STATE OF NEW YORK

8577

IN SENATE

June 16, 2020

Introduced by Sen. SEPULVEDA -- read twice and ordered printed, and when printed to be committed to the Committee on Rules

AN ACT to amend the executive law, in relation to requiring state and local law enforcement officers to identify themselves to the public

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Declaration of legislative intent and findings. The legis-2 lature finds that the people of the state of New York are in great debt to the hard work and dedication of police officers in their daily 4 duties. The legislature further finds that mistrust of law enforcement 5 officers based on real or perceived discrimination hinders law enforce-6 ment efforts and is a threat to public safety. New York state and local police policy already requires that officers wear shields and nameplates at all times while in uniform, and that they provide their rank, name, 9 shield number and command when asked.

In adopting this act, it is the intent of the legislature to increase transparency in police practices and to build trust between police offi-12 cers and members of the public by providing the public with notice of 13 the reasons behind their encounters with the police, and a written 14 record of their interactions with the police in situations that do not 15 result in an arrest or summons.

- 16 § 2. The executive law is amended by adding a new section 233 to read 17 as follows:

(vii) home searches; and

- (b) "Noncustodial questioning" shall mean both the routine, investigatory questioning of individuals and the questioning of suspects where such individuals or suspects have not been detained and are free to end the encounter at will.

- (a) Identify themselves to the subject or subjects of the law enforcement activity by providing their full name, rank and command; and
 - (b) Provide the specific reason for the law enforcement activity.
- (c) At the conclusion of law enforcement activity that does not result in an arrest or summons, the subject or subjects of the law enforcement activity shall be provided with the law enforcement officer's business card, which shall include, at a minimum the name, rank, command of the officer and a phone number that the subject of the law enforcement activity may use to submit comments or complaints about the encounter.
- 3. Subdivision two of this section shall not apply where a law enforcement officer is not in uniform and identification of the officer would compromise the immediate safety of the public or law enforcement officers or would seriously compromise a specific, ongoing law enforcement investigation.
- § 3. Severability. If any clause, sentence, paragraph, section or part of this act shall be adjudged by any court of competent jurisdiction to be invalid, such judgment shall not affect, impair or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, section or part thereof directly involved in the controversy in which such judgment shall have been rendered.
