public school district enrollment as computed pursuant
to paragraph n of subdivision one of this section multiplied by (3) the
community schools setaside ratio. Provided further, the "community
schools setaside ratio" shall equal the difference of one less the prod-
uct of the combined wealth ratio for total foundation aid computed
pursuant to subparagraph two of paragraph c of subdivision three of this
section multiplied by sixty-four one-hundredths (0.64), provided that
such difference shall not be greater than nine tenths (0.9) nor less than zero.

For purposes of this subparagraph, districts eligible for the community schools tier 1 increase shall be (A) those districts that contain at least one school identified as a Comprehensive Support & Improvement (CSI) School in the two thousand eighteen--two thousand nineteen school year, or (B) districts where (1) the difference of the quotient of the English language learner count computed pursuant to paragraph o of subdivision one of this section for the base year divided by public school district enrollment for the school year five years prior to the base year is greater than or equal to the statewide average of the difference of such quotients, and (2) where the quotient arrived at when dividing the English language learner count for the base year by public school district enrollment for the base year is greater than or equal to the statewide average of such quotient, and (3) where the combined wealth ratio for total foundation aid computed pursuant to subparagraph two of paragraph c of subdivision three of this section is less than or equal to one (1.0).

For purposes of this subparagraph, districts eligible for the community schools tier 2 increase shall be those that did not receive funds under the community schools setaside for the two thousand nineteen--two thousand twenty school year, are not eligible for the community schools tier 1 increase, and have a combined wealth ratio for total foundation aid computed pursuant to subparagraph two of paragraph c of subdivision three of this section less than or equal to eighty-four one-hundredths (0.84).

§ 20. Subdivision 3 of section 3602 of the education law is amended by adding a new paragraph h to read as follows:

h. Inflation-enrollment index. For the two thousand twenty-one--two thousand twenty-two school year and thereafter, the inflation-enrollment index shall equal the greater of (1) the consumer price index computed pursuant to paragraph hh of subdivision one of this section, (2) the sum of the consumer price index plus the five-year resident public-nonpublic enrollment index computed pursuant to paragraph x of this subdivision, or (3) zero.

a. In addition to the foregoing apportionment, there shall be apportioned to any school district for pupil transportation, the lesser of ninety per centum or the state share of its approved transportation expense for the base year. The state share shall equal the sum of the transportation sparsity adjustment and the transportation aid ratio, but not less than six and one-half percent. The transportation aid ratio shall equal the greater of (i) the product of one and two hundred sixty-three thousandths multiplied by the state sharing ratio, (ii) an aid ratio computed by subtracting from one and one hundredth the product computed to three decimals without rounding obtained by multiplying the resident weighted average daily attendance wealth ratio by forty-six percent, where such aid ratio shall be expressed as a decimal carried to three places without rounding, provided that commencing with the two thousand twenty-one--two thousand twenty-two school year and thereafter, such aid ratio shall be zero, or (iii) excluding cities with a population of more than one million, an aid ratio computed by subtracting from one and one hundredth the product computed to three decimal places without rounding obtained by multiplying the number computed to three decimals without rounding obtained when the quotient of actual valuation of a school district, as defined in paragraph c of subdivision one of this section, divided by the sum of the resident public school district enrollment, the resident nonpublic school district enrollment and the additional public school enrollment of the school district for the year prior to the base year is divided by the statewide average actual valuation per the sum of such total resident public school district enrollment, nonpublic school district enrollment and additional public school enrollment of all school districts eligible for an apportionment pursuant to this section except central high school districts as computed by the commissioner using the latest single year actual valuation computed
under paragraph c of subdivision one of this section, by forty-six percent, where such ratio shall be expressed as a decimal carried to three decimal places without rounding. The computation of such statewide average shall include the actual valuation of all school districts eligible for an apportionment pursuant to this section except central high school districts. The transportation sparsity adjustment shall equal the quotient of: the positive remainder of twenty-one minus the district’s public school enrollment for the year prior to the base year per square mile, divided by three hundred seventeen and eighty-eight hundredths. a. State aid adjustments. All errors or omissions in the apportionment shall be corrected by the commissioner. Whenever a school district has been apportioned less money than that to which it is entitled, the commissioner may allot to such district the balance to which it is entitled. Whenever a school district has been apportioned more money than that to which it is entitled, the commissioner may, by an order, direct such moneys to be paid back to the state to be credited to the general fund local assistance account for state aid to the schools, or may deduct such amount from the next apportionment to be made to said district, provided, however, that, upon notification of excess payments of aid for which a recovery must be made by the state through deduction of future aid payments, a school district may request that such excess payments be recovered by deducting such excess payments from the payments due to such school district and payable in the month of June in (i) the school year in which such notification was received and (ii) the two succeeding school years, provided further that there shall be no interest penalty assessed against such district or collected by the state. Such request shall be made to the commissioner in such form as the commissioner shall prescribe, and shall be based on documentation that the total amount to be recovered is in excess of one percent of the district’s total general fund expenditures for the preceding school year. The amount to be deducted in the first year shall be the greater of (i) the sum of the amount of such excess payments that is recognized as a liability due to other governments by the district for the preceding school year and the positive remainder of the district's unreserved fund balance at the close of the preceding school year less the product of the district's total general fund expenditures for the preceding school year multiplied by five percent, or (ii) one-third of such excess payments. The amount to be recovered in the second year shall equal the lesser of the remaining amount of such excess payments to be recovered or one-third of such excess payments, and the remaining amount of such excess payments shall be recovered in the third year. Provided further that, notwithstanding any other provisions of this subdivision, any pending payment of moneys due to such district as a prior year adjustment payable pursuant to paragraph c of this subdivision for aid claims that had been previously paid as current year aid payments in excess of the amount to which the district is entitled and for which recovery of excess payments is to be made pursuant to this paragraph, shall be reduced at the time of actual payment by any remaining unrecovered balance of such excess payments, and the remaining scheduled deductions of such excess payments pursuant to this paragraph shall be reduced by the commissioner to reflect the amount so recovered. [The commissioner shall certify no payment to a school district based on a claim submitted later than three years after the close of the school year in which such payment was first to be made. For claims for which payment is first to be made in the nineteen hundred ninety-six--ninety-seven school year, the commissioner shall certify no payment to a school district based on a claim submitted later than two years after the close of such school year.] For claims for which payment is first to be made [in the nineteen hundred ninety-seven--ninety-eight] prior to the two thousand nineteen--two thousand twenty school year [and thereafter], the commissioner shall certify no payment to a school district based on a claim submitted later than one year after the close of such school year. For claims for
which payment is first to be made in the two thousand nineteen–two
thousand twenty school year and thereafter, the commissioner shall
certify no payment to a school district based on a claim submitted later
than the first of November of such school year. Provided, however, no
payments shall be barred or reduced where such payment is required as a
result of a final audit of the state. [It is further provided that,
until June thirtieth, nineteen hundred ninety-six, the commissioner may
grant a waiver from the provisions of this section for any school
district if it is in the best educational interests of the district
pursuant to guidelines developed by the commissioner and approved by the
director of the budget.] Further provided that for any apportionments
provided pursuant to sections seven hundred one, seven hundred eleven,
seven hundred fifty-one, seven hundred fifty-three, nineteen hundred
fifty, thirty-six hundred two, thirty-six hundred two-b, thirty-six
hundred two-c, thirty-six hundred two-e and forty-four hundred five of
this chapter for the two thousand nineteen–two thousand twenty and two
thousand twenty–two thousand twenty–one school years, the commissioner
shall certify no payment to a school district, other than payments
pursuant to subdivisions six-a, eleven, thirteen and fifteen of section
thirty-six hundred two of this part, in excess of the payment computed
based on an electronic data file used to produce the school aid computer
listing produced by the commissioner in support of the executive budget
request submitted for the two thousand twenty–two thousand twenty–one
state fiscal year and entitled "BT202-1", and further provided that for
any apportionments provided pursuant to sections thirty-six hundred two,
thirty-six hundred two-b, thirty-six hundred two-c, thirty-six hundred
two-e and forty-four hundred five of this chapter for the two thousand
twenty–one–two thousand twenty–two school year and thereafter, the
commissioner shall certify no payment to a school district, other than

district, school or board of cooperative educational services pursuant
to section forty-four hundred two or section forty-four hundred three of
this article, and regulations promulgated thereunder, for a specific
school year. Such application must be submitted at least sixty days in
advance of the proposed date on which the waiver would be effective and
shall be in a form prescribed by the commissioner.

2. Before submitting an application for a waiver, the local school
district, approved private school or board of cooperative educational
services shall provide notice of the proposed waiver to the parents or
persons in parental relationship to the students that would be impacted
by the waiver if granted. Such notice shall be in a form and manner that
will ensure that such parents and persons in parental relationship will
be aware of all relevant changes that would occur under the waiver, and
shall include information on the form, manner and date by which parents
may submit written comments on the proposed waiver. The local school
district, approved private school, or board of cooperative educational
services shall provide at least sixty days for such parents and persons
in parental relationship to submit written comments, and shall include
in the waiver application submitted to the commissioner pursuant to
subdivision one of this section any written comments received from such

3. The commissioner may grant a waiver from any requirement imposed on
a local school district, approved private school or board of cooperative
educational services pursuant to section forty-four hundred two or
section forty-four hundred three of this article, upon a finding that
such waiver will enable a local school district, approved private school
or board of cooperative educational services to implement an innovative
special education program that is consistent with applicable federal
requirements, and will enhance student achievement and/or opportunities
for placement in regular classes and programs. In making such determi-
nation, the commissioner shall consider any comments received by the
local school district, approved private school or board of cooperative
educational services from parents or persons in parental relation to the
students that would be directly affected by the waiver if granted.

4. Any local school district, approved private school or board of
cooperative educational services granted a waiver shall submit an annual
report to the commissioner regarding the operation and evaluation of the

limits established by this subdivision shall be issued by the board of
regents upon application directly to the board of regents or on the

first, two thousand fifteen, and no more, shall be granted to a charter
for a school to be located in a city having a population of one million
or more. The failure of any body to issue the regulations authorized
pursuant to this article shall not affect the authority of a charter
entity to propose a charter to the board of regents or the board of
regents' authority to grant such charter. A conversion of an existing
public school to a charter school, or the renewal or extension of a
charter approved by any charter entity, **or the reissuance of a surren-
dered, revoked or terminated charter pursuant to paragraph (b) or (b-1)**
of this subdivision shall not be counted toward the numerical limits
established by this subdivision.
(b) A charter that has been surrendered, revoked or terminated on or

to paragraph (a) of this subdivision by the board of regents either
upon application directly to the board of regents or on the recommenda-
tion of the board of trustees of the state university of New York pursuant
to a competitive process in accordance with subdivision nine-a of
this section. Provided that such reissuance shall not be counted toward
the statewide numerical limit established by this subdivision, and
provided further that no more than twenty-two charters may be reissued
pursuant to this paragraph.
(b-1) Notwithstanding any provision of law to the contrary, a charter
that has been surrendered, revoked or terminated after July first, two
thousand fifteen, including a charter that has not been renewed by
action of its charter entity, may be reissued pursuant to paragraph (a)
of this subdivision by the board of regents either upon application
directly to the board of regents or on the recommendation of the board
of trustees of the state university of New York pursuant to a compet-
itive process in accordance with subdivision nine-a of this section.
Provided that such reissuance shall not be counted toward the numerical
limits established by this subdivision.
(c) For purposes of determining the total number of charters issued
within the numerical limits established by this subdivision, the
approval date of the charter entity shall be the determining factor.
(d) Notwithstanding any provision of this article to the contrary, any
charter authorized to be issued by chapter fifty-seven of the laws of
two thousand seven effective July first, two thousand seven, and that
remains unissued as of July first, two thousand fifteen, may be issued
pursuant to the provisions of law applicable to a charter authorized to
be issued by such chapter in effect as of June fifteenth, two thousand
fifteen; provided however that nothing in this paragraph shall be
construed to increase the numerical limit applicable to a city having a
population of one million or more as provided in paragraph (a) of this
subdivision, as amended by [a] **subpart A of part B of** chapter twenty
of the laws of two thousand fifteen [which added this paragraph].

1850, to be maintained and followed in all the schools of the state. The
boards of education and trustees of the several cities and school
districts of the state shall require instruction to be given in such
courses, by the teachers employed in the schools therein. All pupils attending such schools, over the age of eight years, shall attend upon such instruction.

Similar courses of instruction shall be prescribed and maintained in private schools in the state, and all pupils in such schools over eight years of age shall attend upon such courses. If such courses are not so established and maintained in a private school, attendance upon instruction in such school shall not be deemed substantially equivalent to instruction given to pupils of like age in the public schools of the city or district in which such pupils reside.

3. The regents shall determine the subjects to be included in such courses of instruction in patriotism, citizenship, and human rights issues, with particular attention to the study of the inhumanity of genocide, slavery (including the freedom trail and underground railroad), the Holocaust, civic education and values, our shared history of diversity, the role of religious freedom in this country, and the mass starvation in Ireland from 1845 to 1850, and in the history, meaning, significance and effect of the provisions of the constitution of the United States, the amendments thereto, the declaration of independence, the constitution of the state of New York and the amendments thereto, and the period of instruction in each of the grades in such subjects.

The commissioner shall be responsible for the enforcement of such section and shall cause to be inspected and supervise the instruction to be given in such subjects. The commissioner may, in his discretion, cause all or a portion of the public school money to be apportioned to a district or city to be withheld for failure of the school authorities of such district or city to provide instruction in such courses and to compel attendance upon such instruction, as herein prescribed, and for a non-compliance with the rules of the regents adopted as herein provided.

finds and declares that the establishment of the school is a necessary
component to the development of the greater central New York region of
New York state and a necessary link to fostering the development and
advancement of the arts and emerging technologies. This school will
advance the interests of the central New York region and New York state
by engaging students in rigorous and enriching educational experiences
focused on the arts and emerging technologies, project-based learning
and collaboration and by providing that experience within the context of
a business and learning community for the purpose of directly connecting
student learning with real world experience in the arts and advanced
technical facilities. It is expressly found that the establishment and
operation of such school pursuant to this act is a public purpose.
§ 2. Establishment of the Syracuse Comprehensive Education and Work-

Such memorandum of understanding shall set forth a methodology for the calculation of per pupil tuition costs that shall be subject to review and approval by the commissioner.

10. Any student eligible for enrollment in grades nine through twelve of a public school entering into a memorandum of understanding with the board of education of the Syracuse city school district to enroll students in the Syracuse Comprehensive Education and Workforce Training Center shall be eligible for admission to the high school. If the total project costs associated with such project exceed the approved cost allowance of such building project pursuant to section three of this act, and the county has not otherwise demonstrated to the satisfaction of the New York state department of education the availability of additional local shares for such excess costs from the city of Syracuse and/or the Syracuse city school district, then the county shall not proceed with the preparation of final plans and specifications for such project until the project has been redesigned or value-engineered to reduce estimated project costs so as not to exceed the above cost limits.

13. Notwithstanding any other provision of law to the contrary, the county of Onondaga shall submit estimated project costs for the renovation and equipping of the Syracuse Comprehensive Education Workforce and Training Center after the completion of fifty percent of the final plans and specifications for review by the commissioner of education. If the total project costs associated with such project exceed the approved cost allowance of such building project pursuant to section three of this act, and the county has not otherwise demonstrated to the satisfaction of the New York state department of education the availability of additional local share for such excess costs from the city of Syracuse and/or the Syracuse city school district, then the county shall not proceed with the completion of the remaining fifty percent of the plans and specifications for such project until the project has been redesigned or value-engineered to reduce estimated project costs so as to not exceed the above cost limits.

PART D

Section 1. Subparagraph 4 of paragraph h of subdivision 2 of section
355 of the education law, as amended by section 1 of part JJJ of chapter
59 of the laws of 2017, is amended to read as follows:
(4) The trustees shall not impose a differential tuition charge based
upon need or income. Except as hereinafter provided, all students
enrolled in programs leading to like degrees at state-operated insti-
tutions of the state university shall be charged a uniform rate of
tuition except for differential tuition rates based on state residency.
Provided, however, that the trustees may authorize the presidents of the
colleges of technology and the colleges of agriculture and technology to
set differing rates of tuition for each of the colleges for students
enrolled in degree-granting programs leading to an associate degree and
non-degree granting programs so long as such tuition rate does not
exceed the tuition rate charged to students who are enrolled in like
degree programs or degree-granting undergraduate programs leading to a
baccalaureate degree at other state-operated institutions of the state
university of New York. Notwithstanding any other provision of this
subparagraph, the trustees may authorize the setting of a separate cate-
gory of tuition rate, that shall be greater than the tuition rate for
resident students and less than the tuition rate for non-resident
students, only for students enrolled in distance learning courses who
are not residents of the state. Except as otherwise authorized in this
subparagraph, the trustees shall not adopt changes affecting tuition
charges prior to the enactment of the annual budget, provided however
that:
(i) Commencing with the two thousand eleven--two thousand twelve
academic year and ending in the two thousand fifteen--two thousand
sixteen academic year the state university of New York board of trustees
shall be empowered to increase the resident undergraduate rate of
tuition by not more than three hundred dollars over the resident under-
graduate rate of tuition adopted by the board of trustees in the prior
academic year, provided however that commencing with the two thousand
eleven--two thousand twelve academic year and ending in the two thousand
sixteen--two thousand seventeen academic year if the annual resident
undergraduate rate of tuition would exceed five thousand dollars, then a
tuition credit for each eligible student, as determined and calculated
by the New York state higher education services corporation pursuant to
section six hundred eighty-nine-a of this title, shall be applied toward
the tuition charged for each semester, quarter or term of study. Tuition
for each semester, quarter or term of study shall not be due for any
student eligible to receive such tuition credit until the tuition credit
is calculated and applied against the tuition charged for the corre-
sponding semester, quarter or term.
(ii) Commencing with the two thousand seventeen--two thousand eighteen
academic year and ending in the two thousand twenty--two thousand two-
ty-one academic year the state university of New York board of trustees shall be empowered to increase the resident undergraduate rate of tuition by not more than two hundred dollars over the resident undergraduate rate of tuition adopted by the board of trustees in the prior academic year, provided, however that if the annual resident undergraduate rate of tuition would exceed five thousand dollars, then a tuition credit for each eligible student, as determined and calculated by the New York state higher education services corporation pursuant to section six hundred eighty-nine-a of this title, shall be applied toward the tuition charged for each semester, quarter or term of study. Tuition for each semester, quarter or term of study shall not be due for any student eligible to receive such tuition credit until the tuition credit is calculated and applied against the tuition charged for the corresponding semester, quarter or term. Provided, further that the revenue resulting from an increase in the rate of tuition shall be allocated to each campus pursuant to a plan approved by the board of trustees to support investments in new classroom faculty, instruction, initiatives to improve student success and on-time completion and a tuition credit for each eligible student.

(iii) Commencing with the two thousand twenty-one--two thousand twenty-two academic year and ending in the two thousand twenty-four--two thousand twenty-five academic year the state university of New York board of trustees shall be empowered to increase the resident undergraduate rate of tuition by no more than two hundred dollars over the resident undergraduate rate of tuition adopted by the board of trustees in the prior academic year, provided, however that if the annual resident undergraduate rate of tuition would exceed five thousand dollars, then a tuition credit for each eligible student, as determined and calculated by the New York state higher education services corporation pursuant to section six hundred eighty-nine-a of this title, shall be applied toward the tuition charged for each semester, quarter or term of study. Tuition for each semester, quarter or term of study shall not be due for any student eligible to receive such tuition credit until the tuition credit is calculated and applied against the tuition charged for the corresponding semester, quarter or term. Provided further that the revenue resulting from an increase in the rate of tuition shall be allocated to each campus pursuant to a plan approved by the board of trustees to support investments in new classroom faculty, instruction, initiatives to improve student success and on-time completion and a tuition credit for each eligible student.

(iv) On or before November thirtieth, two thousand seventeen, the trustees shall approve and submit to the chairs of the assembly ways and means committee and the senate finance committee and to the director of the budget a master tuition plan setting forth the tuition rates that the trustees propose for resident undergraduate students for the four year period commencing with the two thousand seventeen--two thousand eighteen academic year and ending in the two thousand twenty-four--two thousand twenty-five academic year, and shall submit any proposed amendments to such plan by November thirtieth of each subsequent year thereafter through November thirtieth, two thousand twenty-four, and provided further, that with the approval of the board of trustees, each university center may increase non-resident undergraduate tuition rates each year by not more than ten percent over the tuition rates of the prior academic year for a six year period commencing with the two thou-
sand eleven--two thousand twelve academic year and ending in the two
thousand sixteen--two thousand seventeen academic year.

Beginning in state fiscal year two thousand twelve--two
thousand thirteen and ending in state fiscal year two thousand fifteen--
thousand sixteen, the state shall appropriate and make available
general fund operating support, including fringe benefits, for the state
university in an amount not less than the amount appropriated and made
available in the prior state fiscal year; provided, however, that if the
governor declares a fiscal emergency, and communicates such emergency to
the temporary president of the senate and speaker of the assembly, state
support for operating expenses at the state university and city univer-
sity may be reduced in a manner proportionate to one another, and the
aforementioned provisions shall not apply.

Beginning in state fiscal year two thousand seventeen--two
thousand eighteen and ending in state fiscal year two thousand twenty--
thousand twenty-one, the state shall appropriate and make available
general fund operating support, including fringe benefits, for the state
university in an amount not less than the amount appropriated and made
available in the prior state fiscal year; provided, however, that if the
governor declares a fiscal emergency, and communicates such emergency to
the temporary president of the senate and speaker of the assembly, state
support for operating expenses at the state university and city univer-
sity may be reduced in a manner proportionate to one another, and the
aforementioned provisions shall not apply; provided further, the state
shall appropriate and make available general fund support to fully fund
the tuition credit pursuant to subdivision two of section six hundred
sixty-nine--h of this title.

For the state university fiscal years commencing two
thousand eleven--two thousand twelve and ending two thousand fifteen--
thousand sixteen, each university center may set aside a portion of
its tuition revenues derived from tuition increases to provide increased
financial aid for New York state resident undergraduate students whose
net taxable income is eighty thousand dollars or more subject to the
approval of a NY-SUNY 2020 proposal by the governor and the chancellor
of the state university of New York. Nothing in this paragraph shall be
construed as to authorize that students whose net taxable income is
eighty thousand dollars or more are eligible for tuition assistance
program awards pursuant to section six hundred sixty-seven of this
chapter.

§ 2. Paragraph h of subdivision 2 of section 355 of the education law
is amended by adding a new paragraph 4-a to read as follows:
(4-a) Notwithstanding any law, rule, regulation, or practice to the
contrary and following the review and approval of the chancellor of the

divisions and faculties; appoint and in accordance with the provisions
of law fix salaries of instructional and non-instructional employees
therein; establish and conduct courses and curricula; prescribe condi-
tions of student admission, attendance and discharge; and shall have the
power to determine in its discretion whether tuition shall be charged
and to regulate tuition charges, and other instructional and non-in-
structional fees and other fees and charges at the educational units of
the city university. The trustees shall review any proposed community
college tuition increase and the justification for such increase. The
justification provided by the community college for such increase shall
include a detailed analysis of ongoing operating costs, capital, debt
service expenditures, and all revenues. The trustees shall not impose a
differential tuition charge based upon need or income. All students
enrolled in programs leading to like degrees at the senior colleges
shall be charged a uniform rate of tuition, except for differential
tuition rates based on state residency. Notwithstanding any other
provision of this paragraph, the trustees may authorize the setting of a
separate category of tuition rate, that shall be greater than the
tuition rate for resident students and less than the tuition rate for
non-resident students, only for students enrolled in distance learning
courses who are not residents of the state; provided, however, that:

academic year and ending in the two thousand fifteen--two thousand
sixteen academic year, the city university of New York board of trustees
shall be empowered to increase the resident undergraduate rate of
tuition by not more than three hundred dollars over the resident under-

Tuition for each semester, quarter or term of study shall not be due for any student eligible to receive such tuition credit until the tuition credit is calculated and applied against the tuition charged for the corresponding semester, quarter or term. Provided, further that the revenue resulting from an increase in the rate of tuition shall be allocated to each campus pursuant to a plan approved by the board of trustees to support investments in new classroom faculty, instruction, initiatives to improve student success and on-time completion and a tuition credit for each eligible student.

(iv) On or before November thirtieth, two thousand [seventeen] twenty-one, the trustees shall approve and submit to the chairs of the assembly ways and means committee and the senate finance committee and to the director of the budget a master tuition plan setting forth the tuition rates that the trustees propose for resident undergraduate students for the four year period commencing with the two thousand [seventeen] twenty-one--two thousand [eighteen] twenty-two academic year and ending in the two thousand [twenty] twenty-four--two thousand [twenty--one] twenty-five academic year, and shall submit any proposed amendments to such plan by November thirtieth of each subsequent year thereafter through November thirtieth, two thousand [twenty] twenty-four.
Beginning in state fiscal year two thousand twelve--two thousand thirteen and ending in state fiscal year two thousand fifteen--two thousand sixteen, the state shall appropriate and make available state support for operating expenses, including fringe benefits, for the city university in an amount not less than the amount appropriated and made available in the prior state fiscal year; provided, however, that if the governor declares a fiscal emergency, and communicates such emergency to the temporary president of the senate and speaker of the assembly, state support for operating expenses of the state university and city university may be reduced in a manner proportionate to one another, and the aforementioned provisions shall not apply.

PART G

Section 1. Section 1503 of the business corporation law is amended by adding a new paragraph (h) to read as follows:

(h) Any firm established for the business purpose of incorporating as a professional service corporation formed to lawfully engage in the practice of public accountancy, as such practice is respectively defined under article one hundred forty-nine of the education law shall be required to show (1) that a simple majority of the ownership of the firm, in terms of financial interests, and voting rights held by the firm's owners, belongs to individuals licensed to practice public accountancy in some state, and (2) that all shareholders of a professional service corporation whose principal place of business is in this state, and who are engaged in the practice of public accountancy in this state, hold a valid license issued under section seventy-four hundred four of the education law. For purposes of this paragraph, "financial interest" means capital stock, capital accounts, capital contributions, capital interest, or interest in undistributed earnings of a business entity. Although firms may include non-licensee owners, the firm and its owners must comply with rules promulgated by the state board of regents. Notwithstanding the foregoing, a firm incorporated under this section may not have non-licensee owners if the firm's name includes the words "certified public accountant," or "certified public accountants," or the abbreviations "CPA" or "CPAs". Each non-licensee owner of a firm that is incorporated under this section shall be a natural person who actively participates in the business of the firm or its affiliated entities. For purposes of this subdivision, "actively participate" means to provide services to clients or to otherwise individually take part in the day-to-day business or management of the firm. Such a firm shall have attached to its certificate of incorporation a certificate or certificates demonstrating the firm's compliance with this paragraph, in lieu of the certificate or certificates required by subparagraph (ii) of paragraph (b) of this section.

§ 2. Section 1507 of the business corporation law is amended by adding a new paragraph (c) to read as follows:

(c) Any firm established for the business purpose of incorporating as a professional service corporation pursuant to paragraph (h) of section fifteen hundred three of this article may issue shares to individuals who are authorized by law to practice in this state the profession which such corporation is authorized to practice and who are or have been engaged in the practice of such profession in such corporation or a predecessor entity, or who will engage in the practice of such profession in such corporation within thirty days of the date such shares are issued and may also issue shares to employees of the corporation not licensed as certified public accountants, provided that:

(i) at least fifty-one percent of the outstanding shares of stock of the corporation are owned by certified public accountants,

(ii) at least fifty-one percent of the directors are certified public accountants.
(iii) at least fifty-one percent of the officers are certified public accountants.

(iv) the president, the chairperson of the board of directors and the chief executive officer or officers are certified public accountants.

No shareholder of a firm established for the business purpose of incorporating as a professional service corporation pursuant to paragraph (h) of section fifteen hundred three of this article shall enter into a voting trust agreement, proxy or any other type of agreement vesting in another person, other than another shareholder of the same corporation, the authority to exercise voting power of any or all of his or her shares. All shares issued, agreements made or proxies granted in violation of this section shall be void.

§ 3. Section 1508 of the business corporation law is amended by adding a new paragraph (c) to read as follows:

(c) The directors and officers of any firm established for the business purpose of incorporating as a professional service corporation pursuant to paragraph (h) of section fifteen hundred three of this article may include individuals who are not licensed to practice public accountancy, provided however that at least fifty-one percent of the directors, at least fifty-one percent of the officers and the president, the chairperson of the board of directors and the chief executive officer or officers are authorized by law to practice in any state the profession which such corporation is authorized to practice, and are either shareholders of such corporation or engaged in the practice of their professions in such corporation.

§ 4. Section 1509 of the business corporation law, as amended by chapter 550 of the laws of 2011, is amended to read as follows:

§ 1509. Disqualification of shareholders, directors, officers and employees.

If any shareholder, director, officer or employee of a professional service corporation, including a design professional service corporation, who has been rendering professional service to the public becomes legally disqualified to practice his or her profession within this state, he or she shall sever all employment with, and financial interests (other than interests as a creditor) in, such corporation forthwith or as otherwise provided in section 1510 of this article. All provisions of law regulating the rendering of professional services by a person elected or appointed to a public office shall be applicable to a shareholder, director, officer and employee of such corporation in the same manner and to the same extent as if fully set forth herein. Such legal disqualification to practice his or her profession within this state shall be deemed to constitute an irrevocable offer by the disqualified shareholder to sell his or her shares to the corporation, pursuant to the provisions of section 1510 of this article or of the certificate of incorporation, by-laws or agreement among the corporation and all shareholders, whichever is applicable. Compliance with the terms of such offer shall be specifically enforceable in the courts of this state. A professional service corporation's failure to enforce compliance with this provision shall constitute a ground for forfeiture of its certificate of incorporation and its dissolution.

§ 5. Paragraph (a) of section 1511 of the business corporation law, as amended by chapter 550 of the laws of 2011, is amended and a new paragraph (c) is added to read as follows:

(a) No shareholder of a professional service corporation [or], including a design professional service corporation, may sell or transfer his or her shares in such corporation except to another individual who is
eligible to have shares issued to him or her by such corporation or except in trust to another individual who would be eligible to receive shares if he or she were employed by the corporation. Nothing herein contained shall be construed to prohibit the transfer of shares by operation of law or by court decree. No transferee of shares by operation of law or court decree may vote the shares for any purpose whatsoever except with respect to corporate action under sections 909 and 1001 of this chapter. The restriction in the preceding sentence shall not apply, however, where such transferee would be eligible to have shares issued to him or her if he or she were an employee of the corporation and, if there are other shareholders, a majority of such other shareholders shall fail to redeem the shares so transferred, pursuant to section 1510 of this article, within sixty days of receiving written notice of such transfer. Any sale or transfer, except by operation of law or court decree or except for a corporation having only one shareholder, may be made only after the same shall have been approved by the board of directors, or at a shareholders' meeting specially called for such purpose by such proportion, not less than a majority, of the outstanding shares as may be provided in the certificate of incorporation or in the by-laws of such professional service corporation. At such shareholders' meeting the shares held by the shareholder proposing to sell or transfer his or her shares may not be voted or counted for any purpose, unless all shareholders consent that such shares be voted or counted. The certificate of incorporation or the by-laws of the professional service corporation, or the professional service corporation and the shareholders by private agreement, may provide, in lieu of or in addition to the foregoing provisions, for the alienation of shares and may require the redemption or purchase of such shares by such corporation at prices and in a manner specifically set forth therein. The existence of the restrictions on the sale or transfer of shares, as contained in this article and, if applicable, in the certificate of incorporation, by-laws, stock purchase or stock redemption agreement, shall be noted conspicuously on the face or back of every certificate for shares issued by a professional service corporation. Any sale or transfer in violation of such restrictions shall be void.

(c) Each firm established for the business purpose of incorporating as a professional service corporation pursuant to paragraph (h) of section fifteen hundred three of this article shall, at least once every three years on or before the date prescribed by the licensing authority, furnish a statement to the licensing authority listing the names and residence addresses of each shareholder, director and officer of such
corporation and certify as the date of certification and at all times
over the entire three year period that:

(i) at least fifty-one percent of the outstanding shares of stock of
the corporation are and were owned by certified public accountants,
(ii) at least fifty-one percent of the directors are and were certi-
fied public accountants,
(iii) at least fifty-one percent of the officers are and were certi-
fied public accountants,
(iv) the president, the chairperson of the board of directors and the
chief executive officer or officers are and were certified public
accountants.
The statement shall be signed by the president or any certified public
accountant vice-president and attested to by the secretary or any
assistant secretary of the corporation.
§ 7. Paragraph (d) of section 1525 of the business corporation law, as
added by chapter 505 of the laws of 1983, is amended to read as follows:
(d) "Foreign professional service corporation" means a professional
service corporation, whether or not denominated as such, organized under
the laws of a jurisdiction other than this state, all of the sharehold-
ers, directors and officers of which are authorized and licensed to
practice the profession for which such corporation is licensed to do
business; except that all shareholders, directors and officers of a
foreign professional service corporation which provides health services
in this state shall be licensed in this state. A foreign professional
service corporation formed to lawfully engage in the practice of public
accountancy, as such practice is defined under article one hundred
forty-nine of the education law, or equivalent state law, shall be
required to show (1) that a simple majority of the ownership of the
firm, in terms of financial interests, and voting rights held by the
firm's owners, belongs to individuals licensed to practice public
accountancy in some state, and (2) that all shareholders of a foreign
professional service corporation whose principal place of business is in
this state, and who are engaged in the practice of public accountancy in
this state, hold a valid license issued under section seventy-four
hundred four of the education law. For purposes of this paragraph,
"financial interest" means capital stock, capital accounts, capital
contributions, capital interest, or interest in undistributed earnings
of a business entity. Although firms may include non-licensee owners,

Employers shall comply with regulations and guidance promulgated by the commissioner for this purpose which may include but are not limited to standards for the accrual, use, payment, and employee eligibility of sick leave.

3. Employees shall accrue sick leave at a rate of not less than one hour per every thirty hours worked, beginning at the commencement of employment or the effective date of this section, whichever is later, subject to the use and accrual limitations set forth in this section.

4. Employee use of leave. a. Upon the oral or written request of an employee, an employer shall provide sick leave for the following purposes:

i. diagnosis, care, or treatment of an existing health condition of, or preventive care for an employee or an employee's family member, or a ward for which the employee is the guardian; or

ii. for an employee or an employee's family member who is a victim of domestic violence pursuant to subdivision thirty-four of section two hundred ninety-two of the executive law, a sexual offense, stalking, or human trafficking, to avail themselves of services or assistance.

5. Nothing in this section shall be construed to prevent a city with a population of one million or more from enacting or enforcing local laws or ordinances which impose standards or requirements relating to sick leave that are more protective to employees than the accrual, use, payment, and employee eligibility requirements set forth in this section or in any rule or regulation promulgated hereunder.

6. The provisions of section two hundred fifteen of this chapter shall be applicable to the benefits afforded under this section, including, but not limited to, requesting sick leave and using sick leave.

7. An employer is not required to provide additional sick leave pursuant to this section if the employer has a paid leave policy or paid time off policy, the employer makes available an amount of leave applicable to employees that may be used for the same purposes and under the same conditions as specified in this section, and the policy satisfies one of the following:

i. the accrual, carryover, and use requirements of this section or regulations promulgated thereunder;

ii. provided paid sick leave or paid time off to a class of employees before January first, two thousand twenty, pursuant to a paid sick leave policy or paid time off policy that used an accrual method different than that set forth in paragraph a of this subdivision, provided that
the accrual is on a regular basis so that an employee, including an
employee hired into that class after January first two thousand twenty,
has not less than one day of accrued sick leave or paid time off within
two months of employment of each calendar year, or each twelve month
period, and the employee was eligible to earn at least the applicable
number of days set forth in this subdivision within nine months of
employment. If an employer modifies the accrual method used in the poli-
cy it had in place prior to January first, two thousand twenty, the
employer shall comply with any accrual method set forth in this subdivi-
sion or provide the full amount of leave at the beginning of each year
of employment, calendar year, or twelve month period. This section does
not prohibit the employer from increasing the accrual amount or rate for
a class of employees covered by this subdivision; or

iii. is pursuant to a collective bargaining agreement that (a)
expressly waives the rights afforded under this section and (b) such
agreement provides for a comparable benefit for the employees covered by
such agreement in the form of paid days off; such paid days off shall be
in the form of leave, compensation, other employee benefits, or some
combination thereof. Comparable benefits shall include, but are not
limited to, vacation time, personal time, safe/sick time, and holiday
and Sunday time pay at premium rates. Notwithstanding the foregoing, the
provisions of this chapter shall not apply to any employee in the
construction or grocery industry covered by a valid collective bargain-
ing agreement if such provisions are expressly waived in such collective
bargaining agreement.

8. Any paid sick leave benefits provided by a sick leave program
enforced by a municipal corporation in effect as of the effective date
of this chapter that provides sick leave for domestic workers shall not
be diminished or limited as a result of the enactment of this chapter.

§ 2. This act shall take effect one year after it shall have become a
law.

set forth in this article. This proceeding is governed by the civil
practice law and rules.
(b) A judgment of parentage may be issued prior to birth but shall not
become effective until the birth of the child.
(c) A petition for a judgment of parentage or nonparentage of a child
conceived through assisted reproduction may be initiated by (1) a child,
or (2) a parent, or (3) a participant, or (4) a person with a claim to
parentage, or (5) social services official or other governmental agency
authorized by other law, or (6) a representative authorized by law to
act for an individual who would otherwise be entitled to maintain a
proceeding but who is deceased, incapacitated, or a minor, in order to
legally establish the child-parent relationship of either a child born
through assisted reproduction under part three of this article or a
child born pursuant to a surrogacy agreement under part four of this
article.
§ 581-202. Proceeding for judgment of parentage of a child conceived
through assisted reproduction. (a) A proceeding for a judgment of
parentage with respect to a child conceived through assisted reproduc-
tion may be commenced:
(1) if the intended parent or child resides in New York state, in the
county where the intended parent resides any time after pregnancy is
achieved or in the county where the child was born or resides; or
(2) if the intended parent and child do not reside in New York state,
up to ninety days after the birth of the child in the county where the
child was born.
(b) The petition for a judgment of parentage must be verified.
(c) Where a petition includes the following statements, the court must
adjudicate any intended parent to be the parent of the child:
(1) a statement that an intended parent has been a resident of the
state for at least ninety days or if an intended parent is not a New
York state resident, that the child will be or was born in the state
within ninety days of filing; and

intended parent became pregnant as a result of assisted reproduction;
and
(3) in cases where there is a non-gestating intended parent, a state-

parent that the non-gestating intended parent consented to assisted
reproduction pursuant to section 581-304 of this article; and
(4) proof of any donor's donative intent.
(d) The following shall be deemed sufficient proof of a donor's dona-
tive intent for purposes of this section:
(1) in the case of an anonymous donor or where gametes or embryos have
previously been released to a gamete or embryo storage facility or in
the presence of a health care practitioner, either:
(i) a statement or documentation from the gamete or embryo storage
facility or health care practitioner stating or demonstrating that such
gametes or embryos were anonymously donated or had previously been
released; or
(ii) clear and convincing evidence that the gamete or embryo donor
intended to donate gametes or embryos anonymously or intended to release
such gametes or embryos to a gamete or embryo storage facility or health
care practitioner; or
(2) in the case of a donation from a known donor, either: a. a record
from the gamete or embryo donor acknowledging the donation and confirm-

(ii) before two witnesses who are not the intended parents, or
(iii) before a health care practitioner; or

b. clear and convincing evidence that the gamete or embryo donor agreed, prior to conception, with the gestating parent that the donor has no parental or proprietary interest in the gametes or embryos.

(e)(1) In the absence of evidence pursuant to paragraph two of this subdivision, notice shall be given to the donor at least twenty days prior to the date set for the proceeding to determine the existence of donative intent by delivery of a copy of the petition and notice. Upon a showing to the court, by affidavit or otherwise, on or before the date of the proceeding or within such further time as the court may allow, that personal service cannot be effected at the donor's last known address with reasonable effort, notice may be given, without prior court order therefore, at least twenty days prior to the proceeding by registered or certified mail directed to the donor's last known address. Notice by publication shall not be required to be given to a donor entitled to notice pursuant to the provisions of this section.

(2) Notwithstanding the above, where sperm is provided under the supervision of a health care practitioner to someone other than the sperm provider's intimate partner or spouse without a record of the sperm provider's intent to parent notice is not required.

(f) In cases not covered by subdivision (c) of this section, the court shall adjudicate the parentage of the child consistent with part three of this article.

(g) Where the requirements of subdivision (c) of this section are met or where the court finds the intended parent to be a parent under subdivision (e) of this section, the court shall issue a judgment of parentage:

(1) declaring, that upon the birth of the child, the intended parent or parents is or are the legal parent or parents of the child; and
(2) ordering the intended parent or parents to assume responsibility for the maintenance and support of the child immediately upon the birth of the child; and
(3) if there is a donor, ordering that the donor is not a parent of the child; and
(4) ordering that:
   (i) Pursuant to section two hundred fifty-four of the judiciary law, the clerk of the court shall transmit to the state commissioner of health, or for a person born in New York city, to the commissioner of health of the city of New York, on a form prescribed by the commissioner, a written notification of such entry together with such other facts as may assist in identifying the birth record of the person whose parentage was in issue and, if such person whose parentage has been determined is under eighteen years of age, the clerk shall also transmit forthwith to the registry operated by the department of social services pursuant to section three hundred seventy-two-c of the social services law a notification of such determination; and
   (ii) Pursuant to section forty-one hundred thirty-eight of the public health law and NYC Public Health Code section 207.05 that upon receipt of a judgment of parentage the local registrar where a child is born will report the parentage of the child to the appropriate department of health in conformity with the court order. If an original birth certif-
icate has already been issued, the appropriate department of health will amend the birth certificate in an expedited manner and seal the previously issued birth certificate.

§ 581-203. Proceeding for judgment of parentage of a child conceived pursuant to a surrogacy agreement. (a) The proceeding may be commenced: (1) in any county where an intended parent resided any time after the surrogacy agreement was executed; (2) in the county where the child was born or resides; or (3) in the county where the surrogate resided any time after the surrogacy agreement was executed.

(b) The proceeding may be commenced at any time after the surrogacy agreement has been executed and the person acting as surrogate and all intended parents are necessary parties.

(c) The petition for a judgment of parentage must be verified and include the following:

(1) a statement that the person acting as surrogate or at least one of the intended parents has been a resident of the state for at least ninety days at the time the surrogacy agreement was executed; and

(2) a certification from the attorney representing the intended parent or parents and the attorney representing the person acting as surrogate that the requirements of part four of this article have been met; and

(3) a statement from all parties to the surrogacy agreement that they knowingly and voluntarily entered into the surrogacy agreement and that the parties are jointly requesting the judgment of parentage.

(d) Where a petition satisfies subdivision (c) of this section the court shall issue a judgment of parentage, without additional proceedings or documentation:

(1) declaring, that upon the birth of the child born during the term of the surrogacy agreement, the intended parent or parents are the only legal parent or parents of the child;

(2) declaring, that upon the birth of the child born during the term of the surrogacy agreement, the person acting as surrogate, and the spouse of the person acting as surrogate, if any, is not the legal parent of the child;

(3) declaring that upon the birth of the child born during the term of the surrogacy agreement, the donors, if any, are not the parents of the child;

(4) ordering the person acting as surrogate and the spouse of the person acting as surrogate, if any, to transfer the child to the intended parent or parents if this has not already occurred;

(5) ordering the intended parent or parents to assume responsibility for the maintenance and support of the child immediately upon the birth of the child; and

(6) ordering that:

(i) Pursuant to section two hundred fifty-four of the judiciary law, the clerk of the court shall transmit to the state commissioner of health, or for a person born in New York city, to the commissioner of health of the city of New York, on a form prescribed by the commissioner, a written notification of such entry together with such other facts as may assist in identifying the birth record of the person whose parentage was in issue and, if the person whose parentage has been determined is under eighteen years of age, the clerk shall also transmit to the registry operated by the department of social services pursuant to section three hundred seventy-two-c of the social services law a notification of the determination; and

(ii) Pursuant to section forty-one hundred thirty-eight of the public health law and NYC Public Health Code section 207.05 that upon receipt
of a judgement of parentage the local registrar where a child is born will report the parentage of the child to the appropriate department of health in conformity with the court order. If an original birth certificate has already been issued, the appropriate department of health will amend the birth certificate in an expedited manner and seal the previously issued birth certificate.

(e) In the event the certification required by paragraph two of subdivision (c) of this section cannot be made because of a technical or non-material deviation from the requirements of this article; the court may nevertheless enforce the agreement and issue a judgment of parentage if the court determines the agreement is in substantial compliance with the requirements of this article. In the event that any other requirements of subdivision (c) are not met, the court shall determine parentage according to part four of this article.

§ 581-204. Judgment of parentage for intended parents who are spouses. Notwithstanding or without limitation on presumptions of parentage that apply, a judgment of parentage may be obtained under this part by intended parents who are each other's spouse. Nothing in this section requires intended parents to be married to each other in order to be jointly declared the parents of the child.

§ 581-205. Inspection of records. Court records relating to proceedings under this article shall be sealed, provided, however, that the office of temporary and disability assistance, a child support unit of a social services district or a child support agency of another state providing child support services pursuant to title IV-d of the federal social security act, to the extent necessary to provide child support services or for the administration of the program pursuant to title IV-d of the federal social security act, may obtain a copy of a judgment of parentage. The parties to the proceeding and the child shall have the right to inspect the entire court record, including, but not limited to, the name of the person acting as surrogate and any known donors.

§ 581-206. Jurisdiction, and exclusive continuing jurisdiction. (a) Proceedings pursuant to this article may be instituted in the supreme or family court or surrogates court.

(b) Subject to the jurisdictional standards of section seventy-six of the domestic relations law, the court conducting a proceeding under this article has exclusive, continuing jurisdiction of all matters relating to the determination of parentage until the child attains the age of one hundred eighty days.

PART 3

CHILD OF ASSISTED REPRODUCTION

Section 581-301. Scope of article.

581-304. Consent to assisted reproduction.

581-305. Limitation on spouses' dispute of parentage of child of assisted reproduction.

581-306. Effect of embryo disposition agreement between intended parents which transfers legal rights and dispositional control to one intended parent.

§ 581-301. Scope of article. This article does not apply to the birth of a child conceived by means of sexual intercourse.
§ 581-302. Status of donor. A donor is not a parent of a child conceived by means of assisted reproduction where there is proof of donative intent under section 581-202(d) of this article.

§ 581-303. Parentage of child of assisted reproduction. (a) An individual who provides gametes for, or who consents to, assisted reproduction with the intent to be a parent of the child with the consent of the gestating parent as provided in section 581-304 of this part, is a parent of the resulting child for all legal purposes.

(b) The court shall issue a judgment of parentage pursuant to this article upon application by any participant.

§ 581-304. Consent to assisted reproduction. (a) Where the intended parent who gives birth to a child by means of assisted reproduction is a spouse, the consent of both spouses to the assisted reproduction is presumed and neither spouse may challenge the parentage of the child, except as provided in section 581-305 of this part.

(b) Where the intended parent who gives birth to a child by means of assisted reproduction is not a spouse, the consent to the assisted reproduction must be in a record in such a manner as to indicate the mutual agreement of the intended parents to conceive and parent a child together.

(c) The absence of a record described in subdivision (b) of this section shall not preclude a finding that such consent existed if the court finds by clear and convincing evidence that at the time of the assisted reproduction the intended parents agreed to conceive and parent the child together.

§ 581-305. Limitation on spouses' dispute of parentage of child of assisted reproduction. (a) Neither spouse may challenge the marital presumption of parentage of a child created by assisted reproduction during the marriage unless one spouse used assisted reproduction without the knowledge and consent of the other spouse.

(b) Notwithstanding the foregoing, a married individual may use assisted reproduction and the marital presumption shall not apply if the spouses:

(1) are living separate and apart pursuant to a decree or judgment of separation or pursuant to a written agreement of separation subscribed by the parties thereto and acknowledged or proved in the form required to entitle a deed to be recorded; or

(2) have been living separate and apart for at least three years prior to the use of assisted reproduction.

(c) The limitation provided in this section applies to a spousal relationship that has been declared invalid after assisted reproduction or artificial insemination.

§ 581-306. Effect of embryo disposition agreement between intended parents which transfers legal rights and dispositional control to one intended parent. (a) An embryo disposition agreement between intended parents with joint dispositional control of an embryo shall be binding under the following circumstances:

(1) it is in writing;

(2) each intended parent had the advice of independent legal counsel prior to its execution; and

(3) where the intended parents are married, transfer of legal rights and dispositional control occurs only upon divorce.

(b) The intended parent who transfers legal rights and dispositional control of the embryo is not a parent of any child conceived from the embryo unless the agreement states that he or she consents to be a
parent and that consent is not withdrawn consistent with subdivision (c) of this section.

(c) If the intended parent transferring legal rights and dispositional control consents to be a parent, he or she may withdraw his or her consent to be a parent upon written notice to the embryo storage facility and to the other intended parent prior to transfer of the embryo. If he or she timely withdraws consent to be a parent he or she is not a parent for any purpose including support obligations but the embryo transfer may still proceed.

(d) An embryo disposition agreement or advance directive that is not in compliance with subdivision (a) of this section may still be found to be enforceable by the court after balancing the respective interests of the parties except that the intended parent who divested him or herself of legal rights and dispositional control may not be declared to be a parent for any purpose without his or her consent. The parent awarded legal rights and dispositional control of the embryos shall, in this instance, be declared to be the only parent of the child.

§ 581-307. Effect of death of intended parent. If an individual who consented in a record to be a parent by assisted reproduction dies before the transfer of eggs, sperm, or embryos, the deceased individual is not a parent of the resulting child unless the deceased individual consented in a signed record that if assisted reproduction were to occur after death, the deceased individual would be a parent of the child, provided that the record complies with the estates, powers and trusts law.

PART 4

SURROGACY AGREEMENT

Section 581-401. Surrogacy agreement authorized.

581-402. Eligibility to enter surrogacy agreement.

581-403. Requirements of surrogacy agreement.

581-405. Termination of surrogacy agreement.

581-408. Absence of surrogacy agreement.

581-409. Dispute as to surrogacy agreement.

§ 581-401. Surrogacy agreement authorized. (a) If eligible under this article to enter into a surrogacy agreement, a person acting as surrogate, the spouse of the person acting as surrogate, if applicable, and the intended parent or parents may enter into a surrogacy agreement which will be enforceable provided the surrogacy agreement meets the requirements of this article.

(b) A surrogacy agreement shall not apply to the birth of a child conceived by means of sexual intercourse, or where the person acting as surrogate contributed the egg used in conception.

(c) A surrogacy agreement may provide for payment of compensation under part five of this article.

§ 581-402. Eligibility to enter surrogacy agreement. (a) A person acting as surrogate shall be eligible to enter into an enforceable surrogacy agreement under this article if the person acting as surrogate has met the following requirements at the time the surrogacy agreement is executed:

(1) the person acting as surrogate is at least twenty-one years of age; and
(2) the person acting as surrogate is a United States citizen or a lawful permanent resident or other habitual resident;

(3) the person acting as surrogate has not provided the egg used to conceive the resulting child; and

(4) the person acting as surrogate has completed a medical evaluation with a health care practitioner relating to the anticipated pregnancy; and

(5) the person acting as surrogate, and the spouse of the person acting as surrogate, if applicable, have been represented throughout the contractual process and the duration of the contract and its execution by independent legal counsel of their own choosing who is licensed to practice law in the state of New York which shall be paid for by the intended parent or parents except that a person acting as surrogate who is receiving no compensation may waive the right to have the intended parent or parents pay the fee for such legal counsel. Where the intended parent or parents are paying for the independent legal counsel of the person acting as surrogate, and the spouse of the person acting as surrogate, if applicable, a separate retainer agreement shall be prepared clearly stating that such legal counsel will only represent the person acting as surrogate and the spouse of the person acting as surrogate, if applicable, in all matters pertaining to the surrogacy agreement, that such legal counsel will not offer legal advice to any other parties to the surrogacy agreement, and that the attorney-client relationship lies with the person acting as surrogate and the spouse of the person acting as surrogate, if applicable; and

(6) the person acting as surrogate has, or the surrogacy agreement stipulates that prior to the embryo transfer, the person acting as surrogate will obtain a comprehensive health insurance policy that covers major medical treatments and hospitalization as well as a surrogate pregnancy; the policy shall be paid for, whether directly or through reimbursement or other means, by the intended parent or parents on behalf of the person acting as surrogate pursuant to the surrogacy agreement, if such policy comes at an additional cost to the person acting as a surrogate, except that a person acting as surrogate who is receiving no compensation may waive the right to have the intended parent or parents pay for the health insurance policy. The intended parent or parents shall also pay for or reimburse the person acting as surrogate for all co-payments, deductibles and any other out-of-pocket medical costs associated with the medical evaluation, psychological screening, embryo transfers, pregnancy and post-natal care, that accrue through twelve weeks after the birth of the child or termination of the pregnancy, except that such responsibility shall be extended for up to six months after the birth of the child or termination of the pregnancy in the event a medical complication related to the pregnancy is diagnosed within twelve weeks after the birth of the child or termination of the pregnancy. A person acting as surrogate who is receiving no compensation may waive the right to have the intended parent or parents make such payments or reimbursements.

(b) The intended parent or parents shall be eligible to enter into an enforceable surrogacy agreement under this article if he, she or they have met the following requirements at the time the surrogacy agreement was executed:

(1) at least one intended parent is a United States citizen or a lawful permanent resident or other habitual and resident;

(2) the intended parent or parents has been represented throughout the contractual process and the duration of the contract and its execution
by independent legal counsel of his, her or their own choosing who is
licensed to practice law in the state of New York; and

(3) he or she is an adult person who is not in a spousal relationship,
or adult spouses together, or any two adults who are intimate partners
together, except an adult in a spousal relationship is eligible to enter
into an enforceable surrogacy agreement without his or her spouse if:

(i) they are living separate and apart pursuant to a decree or judg-
ment of separation or pursuant to a written agreement of separation
subscribed by the parties thereto and acknowledged or proved in the form
required to entitle a deed to be recorded; or

(ii) they have been living separate and apart for at least three years
prior to execution of the surrogacy agreement.

(c) where the spouse of an intended parent is not a required party to
the agreement, the spouse is not an intended parent and shall not have
rights or obligations to the child.

§ 581-403. Requirements of surrogacy agreement. A surrogacy agreement
shall be deemed to have satisfied the requirements of this article and
be enforceable if it meets the following requirements:

(a) it shall be in a signed record verified or executed before two
non-party witnesses by:

(1) each intended parent, and

(2) the person acting as surrogate, and the spouse of the person
acting as surrogate, if any, unless:

(i) the person acting as surrogate and the spouse of the person acting
as surrogate are living separate and apart pursuant to a decree or judg-
ment of separation or pursuant to a written agreement of separation
subscribed by the parties thereto and acknowledged or proved in the form
required to entitle a deed to be recorded; or

(ii) have been living separate and apart for at least three years
prior to execution of the surrogacy agreement; and

(b) it shall be executed prior to the embryo transfer; and

(c) it shall be executed by a person acting as surrogate meeting the
eligibility requirements of subdivision (a) of section 581-402 of this
part and by the spouse of the person acting as surrogate, unless the
signature of the spouse of the person acting as surrogate is not
required as set forth in this section; and

(d) it shall be executed by intended parent or parents who met the
eligibility requirements of subdivision (b) of section 581-402 of this
part; and

(e) the person acting as surrogate and the spouse of the person acting
as surrogate, if applicable, and the intended parent or parents shall
have been represented throughout the contractual process and the dura-
tion of the contract and its execution by separate, independent legal
counsel of their own choosing; and

(f) if the surrogacy agreement provides for the payment of compen-
sation to the person acting as surrogate, the funds for base compen-
sation and reasonable anticipated additional expenses shall have been
placed in escrow with an independent escrow agent prior to the person
acting as surrogate commencing with any medical procedure other than
medical evaluations necessary to determine the person acting as surro-
gate's eligibility; and

(g) the surrogacy agreement must include information disclosing how
the intended parent or parents will cover the medical expenses of the
person acting as surrogate and the child. If comprehensive health care
coverage is used to cover the medical expenses, the disclosure shall
include a review and summary of the health care policy provisions.
related to coverage and exclusions for the person acting as surrogate's pregnancy.

(h) the surrogacy agreement must comply with all of the following terms:

(1) As to the person acting as surrogate and the spouse of the person acting as surrogate, if applicable:
   (i) the person acting as surrogate agrees to undergo embryo transfer and attempt to carry and give birth to the child; and
   (ii) the person acting as surrogate and the spouse of the person acting as surrogate, if applicable, agree to surrender custody of all resulting children to the intended parent or parents immediately upon birth; and
   (iii) the surrogacy agreement shall include the name of the attorney representing the person acting as surrogate and, if applicable, the spouse of the person acting as surrogate; and
   (iv) the surrogacy agreement must permit the person acting as surrogate to make all health and welfare decisions regarding themselves and their pregnancy including but not limited to, whether to consent to a cesarean section or multiple embryo transfer, and notwithstanding any other provisions in this chapter, provisions in the agreement to the contrary are void and unenforceable. This article does not diminish the right of the person acting as surrogate to terminate or continue a pregnancy; and
   (v) the surrogacy agreement shall permit the person acting as a surrogate to utilize the services of a health care practitioner of the person's choosing; and
   (vi) the surrogacy agreement shall not limit the right of the person acting as surrogate to terminate or continue the pregnancy or reduce or retain the number of fetuses or embryos the person is carrying; and
   (vii) the surrogacy agreement shall provide that, upon the person acting as surrogate's request, the intended parent or parents have or will procure and pay for a life insurance policy and disability insurance policy for the person acting as surrogate; the person acting as surrogate may designate the beneficiary of the person's choosing; and
   (viii) the surrogacy agreement shall provide for the right of the person acting as surrogate, upon request, to obtain counseling to address issues resulting from the person's participation in the surrogacy agreement. The cost of that counseling shall be paid by the intended parent or parents.

(2) As to the intended parent or parents:
   (i) the intended parent or parents agree to accept custody of all resulting children immediately upon birth regardless of number, gender, or mental or physical condition and regardless of whether the intended embryos were transferred due to a laboratory error without diminishing the rights, if any, of anyone claiming to have a superior parental interest in the child; and
   (ii) the intended parent or parents agree to assume responsibility for the support of all resulting children immediately upon birth; and
   (iii) the surrogacy agreement shall include the name of the attorney representing the intended parent or parents; and
   (iv) the surrogacy agreement shall provide that the rights and obligations of the intended parent or parents under the surrogacy agreement are not assignable; and
   (v) the intended parent or parents agree to execute a will, prior to the embryo transfer, designating a guardian for all resulting children.
and authorizing their executor to perform the intended parent's or parents' obligations pursuant to the surrogacy agreement.

§ 581-404. Surrogacy agreement: effect of subsequent spousal relationship. (a) After the execution of a surrogacy agreement under this article, the subsequent spousal relationship of the person acting as surrogate does not affect the validity of a surrogacy agreement, the consent of the spouse of the person acting as surrogate to the agreement shall not be required, and the spouse of the person acting as surrogate shall not be the presumed parent of any resulting children.

(b) The subsequent separation or divorce of the intended parents does not affect the rights, duties and responsibilities of the intended parents as outlined in the surrogacy agreement. After the execution of a surrogacy agreement under this article, the subsequent spousal relationship of the intended parent does not affect the validity of a surrogacy agreement, and the consent of the spouse of the intended parent to the agreement shall not be required.

§ 581-405. Termination of surrogacy agreement. After the execution of a surrogacy agreement but before the person acting as surrogate becomes pregnant by means of assisted reproduction, the person acting as surrogate, the spouse of the person acting as surrogate, if applicable, or any intended parent may terminate the surrogacy agreement by giving notice of termination in a record to all other parties. Upon proper termination of the surrogacy agreement the parties are released from all obligations recited in the surrogacy agreement except that the intended parent or parents remains responsible for all expenses that are reimbursable under the agreement which have been incurred by the person acting as surrogate through the date of termination. Unless the agreement provides otherwise, the person acting as surrogate is entitled to keep all payments received and obtain all payments to which the person is entitled up until the date of termination. Neither a person acting as surrogate nor the spouse of the person acting as surrogate, if any, is liable to the intended parent or parents for terminating a surrogacy agreement as provided in this section.

§ 581-406. Parentage under compliant surrogacy agreement. Upon the birth of a child conceived by assisted reproduction under a surrogacy agreement that complies with this part, each intended parent is, by operation of law, a parent of the child and neither the person acting as a surrogate nor the person's spouse, if any, is a parent of the child.

§ 581-407. Insufficient surrogacy agreement. If a surrogacy agreement does not meet the material requirements of this article, the agreement is not enforceable and the court shall determine parentage based on the intent of the parties, taking into account the best interests of the child. An intended parent's absence of genetic connection to the child is not a sufficient basis to deny that individual a judgment of legal parentage.

§ 581-408. Absence of surrogacy agreement. Where there is no surrogacy agreement, the parentage of the child will be determined based on other laws of this state.

§ 581-409. Dispute as to surrogacy agreement. (a) Unless the surrogacy agreement provides for mandatory mediation or arbitration, any dispute which is related to a surrogacy agreement other than disputes as to parentage shall be resolved by the supreme court, which shall determine the respective rights and obligations of the parties. Any provision that purports to require mandatory mediation or arbitration of disputes as to parentage shall be void and unenforceable.
(b) Except as expressly provided in the surrogacy agreement, the intended parent or parents and the person acting as surrogate shall be entitled to all remedies available at law or equity in any dispute related to the surrogacy agreement.

(c) There shall be no specific performance remedy available for a breach by the person acting as surrogate of a surrogacy agreement term that requires the person acting as surrogate to be impregnated or to terminate or continue the pregnancy or to reduce or retain the number of fetuses or embryos the person acting as surrogate is carrying.

PART 5
PAYMENT TO DONORS AND PERSONS ACTING AS SURROGATES

Section 581-501. Reimbursement.

§ 581-501. Reimbursement. A donor who has entered into a valid agreement to be a donor may receive reimbursement from an intended parent or parents for economic losses incurred in connection with the donation which result from the retrieval or storage of gametes or embryos.

§ 581-502. Compensation. (a) Compensation may be paid to a donor or person acting as surrogate based on medical risks, physical discomfort, inconvenience and the responsibilities they are undertaking in connection with their participation in the assisted reproduction. Under no circumstances may compensation be paid to purchase gametes or embryos or for the release of a parental interest in a child.

(b) The compensation, if any paid to a donor or person acting as surrogate must be reasonable and negotiated in good faith between the parties, and said payments to a person acting as surrogate shall not exceed the duration of the pregnancy and recuperative period of up to eight weeks after the birth of any resulting children.

(c) Compensation may not be conditioned upon the purported quality or genome-related traits of the gametes or embryos.

(d) Compensation may not be conditioned on actual genotypic or phenotypic characteristics of the donor or of any resulting children.

(e) Compensation to an embryo donor shall be limited to storage fees, transportation costs and attorneys' fees.

PART 6
SURROGATES' BILL OF RIGHTS

Section 581-601. Applicability.

§ 581-601. Applicability. The rights enumerated in this part shall apply to any person acting as surrogate in this state, notwithstanding any surrogacy agreement, judgment of parentage, memorandum of understanding, verbal agreement or contract to the contrary. Except as otherwise provided by law, any written or verbal agreement purporting to waive or limit any of the rights in this part is void as against public policy. The rights enumerated in this part are not exclusive, and are in addition to any other rights provided by law, regulation, or a surrogacy agreement that meets the requirements of this article.

§ 581-602. Health and welfare decisions. A person acting as surrogate has the right to make all health and welfare decisions regarding them-

the services of a health care practitioner of their choosing, whether to
terminate or continue the pregnancy, and whether to reduce or retain the
number of fetuses or embryos they are carrying.

§ 581-603. Independent legal counsel. A person acting as surrogate has
the right to be represented throughout the contractual process and the
duration of the surrogacy agreement and its execution by independent
legal counsel of their own choosing who is licensed to practice law in
the state of New York, to be paid for by the intended parent or parents.

§ 581-604. Health insurance and medical costs. A person acting as
surrogate may obtain a comprehensive health insurance policy that covers
major medical treatments and hospitalization as well as a surrogate
pregnancy; the policy shall be paid for, whether directly or through
reimbursement or other means, by the intended parent or parents on
behalf of the person acting as surrogate pursuant to the surrogacy
agreement, if such policy comes at an additional cost to the person
acting as a surrogate. The intended parent or parents shall also pay for
or reimburse the person acting as surrogate for all co-payments, deduct-
ibles and any other out-of-pocket medical costs associated with pregnan-
cy, medical evaluation, psychological screening or embryo transfers that
accrue through twelve weeks after the birth of the child or termination
of the pregnancy, except that such responsibility shall be extended for
up to six months after the birth of the child or termination of the
pregnancy in the event a medical complication related to the pregnancy
is diagnosed within twelve weeks after the birth of the child or termi-
nation of the pregnancy.

§ 581-605. Counseling. A person acting as surrogate has the right to
obtain counseling to address issues resulting from their participation
in a surrogacy agreement, to be paid for by the intended parent or
parents.

§ 581-606. Life and disability insurance. A person acting as surrogate
may obtain a life insurance policy and disability insurance policy with
a beneficiary or beneficiaries of their choosing, to be paid for by the
intended parent or parents.

§ 581-607. Termination of surrogacy agreement. A person acting as
surrogate has the right to terminate a surrogacy agreement prior to
becoming pregnant by means of assisted reproduction pursuant to section
581-405 of this article.

reproduction, the person in charge of such hospital or his or her design-

unmarried person who gave birth to the child and the alleged [father] 
genetic parent, if such [father] alleged genetic parent is readily iden- 
tifiable and available, or to the person who gave birth and the other 
intended parent of a child conceived through assisted reproduction if 
such person is readily identifiable and available, the documents and 
written instructions necessary for such [mother] person or to a person 
who gave birth to a child conceived through assisted reproduction and 
[putative father] alleged persons to complete an acknowledgment of 
[paternity] parentage witnessed by two persons not related to the signa- 
tory. Such acknowledgment, if signed by both parties, at any time 
following the birth of a child, shall be filed with the registrar at the 
same time at which the certificate of live birth is filed, if possible, 
or anytime thereafter. Nothing herein shall be deemed to require the 
person in charge of such hospital or his or her designee to seek out or 
otherwise locate [a putative] an alleged [father] genetic parent or 
intended parent of a child conceived through assisted reproduction who 
is not readily identifiable or available.

(b) The following persons may sign an acknowledgment of parentage to

person who gave birth to the child and by either the genetic parent 
or other than the person who gave birth to the child or a person who is a 
parent under section 581-303 of the family court act of the child 
conceived through assisted reproduction.

(d) An acknowledgment of parentage is void if, at the time of signing, 
any of the following are true:

(i) A person other than the signatories is a presumed parent of the 
child under section twenty-four of the domestic relations law;

(ii) A court has entered a judgment of parentage of the child;

(iii) Another person has signed a valid acknowledgment of parentage 
with regard to the child;

(iv) The child has a parent under section 581-303 of the family court 
act other than the signatories;

(f) Prior to the execution of an acknowledgment of [paternity] parentage, the [mother] person who gave birth to the child and the [putative father] other signatory shall be provided orally, which may be through the use of audio or video equipment, and in writing with such information as is required pursuant to this section with respect to their rights and the consequences of signing a voluntary acknowledgment of [paternity] parentage including, but not limited to:

(ii) that if such an acknowledgment is not made, the [putative father] signatory other than the person who gave birth to the child can be held liable for support only if the family court, after a hearing, makes an order declaring that the [putative father] person is the [father] parent of the child whereupon the court may make an order of support which may be retroactive to the birth of the child;

(v) that by executing the acknowledgment, the [putative father] alleged genetic parent waives [his] their right to a hearing, to which [he] they would otherwise be entitled, on the issue of [paternity] parentage;

(vi) that a copy of the acknowledgment of [paternity] parentage shall be filed with the [putative father] registry [pursuant to] created by section three hundred seventy-two-c of the social services law, and that
such filing may establish the child's right to inheritance from the
[putative] alleged [father] genetic parent or the other intended parent
of a child conceived through assisted reproduction pursuant to clause
(B) of subparagraph two of paragraph (a) of section 4-1.2 of the
estates, powers and trusts law;
(vii) that, if such acknowledgment is filed with the registrar of the
district in which the birth certificate has been filed, such acknowledg-
ment will establish inheritance rights from the [putative] alleged
[father] genetic parent or the other intended parent of a child
conceived through assisted reproduction pursuant to clause (A) of
subparagraph two of paragraph (a) of section 4-1.2 of the estates,
powers and trusts law;
(viii) that no further judicial or administrative proceedings are
required to ratify an unchallenged acknowledgment of [paternity] parent-
age provided, however, that:
(A) A signatory to an acknowledgment of [paternity] parentage, who had
attained the age of eighteen at the time of execution of the acknowledg-
ment, shall have the right to rescind the acknowledgment within the
earlier of sixty days from the date of signing the acknowledgment or the
date of an administrative or a judicial proceeding (including, but not
limited to, a proceeding to establish a support order) relating to the
child in which the signatory is a party, provided that the "date of an
administrative or a judicial proceeding" shall be the date by which the
respondent is required to answer the petition;
(B) A signatory to an acknowledgment of [paternity] parentage, who had
not attained the age of eighteen at the time of execution of the
acknowledgment, shall have the right to rescind the acknowledgment
anytime up to sixty days after the signatory's attaining the age of
eighteen years or sixty days after the date on which the respondent is
required to answer a petition (including, but not limited to, a petition
to establish a support order) relating to the child, whichever is earli-
er; provided, however, that the signatory must have been advised at such
proceeding of his or her right to file a petition to vacate the acknowledg-
ment within sixty days of the date of such proceeding;
(ix) that after the expiration of the time limits set forth in clauses

court only on the basis of fraud, duress, or material mistake of fact,
with the burden of proof on the party challenging the voluntary acknowl-
edgment;
(x) that the [putative father and mother] person who gave birth to the
child and the other signatory may wish to consult with attorneys before
executing the acknowledgment; and that they have the right to seek legal
representation and supportive services including counseling regarding
such acknowledgment;
(xi) that the acknowledgment of [paternity] parentage may be the basis
for the [putative father] signatory other than the person who gave birth
to the child establishing custody and visitation rights to the child and
for requiring the [putative father's] consent of the signatory other
than the person who gave birth to the child prior to an adoption
proceeding;
(xii) that the [mother's] refusal of the person who gave birth to the
child to sign the acknowledgment shall not be deemed a failure to coop-
erate in establishing [paternity for] parentage of the child; and
(xiii) that the child may bear the last name of either parent, or any combination thereof, which name shall not affect the legal status of the child.

In addition, the governing body of such hospital shall [ensure] 
that appropriate staff shall provide to the [child's mother and putative father] person who gave birth to the child and the other signatory, prior to the [mother's] discharge from the hospital of the person who gave birth to the child, the opportunity to speak with hospital staff to obtain clarifying information and answers to their questions about [paternity] parentage establishment, and shall also provide the telephone number of the local support collection unit.

(q) Within ten days after receiving the certificate of birth, the registrar shall furnish without charge to each parent or guardian of the child or to the [mother] person who gave birth at the address designated by her for that purpose, a certified copy of the certificate of birth and, if applicable, a certified copy of the written acknowledgment of [paternity] parentage. If the [mother] person who gave birth is in receipt of child support enforcement services pursuant to title six-A of article three of the social services law, the registrar also shall furnish without charge a certified copy of the certificate of birth and, if applicable, a certified copy of the written acknowledgment of [paternity] parentage to the social services district of the county within which the [mother] person who gave birth resides.

2. (a) When a child's [paternity] parentage is acknowledged voluntarily pursuant to section one hundred eleven-k of the social services law, the social services official shall file the executed acknowledgment with the registrar of the district in which the birth occurred and in which the birth certificate has been filed.

(b) Where a child's [paternity] parentage has not been acknowledged voluntarily pursuant to paragraph (a) of subdivision one of this section or paragraph (a) of this subdivision, the [child's mother and putative father] person who gave birth to the child and the other signatory may voluntarily acknowledge a child's [paternity] parentage pursuant to this paragraph by signing the acknowledgment of [paternity] parentage.

(c) A signatory to an acknowledgment of [paternity] parentage, who has attained the age of eighteen at the time of execution of the acknowledgment shall have the right to rescind the acknowledgment within the earlier of sixty days from the date of signing the acknowledgment or the date of an administrative or a judicial proceeding (including, but not limited to, a proceeding to establish a support order) relating to the child in which either signatory is a party; provided that for purposes of this section, the "date of an administrative or a judicial proceeding" shall be the date by which the respondent is required to answer the petition.

(d) A signatory to an acknowledgment of [paternity] parentage, who has not attained the age of eighteen at the time of execution of the acknowledgment, shall have the right to rescind the acknowledgment anytime up to sixty days after the signatory's attaining the age of eighteen years or sixty days after the date on which the respondent is required to answer a petition (including, but not limited to, a petition to establish a support order) relating to the child in which the signatory is a party, whichever is earlier; provided, however, that the signatory must have been advised at such proceeding of his or her right to file a petition to vacate the acknowledgment within sixty days of the date of such proceeding.
(e) After the expiration of the time limits set forth in paragraphs (c) and (d) of this subdivision, any of the signatories may challenge the acknowledgment of **paternity** in court only on the basis of fraud, duress, or material mistake of fact, with the burden of proof on the party challenging the voluntary acknowledgment. The acknowledgment shall have full force and effect once so signed. The original or a copy of the acknowledgment shall be filed with the registrar of the district in which the birth certificate has been filed.

3. (a) An acknowledgment of **paternity** executed by the mother and father of a child born out of wedlock any two people eligible to sign such an acknowledgment under paragraph (b) of subdivision one of this section, married or unmarried, shall establish the **paternity** of a child and shall have the same force and effect as an order of **paternity** or filiation issued by a court of competent jurisdiction. Such acknowledgement shall thereafter be filed with the registrar pursuant to subdivision one or two of this section.

(b) A registrar with whom an acknowledgment of **paternity** has been filed pursuant to subdivision one or two of this section shall file the acknowledgment with the state department of health and the New York city department of health and mental hygiene and the registry operated by the department of social services pursuant to section three hundred seventy-two-c of the social services law. If the acknowledgment includes the name and address of any known gamete donors of a child conceived through assisted reproduction, the state department of health or the New York city department of health and mental hygiene shall mail a copy to the known donors listed on the form.

4. The court shall give full faith and credit to an acknowledgment of **paternity** effective in another state if the acknowledgment was in a signed record and otherwise complies with the law of the other state.

5. A new certificate of birth shall be issued if the certificate of birth of [a] the child [born out of wedlock] as defined in paragraph (b) of subdivision one of section four thousand thirty-five of this article has been filed without entry of the name of the [father] signatory other than the person who gave birth, and the commissioner thereafter receives a notarized acknowledgment of **paternity** accompanied by the written consent of the [putative father and mother] person who gave birth to the child and other signatory to the entry of the name of such [father] person, which consent may also be to a change in the surname of the child.

6. Any reference to an acknowledgment of paternity in any law of this state shall be interpreted to mean an acknowledgment of **paternity** signed pursuant to this section or signed in another state consistent with the law of that state.

§ 9. Paragraph (e) of subdivision 1 of section 4138 of the public health law, as amended by chapter 214 of the laws of 1998, is amended to read as follows:

(e) the certificate of birth of a child born out of wedlock as defined in paragraph (b) of subdivision one of section four thousand one hundred thirty-five of this article has been filed without entry of the name of the [father] signatory other than the person who gave birth and the commissioner thereafter receives the acknowledgment of **paternity** pursuant to section one hundred eleven-k of the social services law or section four thousand one hundred thirty-five-b of this article executed by the [putative father and mother] person who gave birth and the other signatory which authorizes the entry of the name of
such [father] other signatory, and which may also authorize a conforming change in the surname of the child.

registry shall provide a means for gathering and maintaining accurate
information on the:
(i) number of times a person has acted as a surrogate;
(ii) health information of the person acting as surrogate; and
(iii) other information deemed appropriate by the commissioner.
2. All such regulations shall maintain the anonymity of the person
acting as surrogate and any resulting offspring and govern access to
information maintained by the registry.
§ 13. Subdivisions 4, 5, 6, 7 and 8 of section 4365 of the public
health law are renumbered subdivisions 5, 6, 7, 8 and 9 and a new subdi-
vision 4 is added to read as follows:

In addition, all such regulations shall maintain the anonymity of the donor and any resulting offspring and govern access to information maintained by the registry.

§ 14. Paragraph (a) of subdivision 1 of section 440 of the family court act, as amended by chapter 398 of the laws of 1997, is amended to read as follows:

(a) Any support order made by the court in any proceeding under the provisions of article five-B of this act, pursuant to a reference from the supreme court under section two hundred fifty-one of the domestic relations law or under the provisions of article four, five or five-A of this act (i) shall direct that payments of child support or combined child and spousal support collected on behalf of persons in receipt of services pursuant to section one hundred eleven-g of the social services law, or on behalf of persons in receipt of public assistance be made to the support collection unit designated by the appropriate social services district, which shall receive and disburse funds so paid; or (ii) shall be enforced pursuant to subdivision (c) of section five thousand two hundred forty-two of the civil practice law and rules at the same time that the court issues an order of support; and (iii) shall in either case, except as provided for herein, be effective as of the earlier of the date of the filing of the petition therefor, or, if the children for whom support is sought are in receipt of public assistance, the date for which their eligibility for public assistance was effective. Any retroactive amount of support due shall be support arrears/past due support and shall be paid in one sum or periodic sums, as the court directs, and any amount of temporary support which has been paid to be taken into account in calculating any amount of such retroactive support due. In addition, such retroactive child support shall be enforceable in any manner provided by law including, but not limited to, an execution for support enforcement pursuant to subdivision (b) of section fifty-two hundred forty-one of the civil practice law and rules.

When a child receiving support is a public assistance recipient, or the order of support is being enforced or is to be enforced pursuant to section one hundred eleven-g of the social services law, the court shall establish the amount of retroactive child support and notify the parties that such amount shall be enforced by the support collection unit pursuant to an execution for support enforcement as provided for in subdivision (b) of section fifty-two hundred forty-one of the civil practice law and rules, or in such periodic payments as would have been authorized had such an execution been issued. In such case, the court shall not direct the schedule of repayment of retroactive support. Where such direction is for child support and [paternity] parentage has been established by a voluntary acknowledgment of [paternity] parentage as defined in section forty-one hundred thirty-five-b of the public health law, the court shall inquire of the parties whether the acknowledgment has been duly filed, and unless satisfied that it has been so filed shall require the clerk of the court to file such acknowledgment with the appropriate
registrar within five business days. The court shall not direct that
support payments be made to the support collection unit unless the
child, who is the subject of the order, is in receipt of public assist-
ance or child support services pursuant to section one hundred eleven-
g of the social services law. Any such order shall be enforceable pur-
ant to section fifty-two hundred forty-one or fifty-two hundred forty-
two of the civil practice law and rules, or in any other manner provided
by law. Such orders or judgments for child support and maintenance
shall also be enforceable pursuant to article fifty-two of the civil
practice law and rules upon a debtor's default as such term is defined
in paragraph seven of subdivision (a) of section fifty-two hundred
forty-one of the civil practice law and rules. The establishment of a
default shall be subject to the procedures established for the determi-
nation of a mistake of fact for income executions pursuant to subdivi-
sion (e) of section fifty-two hundred forty-one of the civil practice
law and rules. For the purposes of enforcement of child support orders
or combined spousal and child support orders pursuant to section five
thousand two hundred forty-one of the civil practice law and rules, a
"default" shall be deemed to include amounts arising from retroactive
support. Where permitted under federal law and where the record of the
proceedings contains such information, such order shall include on its
face the social security number and the name and address of the employ-
er, if any, of the person chargeable with support provided, however,
that failure to comply with this requirement shall not invalidate such
order.

§ 15. Section 516-a of the family court act, as amended by chapter 398
of the laws of 1997, subdivisions (b) and (c) as amended by chapter 402
of the laws of 2013, and subdivision (d) as amended by chapter 343 of
the laws of 2009, is amended to read as follows:
§ 516-a. Acknowledgment of [paternity] parentage. (a) An acknowledg-
ment of [paternity] parentage executed pursuant to section one hundred
eleven-k of the social services law or section four thousand one hundred
thirty-five-b of the public health law shall establish the [paternity]
parentage of and liability for the support of a child pursuant to this
act. Such acknowledgment must be reduced to writing and filed pursuant
to section four thousand one hundred thirty-five-b of the public health
law with the registrar of the district in which the birth occurred and
in which the birth certificate has been filed. No further judicial or
administrative proceedings are required to ratify an unchallenged
acknowledgment of [paternity] parentage.

(b) (i) Where a signatory to an acknowledgment of [paternity] parent-
age executed pursuant to section one hundred eleven-k of the social
services law or section four thousand one hundred thirty-five-b of the
public health law had attained the age of eighteen at the time of
execution of the acknowledgment, the signatory may seek to rescind the
acknowledgment by filing a petition with the court to vacate the
acknowledgment within the earlier of sixty days of the date of signing
the acknowledgment or the date of an administrative or a judicial
proceeding (including, but not limited to, a proceeding to establish a
support order) relating to the child in which the signatory is a party.
For purposes of this section, the "date of an administrative or a judi-
cial proceeding" shall be the date by which the respondent is required
to answer the petition.

(ii) Where a signatory to an acknowledgment of [paternity] parentage
executed pursuant to section one hundred eleven-k of the social services
law or section four thousand one hundred thirty-five-b of the public
health law had not attained the age of eighteen at the time of execution of the acknowledgment, the signatory may seek to rescind the acknowledgment by filing a petition with the court to vacate the acknowledgment anytime up to sixty days after the signatory's attaining the age of eighteen years or sixty days after the date on which the respondent is required to answer a petition (including, but not limited to, a petition to establish a support order) relating to the child in which the signatory is a party, whichever is earlier; provided, however, that the signatory must have been advised at such proceeding of his or her right to file a petition to vacate the acknowledgment within sixty days of the date of such proceeding.

(iii) Where a petition to vacate an acknowledgment of parentage has been filed in accordance with paragraph (i) or (ii) of this subdivision, the court shall order genetic marker tests or DNA tests for the determination of the child's parentage. No such test shall be ordered, however, where the acknowledgment was signed by the intended parent of a child born through assisted reproduction pursuant to subparagraph (ii) of paragraph (b) of subdivision one of section four thousand one hundred thirty-five-b of the public health law, or upon a written finding by the court that it is not in the best interests of the child on the basis of res judicata, equitable estoppel, or the presumption of legitimacy of a child born to a married woman. If the court determines, following the test, that the person who signed the acknowledgment is the father of the child, the court shall make a finding of parentage and enter an order of filiation. If the court determines that the person who signed the acknowledgment is not the father of the child, the acknowledgment shall be vacated.

(iv) After the expiration of the time limits set forth in paragraphs (i) and (ii) of this subdivision, any of the signatories to an acknowledgment may challenge the acknowledgment in court by alleging and proving fraud, duress, or material mistake of fact. If the petitioner proves to the court that the acknowledgment of parentage was signed under fraud, duress, or due to a material mistake of fact, the court shall then order genetic marker tests or DNA tests for the determination of the child's parentage. No such test shall be ordered, however, where the acknowledgment was signed by the intended parent of a child born through assisted reproduction pursuant to subparagraph (ii) of paragraph (b) of subdivision one of section four thousand one hundred thirty-five-b of the public health law, or upon a written finding by the court that it is not in the best interests of the child on the basis of res judicata, equitable estoppel, or the presumption of legitimacy of a child born to a married woman. If the court determines, following the test, that the person who signed the acknowledgment is the father of the child, the court shall make a finding of parentage and enter an order of filiation. If the court determines that the person who signed the acknowledgment is not the father of the child, the acknowledgment shall be vacated.

(v) If, at any time before or after a signatory has filed a petition to vacate an acknowledgment of parentage pursuant to this subdivision, the signatory dies or becomes mentally ill or cannot be found within the state, neither the proceeding nor the right to commence the proceeding shall abate but may be commenced or continued by any of the persons authorized by this article to commence a parentage proceeding.
(c) An acknowledgment of parentage is void if, at the time of signing, any of the following are true:

(i) a person other than the signatories is a presumed parent of the child pursuant to section twenty-four of the domestic relations law;
(ii) a court has entered a judgment of parentage of the child;
(iii) another person has signed a valid acknowledgment of parentage with regard to the child;
(iv) the child has a parent pursuant to section 581-303 of the family court act other than the signatories;
(v) a signatory is a gamete donor under section 581-302 of the family court act; or
(vi) the acknowledgment is signed by a person who asserts that they are a parent under section 581-303 of the family court act of a child conceived through assisted reproduction, but the child was not conceived through assisted reproduction.

(d) Neither signatory's legal obligations, including the obligation for child support arising from the acknowledgment, may be suspended during the challenge to the acknowledgment except for good cause as the court may find. If the court vacates the acknowledgment of parentage, the court shall immediately provide a copy of the order to the registrar of the district in which the child's birth certificate is filed and also to the putative father registry operated by the department of social services pursuant to section three hundred seventy-two-c of the social services law. In addition, if the mother of the child who is the subject of the acknowledgment is in receipt of child support services pursuant to title six-A of article three of the social services law, the court shall immediately provide a copy of the order to the child support enforcement unit of the social services district that provides the mother with such services.

(e) A determination of parentage made by any other state, whether established through an administrative or judicial process or through an acknowledgment of parentage signed in accordance with that state's laws, must be accorded full faith and credit pursuant to section 466(a)(11) of title IV-D of the social security act (42 U.S.C. § 666(a)(11)).

(f) Any reference to an acknowledgment of paternity in any law of this state, or any similar instrument signed in another state consistent with the law of that state shall be interpreted to mean an acknowledgment of parentage executed pursuant to section one hundred eleven-k of the public health law, or signed in another state consistent with the law of that state.

§ 16. Paragraph (b) of subdivision 1 of section 1017 of the family court act, as added by chapter 567 of the laws of 2015, is amended to read as follows:

(b) The court shall also direct the local commissioner of social services to conduct an investigation to locate any person who is not recognized to be the child's legal parent and does not have the rights of a legal parent under the laws of the state of New York but who (i) has filed with a putative father registry an instrument acknowledging parentage of the child, pursuant to section 4-1.2 of the estates, powers and trusts law, or (ii) has a pending parentage petition, or (iii) has been identified as a parent of the child by the child's other parent in a written sworn statement. The local commissioner of social services shall report the results of such
§ 17. Section 4-1.2 of the estates, powers and trusts law, as amended by chapter 67 of the laws of 1981, the section heading, the opening paragraph of subparagraph 1 of paragraph (a), the opening paragraph of subparagraph 2 of paragraph (a) and the opening paragraph of subparagraph 3 of paragraph (a) as amended by chapter 595 of the laws of 1992, subparagraph 2 of paragraph (a) as amended by chapter 434 of the laws of 1987, clause (A) of subparagraph 2 of paragraph (a) as amended by chapter 170 of the laws of 1994, and clause (C) of subparagraph 2 of paragraph (a) and paragraph (b) as amended by chapter 64 of the laws of 2010, is amended to read as follows:

§ 4-1.2 Inheritance by non-marital children

(a) For the purposes of this article:
(1) A non-marital child is the legitimate child of his mother so that he and his issue inherit from his mother and from his maternal kindred.
(2) A non-marital child is the legitimate child of his father or non-gestating intended parent so that he and his issue inherit from his father and his paternal kindred if:
(A) a court of competent jurisdiction has, during the lifetime of the father, made an order of filiation or parentage declaring parentage or the [mother and father] parentage of the child [have executed] has been established through the execution of an acknowledgment of parentage pursuant to section four thousand three hundred thirty-five-b of the public health law, which has been filed with the registrar of the district in which the birth certificate has been filed or;
(B) the father of the child has signed an instrument acknowledging parentage, provided that
(i) such instrument is acknowledged or executed or proved in the form required to entitle a deed to be recorded in the presence of one or more witnesses and acknowledged by such witness or witnesses, in either case, before a notary public or other officer authorized to take proof of deeds and
(ii) such instrument is filed within sixty days from the making thereof with the putative father registry established by the state department of social services pursuant to section three hundred seventy-two-c of the social services law, as added by chapter six hundred sixty-five of the laws of nineteen hundred seventy-six and
(iii) the department of social services shall, within seven days of the filing of the instrument, send written notice by registered mail to the mother and other legal guardian of such child, notifying them that an acknowledgment of parentage instrument acknowledged or executed by such father parent has been duly filed or;
(C) parentage has been established by clear and convincing evidence, which may include, but is not limited to: (i) evidence derived from a genetic marker test, or (ii) evidence that the parent openly and notoriously acknowledged the child as his or her own, however nothing in this section regarding genetic marker tests shall be construed to expand or limit the current application of subdivision four of section forty-two hundred ten of the public health law.
(3) The existence of an agreement obligating the father to support the non-marital child does not qualify such child or his issue to inherit from the father in the absence of an order of filiation made or acknowledgement of parentage as prescribed by subparagraph (2).
A motion for relief from an order of filiation may be made only by the father and a motion for relief from an acknowledgement of [paternity] parentage may be made by [the father, mother] a parent or other legal guardian of such child, or the child, provided however, such motion must be made within one year from the entry of such order or from the date of written notice as provided for in subparagraph (2).

(b) If a non-marital child dies, his or her surviving spouse, issue, mother, maternal kindred, father and paternal kindred inherit and are entitled to letters of administration as if the decedent was a marital child, provided that the father and paternal kindred may inherit or obtain such letters only if the [paternity] parentage of the non-marital child has been established pursuant to any of the provisions of subparagraph (2) of paragraph (a).

§ 18. Subdivision 1, paragraph g of subdivision 2, subdivision 3, and subdivision 4 of section 111-c of the social services law, subdivision 1 as added by chapter 685 of the laws of 1975, paragraph g of subdivision 2 as added by chapter 809 of the laws of 1985, subdivision 3 as amended by chapter 398 of the laws of 1997, and subdivision 4 as added by chapter 343 of the laws of 2009, are amended to read as follows:

4. a. A social services district represents the interests of the district in performing its functions and duties as provided in this title and not the interests of any party. The interests of a district shall include, but are not limited to, establishing [paternity] parentage, and establishing, modifying and enforcing child support orders.

b. Notwithstanding any other provision of law, the provision of child support services pursuant to this title does not constitute nor create an attorney-client relationship between the individual receiving services and any attorney representing or appearing for the district. A social services district shall provide notice to any individual requesting or receiving services that the attorney representing or appearing for the district does not represent the individual and that the individual has a right to retain his or her own legal counsel.

(d) The parties shall be required to submit to such tests and appear at any conference scheduled by the social services official or designee to discuss the notice of the allegation of paternity or to discuss the results of such tests. If the alleged [father] genetic parent fails to appear at any such conference or fails to submit to such genetic marker or DNA tests, the social services official or designee shall petition the court to establish [paternity] parentage, provide the court with a copy of the records or reports of such tests if any, and request the court to issue an order for temporary support pursuant to section five hundred forty-two of the family court act.

(iii) Approve or disapprove the placement of the child in a qualified residential treatment program.
