43 nine-A, twenty-two, or thirty-three of the tax law which owns an inter-
44 est in one or more potential eligible buildings, or a transferee of such
45 a taxpayer as described in subdivision six of this section, shall be
46 allowed a credit against such tax for the amount of credit allocated by
47 the commissioner to each such potential eligible building. Except as
48 provided in subdivision two of this section, the credit amount so allo-
49 cated shall be allowed as a credit against the tax for the ten taxable
50 years in the credit period beginning in and after tax year two thousand
51 twenty-four.

52 2. Amount of credit. (a) Except as provided in subdivisions three and
53 four of this section, the amount of credit shall be the difference
54 between the cumulative amount of rents owed on a monthly basis pursuant
55 to the leases covering each occupied dwelling unit minus the tenant's
56 rental obligation, for those months during the state of emergency.

1 Credits shall be reduced by any amount of rent payments made by a tenant
2 above their rental obligation under this article.

3 (b) Notwithstanding paragraph (a) of this subdivision, if a lease has
4 as its rent an amount that exceeds two hundred fifty percent of fair
5 market rent for the rental area, the collectible rent for the dwelling
6 unit subject to the lease shall be deemed to be two hundred fifty
7 percent of the fair market rent for the rental area.

8 (c) (i) The commissioner shall receive applications for credit. The
9 application for credit by the owner or owners of the rental property
10 shall include the amount of the credit requested, which shall be based
11 upon the cumulative monthly rent owed by tenants pursuant to the leases
12 covering each occupied dwelling during each month of the state of emer-
13 gency, and the actual monthly rent collected during each respective
14 month of the state of emergency, to be allocated by the commissioner to
15 the potential eligible building. The application shall also include the
16 tenant's name and mailing address for each unit for which credit is
17 sought. The applicant has the burden of providing sufficient proof to
18 the commissioner for review and determination. The application shall
19 contain sufficient information to identify each such building and the
20 taxpayer or taxpayers with respect to each such building, and such other
21 information as the commissioner, in consultation with the commissioner
22 of taxation and finance, shall prescribe. The commissioner shall devel-
23 op procedures for verifying the tenant's income and determining the
24 tenant's rental obligation for the tax credit benefit period.

25 (ii) While the application is pending, the applicant may not commence
26 a proceeding to recover possession of the property for the non-payment
27 of rent which is the subject of the application.

28 (iii) Subject to the availability of credits, the amount of the credit
29 available to the potential eligible building shall be the actual differ-
30 ence between the monthly lease amounts for occupied units minus the
31 tenant's rental obligation and the actual amount of monthly rent
32 collected, as determined by the commissioner. Upon approval of the cred-
33 it to an owner, the owner shall release the occupants of the unit or
34 building from any liability for the non-payment of rent that is the
35 subject of the credit.

36 (iv) Owners shall not be eligible for credit (1) if such owner has
37 received property tax relief, rental voucher assistance, or any other
38 federal, state or locally funded benefit intended to pay, abate or
39 compensate the owner for eligible unpaid rent, (2) if the owner has
40 commenced a proceeding to recover possession of the property for the
41 non-payment of rent which is the subject of the application, or (3)
42 another owner, co-owner or applicant has applied for tax credits for the
43 unpaid rent of the same units.

44 3. Tenant rental obligation. (a) The monthly rental obligation of each
45 tenant for which credit is sought shall be thirty percent of the monthly
46 adjusted income of such tenant.

47 (b) If a tenant shares a dwelling or manufactured home with one or
48 more individuals who are not part of their family or household, the
49 monthly rental obligation of the tenant shall be calculated using the
50 portion of the tenant's rent for which they are responsible rather than
51 the entire rent for the shared dwelling unit or manufactured home.

52 (c) Each family shall identify the individuals to be included in the
53 family at the time of application, and shall update such information if
54 the family's composition changes.

55 4. Verification of income and assets. (a) The commissioner shall
56 establish procedures that are appropriate and necessary to assure that

1 data regarding income, and assets to the extent necessary to determine
2 eligibility, provided by tenants under this article is complete and
3 accurate. Acceptable methods of verification shall include, but are not
4 limited to, paycheck stubs, earning statements, tax records, W-2 forms,
5 written statements from a former or current employer, telephone or
6 in-person contact with a former or current employer, notarized state-
7 ments or affidavits signed by the applicant, or other methods approved
8 by the commissioner.

9 5. Statewide limitation. (a) The aggregate dollar amount of credit
10 which the commissioner may allocate to eligible buildings under this
11 article shall be one billion dollars.

12 (b) An eligible building shall be limited to a credit amount equal to
13 the difference between the cumulative monthly rent amount pursuant to
14 the leases in effect on March first, two thousand twenty minus the
15 tenant's rental obligation and the actual monthly rent amount collected
16 for the months during the state of emergency. The taxpayer shall prove,
17 to the satisfaction of the commissioner, the amount of rent due.

18 (c) The amount of the tax credit payment with respect to any dwelling
19 unit or manufactured home tenant shall be the difference between the
20 monthly contractual or statutory rent the owner is to receive for the
21 unit or home and thirty percent of the tenant's monthly adjusted income.

22 (d) Notwithstanding paragraph (b) of this subdivision, the maximum
23 monthly tax credit for each tenant shall be the difference between the
24 rental obligation established in this section and two hundred fifty
25 percent of the fair market rent for the rental area.

26 6. Building Prioritization. The commissioner shall prioritize applica-
27 tions for buildings based on the amount of credit requested in compar-
28 ison to the cumulative amount of rents owed on a monthly basis pursuant
29 to the leases covering all occupied dwelling units during the respective
30 months of the state of emergency. Buildings in which the amount of cred-
31 it requested exceeds seventy-five percent of the cumulative amount of
32 rents owed shall be highest priority, followed by buildings in which the
33 amount exceeds fifty percent but is below seventy-five percent, followed
34 by buildings in which the amount exceeds twenty-five percent but does
35 not exceed fifty percent, and then any other applications. The commis-
36 sioner shall also prioritize applications for buildings with low-income
37 housing regulatory agreements or where fifty percent of the units are at
38 or below the fair market rent.

39 7. Transfer of credit. (a) A taxpayer allowed a credit pursuant to
40 this article may transfer the credit, in whole or in part, to another
41 person or entity, who shall be referred to as the transferee. Transfer-
42 ees shall be entitled to apply transferred credit to a tax imposed under
43 article nine-A, twenty-two or thirty-three of the tax law, provided all
44 requirements for claiming the credit are met. A transferee may not
45 transfer any credit, or portion thereof, acquired by transfer.

46 (b) A taxpayer allowed a credit pursuant to this article must enter
47 into a transfer contract with the transferee. The transfer contract must
48 specify (i) the building address and any other location identification
49 information; (ii) the schedule of years for which the transfer credit
50 may be claimed and the amount of credit previously claimed; (iii) the
51 amount of consideration received by the taxpayer for the transfer cred-
52 it; and (iv) the amount of credit being transferred.

53 (c) No transfer shall be effective unless the taxpayer allowed a cred-
54 it pursuant to this article and seeking to transfer the credit files a
55 transfer statement with the commissioner prior to the transfer and the
56 commissioner approves such transfer. The transfer statement shall

1 provide the name and federal identification numbers of the filing
2 transferor and the taxpayer to whom the filing transferor transferred
3 the credit, and the amount of credit transferred to each such person or
4 entity. A copy of the transfer contract shall be attached to the trans-
5 fer statement. The statement shall also contain such other information
6 as the commissioner may require. After reviewing the transfer contract
7 and the transfer statement, the commissioner shall approve or deny the
8 transfer as provided in this subdivision. If the commissioner approves
9 the transfer, the commissioner shall issue an approval statement that
10 provides the name of the transferor and transferee, the amount of credit
11 being transferred and such other information as the commissioner and the
12 commissioner of taxation and finance deem necessary. A copy of the
13 commissioner's approval statement must be attached to the transferee's
14 tax return. If the commissioner denies the transfer, the commissioner
15 shall provide the taxpayer a written determination for such denial. The
16 commissioner, in consultation with the commissioner of taxation and
17 finance, may establish such other procedures and standards deemed neces-
18 sary for the transferability of the rental losses credit.

19 (d) The commissioner shall forward copies of all transfer statements
20 and attachments thereto and approval statements to the department of
21 taxation and finance within thirty days after the transfer is approved
22 by the commissioner.

23 § 28. Credit monitoring. The commissioner shall establish such proce-
24 dures deemed necessary for monitoring compliance of an eligible building
25 with the provisions of this article, and for notifying the commissioner
26 of taxation and finance of any such noncompliance.

27 § 29. Regulations. The commissioner shall promulgate any rules and
28 regulations necessary to administer the provisions of this article.

29 § 3. The tax law is amended by adding a new section 45 to read as
30 follows:

35 to rental losses during the COVID-19 pandemic for which an eligibility
36 statement has been issued by the commissioner of the division of housing
37 and community renewal. The amount of such credit shall be the credit
38 amount allocated by such commissioner as provided in article two-B of
39 the public housing law. The credit amount shall be allowed for each of
40 the ten taxable years in the credit period beginning in and after tax
41 year two thousand twenty-four.

54 for any taxable year shall not reduce the tax due for such year to less
55 than the fixed dollar minimum amount prescribed in paragraph (d) of
56 subdivision one of section two hundred ten of this article. Provided,

1 however, if the amount of credit allowed under this subdivision for any
2 taxable year reduces the tax to such amount or if the taxpayer otherwise
3 pays tax based on the fixed dollar minimum amount, any amount of credit
4 thus not deductible in such taxable year shall be treated as an overpay-
5 ment of tax to be credited or refunded in accordance with the provisions

29 than the minimum tax fixed by paragraph four of subdivision (a) of
30 section fifteen hundred two of this article or by section fifteen
31 hundred two-a of this article, whichever is applicable. Provided,
32 however, if the amount of credit allowed under this subdivision for any
33 taxable year reduces the tax to such amount, then any amount of credit
