42 the adjudicated cost; or

43 (c) require a pharmacy to meet any pharmacy accreditation standard or
44 recertification requirement inconsistent with, more stringent than, or

13 (g) Licensees and applicants for a license under this section shall be
14 subject to examination by the superintendent as often as the superinten-

34 person of the registrant or licensee, has:

35 (1) violated any insurance laws, section two hundred eighty-a of the
36 public health law or violated any regulation, subpoena or order of the
37 superintendent or of another state's insurance commissioner, or has
38 violated any law in the course of his or her dealings in such capacity
39 after such license has been issued or renewed pursuant to section two
40 thousand nine hundred six of this article;

41 (2) provided materially incorrect, materially misleading, materially

45 misrepresentation or fraud;

46 (4)(A) used fraudulent, coercive or dishonest practices;

48 (C) demonstrated untrustworthiness; or

49 (D) demonstrated financial irresponsibility in the conduct of business
50 in this state or elsewhere;

4 equivalent, denied, suspended or revoked in any other state, province,
5 district or territory;

6 (9) failed to pay state income tax or comply with any administrative
7 or court order directing payment of state income tax; or

8 (10) ceased to meet the requirements for registration or licensure
9 under this article.

10 (b) Before revoking or suspending the registration or license of any
11 pharmacy benefit manager pursuant to the provisions of this article, the
12 superintendent shall give notice to the registrant or licensee and to
13 every sub-licensee and shall hold, or cause to be held, a hearing not
14 less than ten days after the giving of such notice.

15 (c) If a registration or license pursuant to the provisions of this
16 article is revoked or suspended by the superintendent, then the super-
17 intendent shall forthwith give notice to the registrant or licensee.

18 (d) The revocation or suspension of any registration or license pursu-
19 ant to the provisions of this article shall terminate forthwith such
20 registration or license and the authority conferred thereby upon all
21 sub-licensees. For good cause shown, the superintendent may delay the
22 effective date of a revocation or suspension to permit the registrant or
23 licensee to satisfy some or all of its contractual obligations to
24 perform pharmacy benefit management services in the state.

25 (e)(1) No individual, corporation, firm or association whose registra-
26 tion or license as a pharmacy benefit manager has been revoked pursuant
27 to subsection (a) of this section, and no firm or association of which
28 such individual is a member, and no corporation of which such individual
29 is an officer or director, and no controlling person of the registrant
30 or licensee shall be entitled to obtain any registration or license
31 under the provisions of this article for a minimum period of one year

33 for a minimum period of one year after the final determination thereof
34 affirming the action of the superintendent in revoking such license.

35 (2) If any such registration or license held by a firm, association or
36 corporation be revoked, no member of such firm or association and no
37 officer or director of such corporation or any controlling person of the
38 registrant or licensee shall be entitled to obtain any registration or
39 license, or to be named as a sub-licensee in any such license, under
40 this article for the same period of time, unless the superintendent
41 determines, after notice and hearing, that such member, officer or
42 director was not personally at fault in the matter on account of which
43 such registration or license was revoked.

44 (f) If any corporation, firm, association or person aggrieved shall
45 file with the superintendent a verified complaint setting forth facts
46 tending to show sufficient ground for the revocation or suspension of
47 any pharmacy benefit manager's registration or license, and the super-
48 intendent finds the complaint credible, then the superintendent shall,
49 after notice and a hearing, determine whether such registration or
50 license shall be suspended or revoked.

51 (g) The superintendent shall retain the authority to enforce the
52 provisions of and impose any penalty or remedy authorized by this chap-
53 ter against any person or entity who is under investigation for or
54 charged with a violation of this chapter, even if the person's or enti-
55 ty's registration or license has been surrendered, or has expired or has
56 lapsed by operation of law.

1 (h) A registrant or licensee subject to this article shall report to
2 the superintendent any administrative action taken against the regis-

11 complaint filed, the order resulting from the hearing and any other
12 relevant legal documents.

13 § 2908. Penalties for violations. (a) The superintendent, in lieu of
14 revoking or suspending the registration or license of a registrant or
15 licensee in accordance with the provisions of this article, may in any
16 one proceeding by order, require the registrant or licensee to pay to
17 the people of this state a penalty in a sum not exceeding the greater of
18 (1) one thousand dollars for each offense and two thousand five hundred
19 dollars for each subsequent violation or (2) the aggregate gross
20 receipts attributable to all offenses.

21 (b) Upon the failure of such a registrant or licensee to pay the
22 penalty ordered pursuant to subsection (a) of this section within twenty
23 days after the mailing of the order, postage prepaid, registered, and
24 addressed to the last known place of business of the licensee, unless
25 the order is stayed by an order of a court of competent jurisdiction,
26 the superintendent may revoke the registration or license of the regis-
27 trant or licensee or may suspend the same for such period as the super-
28 intendent determines.

29 § 2909. Stay or suspension of superintendent's determination. The
