The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Paragraph (e) of subdivision 5 of section 94-c of the executive law, as added by section 4 of part JJJ of chapter 58 of the laws of 2020, is amended and a new paragraph (f-1) is added to read as follows:

2 (e) Following the expiration of the public comment period set forth in
3 this subdivision, or following the conclusion of a hearing undertaken
4 pursuant to this subdivision, the office shall, in the case of a public
5 comment period, issue a written summary of public comment and an assessment of comments received, and in the case of an adjudicatory hearing, the executive officer or any person to whom the executive director has delegated such authority, shall issue a final written hearing report. A final siting permit may only be issued if the office makes a finding that the proposed project, together with any applicable uniform and site-specific standards and conditions would comply with applicable laws and regulations, and if such final siting permit is approved pursuant to a referendum held in accordance with paragraph (f-1) of this subdivision. In making this determination, the office may elect not to apply, in whole or in part, any local law or ordinance which would otherwise be applicable if it makes a finding that, as applied to the proposed major renewable energy facility, it is unreasonably burdensome in view of the CLCPA targets and the environmental benefits of the proposed major renewable energy facility.

23 (f-1) Notwithstanding any other provision of law to the contrary, before a determination for a final siting permit may be considered final, such permit shall be subject to approval through public referendum by the municipality in which the facility applying to the office is intended to be located. Such referendum shall be held upon the question
