The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Section 623 of the correction law, as added by chapter 240

3 § 623. [~~inmate~~] incarcerated individual telephone and electronic mail
4 services. 1. Telephone and electronic mail services contracts for
5 [~~inmates~~] incarcerated individuals in state correctional facilities
6 shall be subject to the procurement provisions as set forth in article
7 eleven of the state finance law provided, however, that when determining
8 the best value of such telephone and electronic mail service, the lowest
9 possible cost to the telephone and electronic mail user shall be empha-

11 2. a. The department shall make available either a "prepaid" or
12 "collect call" system, or a combination thereof, for telephone service.
13 Under the "prepaid" system, funds may be deposited into an account in
14 order to pay for station-to-station calls, provided that nothing in this
15 subdivision shall require the department to provide or administer a
16 prepaid system. Under a "collect call" system, call recipients are
17 billed for the cost of an accepted telephone call initiated by an
18 [~~inmate~~] incarcerated individual. Under such "collect call" system, the
19 provider of [~~inmate~~] incarcerated individual telephone service, as an
20 additional means of payment, must permit the recipient of [~~inmate~~]
21 incarcerated individual calls to establish an account with such provider
22 in order to deposit funds to pay for such collect calls in advance.

23 b. The department shall make available a "prepaid" system for elec-
24 tronic mail service. Under the "prepaid" system, funds may be deposited
25 into an account in order to pay for additional electronic mail pursuant

9 section. No person shall be charged for sending a secure electronic
10 mail letter to an incarcerated individual.

11 4. The department shall not accept or receive revenue in excess of its
