AN ACT to amend the public health law, in relation to protecting addiction service providers from liability during a public health emergency

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Section 3080 of the public health law, as added by section 1 1 of part GGG of chapter 56 of the laws of 2020, is amended to read as 2 3 follows: § 3080. Declaration of purpose. A public health emergency that occurs 4 5 on a statewide basis requires an enormous response from state and federal and local governments working in concert with private and public 6 7 health care providers in the community. The furnishing of treatment of patients during such a public health emergency is a matter of vital state concern affecting the public health, safety and welfare of all 8 9 10 citizens. It is the purpose of this article to promote the public 11 health, safety and welfare of all citizens by broadly protecting the 12 health care facilities [and], health care professionals and addiction 13 service providers in this state from liability that may result from treatment of individuals with COVID-19 under conditions resulting from 14 15 circumstances associated with the public health emergency. 16 § 2. Section 3081 of the public health law is amended by adding a new 17 subdivision 9 to read as follows: 18 9. The term "addiction service provider" shall mean a health care professional who is licensed to provide behavioral health and substance 19 use services by the office of addiction services and supports. 20 § 3. Section 3082 of the public health law, as added by section 1 of 21 22 part GGG of chapter 56 of the laws of 2020, is amended to read as 23 follows: § 3082. Limitation of liability. 1. Notwithstanding any law to the 24 25 contrary, except as provided in subdivision two of this section, any 26 health care facility [**or**], health care professional <u>or addiction service</u> provider shall have immunity from any liability, civil or criminal, for 27

EXPLANATION--Matter in <u>italics</u> (underscored) is new; matter in brackets [-] is old law to be omitted.
