1 1. The town board of any town may establish a police department and
2 appoint a chief of police and such officers as may be needed and fix
3 their compensation. The compensation of such police officers shall be a
4 town charge; providing however, no assessment on property in any village
5 within any town or partially within any town shall be made for the main-
6 tenance or operation of a town police department established after Janu-
7 ary first, nineteen hundred sixty, pursuant to this section if any such
8 village maintains a police department of four or more police officers on
9 an annual full-time basis, established and maintained under the rules of
10 civil service. The town board may, at its option, determine that the
11 town shall pay all or part of the cost of the uniforms and necessary
12 equipment of its police officers, and may purchase such equipment for
13 use by the police department as it shall deem necessary, including
14 police patrol vehicles, and emergency service vehicles for police use in
15 connection with accidents, public calamities or other emergencies. The

25 agreement with any village within it or partially within it which main-
26 tains a police department of four or more police officers on an annual
27 full-time basis, established and maintained under the rules of civil
28 service and determine therein what part of the cost thereof shall be
29 assessed against the property in the village and what part thereof shall
30 be assessed against the property in the town outside of the village.
31 Thereafter such portion of the cost thereof determined to be assessed
32 outside of the village shall be a charge against that part of the town
33 outside of the village and assessed, levied and collected from the taxa-
34 ble property of that part of the town outside of the village. When
35 appointed, such police officers shall have all the powers and be subject
36 to all the duties and liabilities of a police officer in all criminal
37 actions and proceedings and special proceedings of a criminal nature.
