- § 1282. Definitions. For the purposes of this article, the following terms shall have the following meanings:

- 2. "Housing accommodations" shall mean: (a) a private or multiple dwelling, or any other structure containing dwelling units, rooming units or sleeping accommodations, together with the land on which such structure is situated; (b) any real property to be converted to such user; or (c) all or a portion of the dwelling units, rooming units or sleeping accommodations therein.
- 13 3. "Owner" shall mean a person having record or beneficial ownership 14 of real property or a lessee of real property having an unexpired term 15 of at least thirty years.
  - 4. "Regulatory agreement" shall mean a written agreement with or approved by a city having a population of one million or more that requires the provision of housing accommodations for families and persons of low income, is entered into on or after the effective date of this article, specifically provides that it is entered into pursuant to this article, is recorded against one or more parcels of real property, and binds the owner of such real property and its successors and assigns. A regulatory agreement may include such other terms and conditions as such city shall determine.
  - 5. "Rent stabilization" shall mean, collectively, the rent stabilization law of nineteen hundred sixty-nine, the rent stabilization code, and the emergency tenant protection act of nineteen hundred seventyfour, all as in effect as of the effective date of this article or as amended thereafter, together with any successor statutes or regulations addressing substantially the same subject matter.
  - § 1283. Loans and grants. 1. Notwithstanding the provisions of any general, special or local law, a city having a population of one million or more is authorized to make loans or grants to the owner of any real property for the purpose of: (a) construction, rehabilitation, conversion, acquisition or refinancing of housing accommodations; (b) providing site improvements, including, but not limited to, water and sewer facilities, sidewalks, landscaping, the curing of problems caused by abnormal site conditions, excavation and construction of footings and foundations and other improvements associated with the provision of infrastructure for housing accommodations; or (c) providing for other costs of developing housing accommodations.
- 2. Any loan made in accordance with this section shall be evidenced by a note and may be secured by: (a) a mortgage upon the interest of the owner in the real property assisted; (b) in the case of a condominium, a mortgage upon each of the housing accommodations assisted by such loan or; (c) in the case of a cooperative housing corporation, a lien upon the economic interest in such corporation of each tenant-shareholder assisted by such loan, or a mortgage upon the real property assisted, or both such lien and such mortgage. Any such mortgage may be consolidated with a municipally-aided mortgage that encumbers the real property at the time of the making of the loan pursuant to this section. For purposes of this article, the term "mortgage" shall include any pledge or assignment of shares, or assignment of a proprietary lease, in a 54 cooperative housing corporation where such pledge or assignment is intended as security for the performance of an obligation and imposes a

S. 7782

The repayment of any loan made in accordance with this section shall be made in such manner as may be provided in the note and any mortgage in connection with such loan. Such note and mortgage may contain such terms and conditions as the city may deem necessary or desirable to effectuate the purposes and provisions of this article. Notwithstanding such provision as contained in the note and mortgage, all or a portion of the principal of the loan shall be reduced to zero only if, prior to or simultaneously with delivery of such note and mortgage, the agency made a written determination that such reduction would be necessary to ensure the continued affordability or economic viability of the housing accom-modations assisted by such loan. Such written determination shall docu-ment the basis upon which the loan was determined to be eligible for evaporation.

The regulatory agreement shall provide that the owner shall rent or sell all housing accommodations required to be occupied by families and persons of low income at rental or sales prices that do not exceed, averaging all housing accommodations required to be occupied by families and persons of low income by the regulatory agreement, rental or sales prices that are affordable to households earning one hundred twenty percent of the area median income, adjusted for household size.
- 5. The city shall not make any loan or grant pursuant to this section unless the agency has made a written determination, which shall be stated or referenced in the regulatory agreement, that such loan or grant is necessary to ensure the affordability or economic viability of the housing accommodations in accordance with the terms of the regulatory agreement.
- 6. At the discretion of the agency, a mortgage securing a loan made pursuant to this section may be exempt from the tax on mortgages imposed by article eleven of the tax law and the tax on mortgages imposed by chapter twenty-six of title eleven of the administrative code of the city of New York.
- 7. - 1. The regulatory agreement shall provide that all housing accommodations required to be occupied by families and persons of low income shall be subject to rent stabilization as of the effective date of the regulatory agreement; provided, however, that the agency may exempt from the requirements of this section any housing accommodations that are: (a) located in a structure containing fewer than six dwelling units or rooming units; (b) to be occupied on a transitional basis by persons who are formerly homeless or have special needs; (c) subject to any law providing for the regulation of rents by a governmental agency or instrumentality; or (d) to be occupied as homeownership, rather than rental, housing accommodations.

Such notification shall advise such tenants of the approximate expected initial rent. Such notification and opportunity to comment shall be provided before the rehabilitation and again after the rehabilitation is completed and prior to the establishment of the new initial rents. A representative of the agency shall meet or offer to meet with all tenants in occupancy of dwelling units affected by the provisions of this subdivision at least once before the rehabilitation.
- § 1285. Rules; enforcement. 1. The agency may promulgate rules to carry out the provisions of this article, and may require a filing fee in an amount equal to one thousand dollars per dwelling unit, or such lesser amount as may be provided by such rules, in connection with any application for a loan or grant pursuant to this article.
- 2. The agency shall have the power to: (a) subpoena, require the attendance of and examine and take testimony under oath of such persons as it may deem necessary in order to monitor and enforce compliance with the regulatory agreement; and (b) subpoena and require the production of books, accounts, papers, documents and other evidence related to such monitoring and enforcement.
- § 1286. Severability. If any clause, sentence, paragraph, section or 51 part of this article shall be adjudged by any court of competent jurisdiction to be invalid, such judgment shall not affect, impair or invalidate the remainder thereof, but shall be confined in its operation to 54 the clause, sentence, paragraph, section or part thereof directly involved in the controversy in which such judgment shall have been rendered.
