Such reduction shall be based on actuarially appropriate reductions as provided for in subsection (e) of this section. Each insurer required to provide such reduction shall submit a report to the superintendent at the end of each calendar year identifying the number of policies eligible for such discount and the number of policies to which such discount has been applied.
- (d) A member of an association shall not be deemed to be an employee of such association solely because such member is covered under a group fleet policy issued to an association pursuant to this section.
