Subject to the cessation of new claim approvals under paragraph (d) of subdivision six of this section, the agency shall submit all approved claims to the comptroller, who shall pay from the general fund any and all claims submitted by the agency.

(b) Any bank or credit union may apply to the department to participate in the loan guarantee program. Not later than one business day after receiving the application, the department shall determine whether the financial institution is an eligible financial institution and immediately notify the bank or credit union of such determination. Any eligible financial institution may make loans to affected businesses in accordance with this section.

(c) Each eligible financial institution that makes a loan pursuant to this section, shall notify the department and agency in writing not later than one business day after making the loan, specifying such information about the borrower as the department and agency may request.

3. Loan and grant program. An eligible financial institution or agency may make a loan or grant to an affected business, in the following manner:

(b) A minority and women owned business enterprise with fewer than five employees will be eligible for a grant to cover forty percent of payroll costs for two months up to ten thousand dollars to help retain employees.

Each additional loan shall be made in accordance with subdivision four of this section.

(b) The department shall maintain records in the regular course of administration of the loan guarantee program, including a record of loans issued and of payments made to honor loan guarantees issued under this section. The department shall regularly review such records to determine total loans issued and identify duplicative applications.

(c) The department may terminate any loan guarantee if the eligible financial institution misrepresents any information pertaining to the guarantee or fails to comply with any requirements of this section in connection with the guarantee of the underlying loan.

(d) If the amounts expended to honor loan guarantees under the program exceed ten percent of total loans issued, the department shall immediately cease to approve claims and shall notify the comptroller and each eligible financial institution and agency of the total amount of payments made and that the department has ceased honoring loan guarantees.
