AN ACT in relation to requiring the department of health to prepare a report on the number of surplus ventilators within the state at the conclusion of the COVID-19 state of emergency

**The People of the State of New York, represented in Senate and Assembly, do enact as follows:**

Section 1. The department of health shall prepare a report on the quantity of surplus ventilators and personal protection equipment located in storage or reserve within the state upon the conclusion of the state of emergency declared by executive order 202 that began on March 7, 2020. Such report shall list every warehouse or other storage location where such equipment is being stored and identify the quantity of ventilators and personal protection equipment located within each such warehouse or other storage location. Such list of warehouses and other storage locations shall be divided into regional groups. For the purpose of this act, "regional groups" shall mean the ten economic development regions established by the New York state department of economic development pursuant to section 230 of the economic development law.

§ 2. The department of health shall deliver such report to the governor, the speaker of the assembly, the minority leader of the assembly, the temporary president of the senate and the minority leader of the senate no later than thirty days after the state of emergency declared by executive order 202 that began on March 7, 2020 has been lifted.

§ 3. This act shall take effect immediately.

EXPLANATION--Matter in *italics* (underscored) is new; matter in brackets [-] is old law to be omitted.
